Erotic Tales 2 Unexpected, 2013-09 Ani Richardson is a single woman who knows exactly what she wants sex. Although she has a man at her beck and call can provide her with commitment and security she knows he cannot give her what she truly needs. Even as she attempts to take control of her lifestyle her search to satisfy her lustful desires continues. Ani's problems seem immense. Despite helpful input from friends and a few siblings Ani is overwhelmed. She is the family financial provider but she realizes that she is also addicted to sex a challenge that is turning out to be much more complex than she ever imagined. With her desires and expectations at the highest level Ani must determine what she really wants and whether one person can fulfill all her needs. As she moves from one passionate encounter to another Ani wonders whether she will ever be able to satiate her voracious appetite in the bedroom. In this conclusion of a two part tale an independent woman must make life changing decisions for better or worse while on a lust filled journey to find happiness. **Erotic Tales** Damian

Santiago, 2011-01 Explicit Erotica Adults Only This is a collection of two Erotica novelettes along with one of my favorite short stories. The first story titled Self Determination is about a woman who is questioning her marriage after many years with her husband. Lately she has been thinking of her high school sweetheart and the one night they shared after they graduated high school. It isn't long before her thoughts turn into dreams and soon she is calling old friends and getting his phone number. Follow each chapter as she gets closer to finding what she has been missing her adult life. The second story titled Honeymoon follows a young couple as they begin their lives together. Follow them as they explore their growing love for each other as well as their own sexual fantasies. While they decide to finally take their long overdue honeymoon together their decision to take an RV trip across the country opens the doors to a whole new world for them. The last story is Enduring Strength. This short story is about a young single mother trying to do her best to raise a family on her own. She does everything she can to put food on the table and get the rent paid on time each month. When her landlord raises her rent she knows she will not make it without some help. That is when she meets the one man who will take her on a ride she was not expecting. As she is becoming his latest masterpiece on the canvas he is becoming her one true love. These erotic tales are exactly the fix you need to spice up your love life. Each one has a story to tell and a bit of mystery in its delivery. I thoroughly enjoyed this collection of short stories and very much look forward to more from Damian Santiago. Lototy Reviewer for Coffee Time Romance. Ancient Greek Novels Susan A. Stephens, John J. Winkler, 2014-07-14 The recent discovery of fragments from such novels as *Iolaos* *Phoinikika* *Sesonchosis* and *Metiochos* and *Parthenope* has dramatically increased the library catalogue of ancient novels calling for a fresh survey of the field In this volume Susan Stephens and John Winkler have reedited all of the identifiable novel fragments including the epitomes of *Iamblichos* *Babyloniaka* and *Antonius Diogenes* *Incredible Things Beyond Thule* Intended for scholars as well as nonspecialists this work provides new editions of the texts full translations whenever possible and introductions that situate each text within the field of ancient fiction and that present relevant background material literary parallels and possible lines of interpretation Collective reading of the fragments exposes the inadequacy of many currently held assumptions about the ancient novel among these for example the paradigm for a linear increasingly complex narrative development the notion of the ideal romantic novel as the generic norm and the

nature of the novel's readership and cultural milieu. Once perceived as a late and insignificant development, the novel emerges as a central and revealing cultural phenomenon of the Greco-Roman world after Alexander. Originally published in 1995, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Kanbunmyaku Mareshi Saito, 2021-01-11. In *Kanbunmyaku: The Literary Sinitic Context and the Birth of Modern Japanese Language and Literature*, Saito Mareshi demonstrates the centrality of Literary Sinitic poetry and prose in the creation of modern literary Japanese. Saito's new understanding of the role of *kanbunmyaku* in the formation of Japanese literary modernity challenges dominant narratives tied to translations from modern Western literatures and problematizes the antagonism between Literary Sinitic and Japanese in the modern academy. Saito shows how *kundoku* vernacular reading and its rhythms were central to the rise of new inscriptional styles, charts the changing relationship of modern poets and novelists to *kanbunmyaku*, and concludes that the chronotope of modern Japan was based in a language world supported by the Literary Sinitic Context.

The Journal of American Folklore, 1906. *Routledge Handbook of Ancient, Classical and Late Classical Persian Literature* Kamran Talattof, 2023-06-06. The *Routledge Handbook of Ancient, Classical and Late Classical Persian Literature* contains scholarly essays and sample texts related to Persian literature from 650 BCE through the 16th century CE. It includes analyses of some

seminal ancient texts and the works of numerous authors of the classical period. The chapters apply a disciplinary or interdisciplinary approach to the many movements, genres, and works of the long and evolving body of Persian literature produced in the Persianate World. These collections of scholarly essays and samples of Persian literary texts provide facts, general information, instructions, ways to understand, analyze, and appreciate this body of works and the field's state of the art research, the problematics of the topics regarding one of the most important and oldest literary traditions in the world. Thus, the Handbook's chapters and related texts provide scholars, students, and admirers of Persian poetry and prose with practical and direct access to the intricacies of the Persian literary world through a chronological account of key moments in the formation of this enduring literary tradition. The related Handbook also edited by Kamran Talattof, *Routledge Handbook of Post-Classical and Contemporary Persian Literature*, covers Persian literary works from the 17th century to the present.

The Acts of Peter, Gospel Literature, and the Ancient Novel Christine M. Thomas, 2003-03-27. The Acts of Peter, one of the Apocryphal Acts of the Apostles that detail the exploits of the key figures of early Christianity, provides a unique window into the formation of early Christian narrative. Like the Gospels, the Acts of Peter developed from disparate oral and written narrative from the first century. The apocryphal text, however, continued to develop into a number of recastings, translations, abridgements, and expansions. The Acts of Peter present Christian narrative in an alternate universe in which canonization did not halt the process of creative re-composition. Now, in this groundbreaking book, Thomas examines the sources and subsequent versions of the Acts from the earliest traditions through the sixth century. *Passions of the Apostles* arguing the importance of its narrative fluidity, the existence of the work in several versions or multiforms. This feature, shared with the Jewish novels of Esther and Daniel, the Greek romance about Alexander the Great, and the Christian Gospels, allows these narratives to adapt to accommodate the changing historical circumstances of their audiences. In each new version, the audiences' defining conflicts were reflected in the text, echoing a historical consciousness more often identified with primary oral societies in which the account of the past is a malleable script explaining the present. Although the genre most closely comparable to these works is the ancient novel, their serious historical intent separates them from the later, more self-consciously fictive novels and maintains them within the realm of the earlier historical novels produced by ethnic subcultures within the Roman empire.

Dirty Encounters Tia Grant, 2020-12-28. *The Visitor Comes Again* K.D. West, 2022-06-26. A story about love, desire, and getting what you wish for. Lea is flying East again to a snow-bound Atlanta, and she's worried she's moving in with two attractive firemen who plan to share their apartment, her bed, and her. Is there such a thing as too perfect? Is it time for Lea to be careful what she wishes for? It doesn't help that Sean and Andy are working, and she's going to have to make her way back to her new home on her own. A ménage à Lea. But a surprise shows Lea that too perfect is just about right. Threesome, romance, ménage à trois, bisexuality, group sex. Adult readers only. Extract. Lea started to squeal to leap at them both to see if she could rap her arms and legs around both of them at once to hell with people.

watching but Andy's hand held her fast. I thought you were working. We are answered Sean. His posture said On duty but his eyes promised pleasure, a promise that Lea's body immediately began urging her to collect on. Obviously we managed to volunteer for an extra shift out here at the airport. Andy added quietly and then said more loudly We just need you to identify something for us, miss. If you'd just follow us. Identify. Yes, miss. Andy winked and gestured down the terminal, not in the direction of baggage claim but toward one of the thousands of nondescript doors that you never notice as you wander through an airport. Andy led and Lea followed. She could hear Sean taking up the rear, an image that set all sorts of nasty thoughts going in Lea's nasty mind. Andy used a key to open the door and waved the other two through into a small stairwell. As soon as the door clicked shut, Lea turned and leapt, grabbing both men's collars, wrapped her legs around both of them as best she could, since even without these heavy coats on they were not exactly small guys, and proceeded to kiss them both soundly. Two big hands reached under her butt, each holding up one cheek, each pulling her tight. After a few minutes, not long enough, never long enough, Andy backed away from her neck and Sean backed away from her ear. Guess you did miss us, chuckled Sean.
