*Taboo Sex* Franki McAllister, Since true confession stories are all the rage these days I thought perhaps it was time I wrote mine This is the real story about how I was inspired to write award winning erotica by losing my virginity to one of the greatest lovers of all time I hope you enjoy it as much as I did By the time dinner was finished I was so wired that I felt like I might explode Would Max sleepwalk tonight I d never seen a man masturbating never seen a man s naked body at all and the yearning to fill that gap in my education was suddenly overwhelming Then a troubling thought occurred to me and as usual I blurted it out without thinking first I didn t interrupt anything by coming up here this weekend did I He turned those intense eyes in my direction again and I nearly moaned with pure sensual delight I don t understand he hedged but somehow I thought he might Well I mean if you have a girlfriend or something Now that I d started I wasn t quite sure how to finish I didn t mean to chase her away or anything I don t have a girlfriend For one brief second I thought I saw something flash in his eyes but then it was gone again and he seemed to withdraw inside himself I haven t had very much luck in that area of my life I tend to want too much Too much what Time Attention Sex Don t worry if you hear me moving around tonight he added a while later when he ushered me into my temporary bedroom I sleepwalk a lot But I never knock anything over and I never wander too far I hope I won t wake you but if I do just go back to sleep And I ll see you in the morning He bent to kiss my cheek but I managed to turn my head just enough that his mouth landed on mine This time it seemed to fluster him a little and he backed away with a hurried Good night Franki The door closed behind him and I heard his crisp footsteps retreating swiftly down the hall I changed into my customary knee length nightshirt and turned out my light but I didn t get in bed If I did I knew I d start touching myself it was a habit too deeply ingrained to break and then I d fall quickly asleep I didn t want to fall asleep I wanted to stay awake and see if Max wandered around the house naked I didn t have long to wait His bedroom was just down the hallway About an hour after he d closed the door firmly behind him it quietly opened again I was instantly on my feet Silently I opened my own door just in time to see his lanky figure wandering slowly around the far corner Was he naked I wasn t sure because the house was wreathed in shadows But I thought so Breathlessly I crept after him and reached the great room just as the screen door flapped closed He was heading outside Moonlight was slanting through the big clearing turning everything silvery His naked muscular body gleamed like a Greek god s as he shuffled along moving to the right a few steps then changing direction and heading left Then he stopped and turned back toward the cabin His eyes were closed but his body was definitely awake I think I made a choking sound as all the air in the room turned to thick soup Maybe I didn t have anything to use for comparison but even I knew that his body was absolutely gorgeous **FORBIDDEN**

*Enchantments of the Clinic* Carl P. Ellerman, 2010-06-02 Reflecting on his experience in the clinical trenches a pragmatic existential therapist offers a provocative study of power erotic influence and illusion in the clinical relationship Written in a conversational style that makes a challenging subject accessible to specialists in the clinical professions teachers

and students of the psychological disciplines and scholars in the humanities and social sciences Enchantments of the Clinic introduces readers to interesting ways in which language ideas and speech as well as illusions of the clinical station enable therapists to cast an unintentional spell that captivates and charms unsuspecting patients Exposing this suggestive underworld of clinical experience where the high stakes game of persuasive dialogical therapy is often won or lost critical attention is focused on the erotization of the clinic the erotization of the clinician and the erotization of clinical confession Using dramatic examples from clinical practice Carl P Ellerman challenges prevailing dogmas of the therapeutic to demonstrate his thesis that enchantments of the clinic facilitate psychological healing if managed well but if mismanaged these volatile erotic enchantments may undermine the struggle against emotional illness in the clinical trenches This ambitious study of the clinical relationship also addresses the disturbing fact that we are dwelling in a postmodern era in which clinical nihilism is flourishing Ellerman conceives the dialogical therapist as a potentially dangerous ethically vulnerable therapeutic artiste whose strategic encounters in the postmodern clinic may be likened to aesthetic experiences in which an education to reality and a love of truth are obsolete or irrelevant notwithstanding a clinical masquerade that reinforces in spellbound patients a blind trust in the phantastic therapist s honesty truthfulness and intellectual integrity Embracing the Socratic mystique Ellerman offers a vigorous philosophic critique of clinical nihilism
