Döpp, Joe A. Thomas, Victoria Charles, 2014-11-24 Different eras and civilisations have treated erotic images with varying acceptance and different concepts of erotica and these tendencies are reflected within the works themselves From ancient statues devoted to fertility to Renaissance engravings designed to encourage procreation within marriage erotic art has always held an important place in society Here for the first time 1 000 authentic images of erotic art have been brought together spanning the centuries and civilisations to demonstrate the evolution of the genre In an era such as ours when eroticism is abundant in advertising and the media this book gives a refreshing insight into the background of erotic imagery highlighting the artistic value of beautiful works of eroticism executed with skill **Paris Eros** Hans-Jurgen

H. Carl, Hans-Jurgen Dopp, 2012 From the thousand year old statues celebrating fertility to the odalisques of the modern painters erotic art has always held a prominent place in society This work has assembled 1 000 images of erotic artworks to illustrate how the representation of these pleasures of the flesh testifies to the evolution of different civilizations and their histories **Romantique** Hans-Jürgen Döpp, 2000 *Erotic Art in the Early 20th Century* Cassidy Hughes, L.
