

EROTIC AMBIGUITIES
The female nude in art

Helen McDonald

Erotic Ambiguities The Female Nude In Art

Karin Lesnik-Oberstein

Erotic Ambiguities The Female Nude In Art:

Erotic Ambiguities Helen McDonald, 2001 Art is always ambiguous When it involves the female body it can also be erotic *Erotic Ambiguities* is a study of how contemporary women artists have reconceptualised the figure of the female nude Helen McDonald shows how over the past thirty years artists have employed the idea of ambiguity to dismantle the exclusive classical ideal enshrined in the figure of the nude and how they have broadened the scope of the ideal to include differences of race ethnicity sexuality and disability as well as gender McDonald discusses the work of a wide range of women artists including Barbara Kruger Judy Chicago Mary Duffy Zoe Leonard Tracey Moffatt Pat Brassington and Sally Smart She traces the shift in feminist art practices from the early challenge to patriarchal representations of the female nude to contemporary postfeminist practices influenced by theories of performativity queer theory and postcoloniality McDonald argues that feminist efforts to develop a more positive representation of the female body need to be reconsidered in the face of the resistant ambiguities and hybrid complexities of visual art in the late 1990s *Nude and Naked Women in the Arts* Eli Bartra, 2022-09-28 *Nude and Naked Women in the Arts* Mexico and Beyond is a study of female nudity as represented by men and women in Mexico and other parts of the world through analysis of both the high arts and folk arts Eli Bartra explores the diverse forms of artistic expression and their link to the social construction of female gender This approach is crucial to understanding how forms of discrimination are created and recreated sometimes in very apparent ways and other times more subtly and how they contribute to the perpetuation of gender hierarchies Eli Bartra examines the assertion of gender differences in artistic creation and the sexist and at times misogynistic imagery of nude women as represented by men

The Nude Richard Leppert, 2018-05-04 *The Nude* explores some of the principal ways that paintings of the nude function in the conflicted terrain of culture and society in Europe and America from the fifteenth through twentieth centuries as set against questions about human sexuality that emerge around differences of class gender age and race Author Richard Leppert relates the visual history of how the naked body intersects with the foundational characteristics of what it is to be human measured against a range of basic emotions happiness delight and desire fear anxiety and abjection and read in the context of changing social and cultural realities The bodies comprising the Western nude are variously pleased or tormented ecstatic or bored pleased or horrified In short as this volume amply demonstrates the nude in Western art is a terrain on whose surface is written a summation of Western history its glory but also its degradation *The last taboo* Karin Lesnik-Oberstein, 2013-07-19 This is the first academic book ever written on women and body hair which has been seen until now as too trivial ridiculous or revolting to write about Even feminist writers or researchers on the body have found remarkably little to say about body hair usually ignoring it completely It would appear that the only texts to elaborate on body hair are guides on how to remove it medical texts on hirsutism or fetishistic pornography on hairy women *The last taboo* also questions how and why any particular issue can become defined as self evidently too silly or too mad to write about

Using a wide range of thinking from gender theory queer theory critical and literary theory history art history anthropology and psychology the contributors argue that in fact body hair plays a central role in constructing masculinity and femininity and sexual and cultural identities It is sure to provide many academic researchers with a completely fresh perspective on all of the fields mentioned above

The Meanings of Nudity in Medieval Art Sherry C. M. Lindquist, 2012 Addressing a strangely neglected key issue in the history of art this volume engages the variety and complexity of medieval representations of the unclothed human body The Meanings of Nudity in Medieval Art breaks ground by offering a variety of approaches to explore the meanings of both male and female nudity in European painting manuscripts and sculpture ranging from the late antique era to the fifteenth century

Naked Brian Hoffman, 2015-05 In 1929 a small group of men and women threw off their clothes and began to exercise in a New York City gymnasium marking the start of the American nudist movement While countless Americans had long enjoyed the pleasures of skinny dipping or nude sunbathing nudists were the first to organize a movement around the idea that exposing the body corrected the ills of modern society and produced profound benefits for the body as well as the mind Despite hostility and skepticism American nudists enlisted the support of health enthusiasts homemakers sex radicals and even ministers and in the process redefined what could be seen experienced and consumed in twentieth century America Naked gives a vibrant detailed account of the American nudist movement and the larger cultural phenomenon of public nudity in the United States Brian S Hoffman reflects on the idea of nakedness itself in the context of a culture that wrestles with an inherent sense of shame and conflicting moral attitudes about the body In exploring the social and legal history of nudism Hoffman reveals how anxieties about gender race sexuality and age inform our conceptions of nakedness The book traces the debates about distinguishing deviant sexualities from morally acceptable display the legal processes that helped bring about the dramatic changes in sexuality in the 1960s and 1970s as well as the explosion in eroticism that has increasingly defined the modern American consumer economy Drawing on a colorful collection of nudist materials films and magazines Naked exposes the social cultural and moral assumptions about nakedness and the body normally hidden from view and behind closed doors

Art and Obscenity Kerstin Mey, 2006-11-22 Explicit material is more widely available in the internet age than ever before yet the concept of obscenity remains as difficult to pin down as it is to approach without bias notions of what is obscene shift with societies shifting mores and our responses to explicit or disturbing material can be highly subjective In this intelligent and sensitive book Kerstin Mey grapples with the work of twentieth century artists practising at the edges of acceptability from Hans Bellmer through to Nobuyoshi Araki from Robert Mapplethorpe to Annie Sprinkle and from Hermann Nitsch to Paul McCarthy Mey refuses sweeping statements and knee jerk responses arguing with dexterity that some works regardless of their high art context remain deeply problematic whilst others are both groundbreaking and liberating

Feminism Art Theory Hilary Robinson, 2015-04-20 Charting over 45 years of feminist debate on the significance of gender in the making and understanding of art the long anticipated new

edition of Feminism Art Theory has been extensively updated and reworked Completely revised retaining only one third of the texts of the earlier edition with all other material being new inclusions Brings together 88 revealing texts from North America Europe and Australasia juxtaposing writings from artists and activists with those of academics Embraces a broad range of threads and perspectives from diverse national and global approaches lesbian and queer theory and postmodernism to education and aesthetics Includes many classic texts but is particularly notable for its inclusion of rare and significant material not reprinted elsewhere Provides a uniquely flexible resource for study and research due to its scale and structure each of the seven sections focuses on a specific area of debate with texts arranged chronologically in order to show how issues and arguments developed over time

An Analysis of Griselda Pollock's Vision and Difference Karina

Jakubowicz,2018-02-21 Vision and Difference published in 1988 is one of the most significant works in feminist visual culture arguing that feminist art history of is a political as well as academic endeavour Pollock expresses how images are key to the construction of sexual difference both in visual culture and in broader societal experiences Her argument places feminist theory at the centre of art history proffering the idea that a feminist understanding of art history is an analysis of art history itself This text remains key not only to understand feminine art historically but to grasp strategies for representation in the future and adding to its contemporary value

The Future of Flesh: A Cultural Survey of the Body K. Kitsi-Mitakou,Z.

Detsi-Diamanti,2009-04-26 Encompassing some of the most recent academic research on mainstream issues of body image weight and representation of the body this collection addresses the body in areas such as ancient Greek poetry new media art comic book culture and biotechnology

Australian Book Review ,2001

Women, Art, and Society (Sixth) (World of

Art) Whitney Chadwick,2020-09-08 A new edition of the groundbreaking book by Whitney Chadwick maps the complete history of women artists from the Middle Ages and the Renaissance to today Art historian Whitney Chadwick s acclaimed bestselling study challenges the assumption that great women artists are exceptions to the rule who transcended their gender to produce major works of art While introducing some of the many women since the Middle Ages whose contributions to visual culture have often been neglected Chadwick s survey reexamines the works themselves and the ways in which they have been perceived as marginal often in direct reference to gender In her discussion of feminism and its influence on such a reappraisal she also addresses the closely related issues of ethnicity class and sexuality This revised edition features a completely redesigned interior and full color illustrations With a new preface and epilogue from this emerging authority on the history of women artists curator and professor Flavia Frigeri this revised edition continues the project of charting the evolution of feminist art history and pedagogy revealing how artists have responded to new strategies of feminism for the current moment

Art Journal ,1960

Indecent Exposures

Sarah Anne Gordon,2015-01-01 A revelatory look at how Muybridge s photographs of nudes in motion propelled crucial scientific and cultural advancements of the modern era Photographer Eadweard Muybridge 1830 1904 often termed the father of the motion picture presented his iconic Animal

Locomotion series in 1887 Produced under the auspices of the University of Pennsylvania and encompassing thousands of photographs of humans and animals in motion the series included more than 300 plates of nude men and women engaged in activities such as swinging a baseball bat playing leapfrog and performing housework an astonishing fact given the period's standards of propriety In the first sustained examination of these nudes and the remarkable success of their production wide circulation and reception Indecent Exposures positions this revolutionary enterprise as central to crucial advancements of the modern era Muybridge's nudes ushered in new attitudes toward science and progress including Darwinian ideas about human evolution and hierarchy quickened debates over the role of photography and scientific investigation in art and offered innovative perspectives on the human body This fascinating story is copiously illustrated and includes many lesser known photographs published here for the first time

Uncovering Paris Lela F. Kerley, 2017-06-07 From 1889 to 1914 nude spectacles increased at an astonishing rate as a result of burgeoning artistic experimentation the commercialization of the female body and the rise of urban nightlife In particular artists' balls and music halls provided creative spaces in which women artists' impresarios and the illustrated press could cast the natural body as a source of sexual pleasure identity and reform Emphasizing the role of erotic entertainment as an outlet and agent of modern sensibilities Uncovering Paris Scandals and Nude Spectacles in the Belle poque offers a fresh approach to important topics of the period Bohemian artists the New Woman and press censorship and reinterprets them through the lens of la femme nue Having inherited her name from the pictorial female Nude and the Nude's real life counterpart the artist's model la femme nue operated as a screen onto which various groups projected their artistic drives sexual desires monetary interests and cultural anxieties A struggle to define pornography and art freedom and censorship and public and private spheres ensued among artists theater directors and moral leagues as a century long tradition of equating civilization with clothing broke down in the face of performative challenges In posing singing acting and dancing in naturalist presentations the artist's model turned erotic entertainer engendered crises in ways of seeing the female body that contributed to and was indicative of a changing moral climate within which women were accorded more freedom to corporeally express themselves Once denigrated and denounced as a sign of vulgar working class sexuality the revelation of female flesh became an integral aspect of twentieth century French body culture Drawing upon a range of colorful commentaries dramatic debates and evocative photos Lela F Kerley highlights the importance of nudity in the redrawing of moral boundaries as she uncovers key moments that amounted to a culture war in the years leading up to World War I Through an investigation of street riots court cases and anti pornography campaigns Uncovering Paris offers an interdisciplinary approach to the scholarship on Belle poque sexual politics and a rich glimpse into the social construction of morality in Belle poque France

Nu, 2001 The Happy Stripper Jacki Willson, 2007-11-06 If the burlesque stripper with her bawdy spirit and unruly insubordination has emerged for many as a new empowering model for the sexually aware woman then she also strikes horror in the heart of second wave feminism Embodied by high

profile artistes such as Dita von Teese and Catherine D Lish the explosive revival of striptease burlesque and overt female sexual performance has proved no less alluring to a new generation of women artists familiar with the provocative work of 70 s performance artists such as Hannah Wilke and Carolee Schneeman Eloquent on prettiness and power desire and knowingness money sex and class and with an extensive knowledge of burlesque s rich tradition Willson raises long overdue questions about women s erotic expression within a postfeminist condition The new burlesque demands above all a response this fresh brazen provocative book at last provides it

Doing Gender in Media, Art and Culture Rosemarie Buikema, Liedeke Plate, Iris van der Tuin, Kathrin Thiele, 2009-06-02 Doing Gender in Media Art and Culture is an introductory text for students specialising in gender studies The truly interdisciplinary and intergenerational approach bridges the gap between humanities and the social sciences and it showcases the academic and social context in which gender studies has evolved Complex contemporary phenomena such as globalisation neo liberalism and fundamentalism are addressed that stir up new questions relevant to the study of culture This vibrant and wide ranging collection of essays is essential reading for anyone in need of an accessible but sophisticated guide to the very latest issues and concepts within gender studies Doing Gender in Media Art and Culture is an indispensable introduction to third wave feminism and contemporary gender studies It is international in scope multidisciplinary in method and transmedial in coverage It shows how far feminist theory has come since Simone de Beauvoir s Second Sex and marks out clearly how much still needs to be done Hayden White Professor of Historical Studies Emeritus University of California and Professor of Comparative Literature Stanford University US

The International Handbooks of Museum Studies, 4 Volume Set Sharon Macdonald, Helen Rees Leahy, 2015-07-20 The International Handbooks of Museum Studies is a multi volume reference work that represents a state of the art survey of the burgeoning field of museum studies Featuring original essays by leading international museum experts and emerging scholars readings cover all aspects of museum theory practice debates and the impact of technologies The four volumes in the series divided thematically offer in depth treatment of all major issues relating to museum theory historical and contemporary museum practice mediations in art design and architecture and the transformations and challenges confronting the museum In addition to invaluable surveys of current scholarship the entries include a rich and diverse panoply of examples and original case studies to illuminate the various perspectives Unprecedented for its in depth topic coverage and breadth of scholarship the multi volume International Handbooks of Museum Studies is an indispensable resource for the study of the development roles and significance of museums in contemporary society

Public Feminism in Times of Crisis Leila Easa, Jennifer Stager, 2022-07-26 Public Feminism in Times of Crisis examines the public practice of feminism in the age of social media While their concept of public feminism emerges from a moment of acute crisis the Trump years and the Covid 19 pandemic Leila Easa and Jennifer Stager locate its foundations in history journeying through broad swatches of time looking for connections between the centuries through art and literature and culture Each chapter focuses

on what public feminists do in the world Public feminists gain control over an archive that otherwise contains or excludes them they recover their own stories and subjective experiences sometimes for activist use they examine images and language that construct women in patriarchal texts they situate the individual within a collective and the collective within an individual they confront the limitations of such situating due to the containment of patriarchy and reclaim new systems of power in response and they resurface a deep history for the alternative strategies of memorializing they employ In navigating these practices the authors also attend to the material conditions of writing histories as well as those shaping and enabling public feminist acts and protests more broadly

This is likewise one of the factors by obtaining the soft documents of this **Erotic Ambiguities The Female Nude In Art** by online.
