Notes from a Small Planet Brian V. Peck,2008-08-27 About an hour out of Phnom Penh we are transferred onto a mini bus which takes some time to arrive but eventually comes Then driven at breakneck speed on a very dusty road that gets dust all over everything coming into the city is a bit of a shock as there is no doubt about it that the outer areas do resemble the Third world but the inner city is clean and modern We are taken to the King s Hotel where we could choose too stay or go

as I was tired I decided to stay but without hot water in my cheap room well what can you expect for 5 dollars I shared dinner with Isabel and Jeroen who I took a real shine too And in the morning I have breakfast with Sarah from Sweden who I had first met in Chau Doc and came on our boat when partly through the trip Sarah was one of these very assured intelligent young women who had done a lot of travelling as breakfast progressed I kept thinking that her body language was saying categorically too me was old enough to be her father or probably any man who may have tried it on with her that if you mess with me boy I will chew both of your testicles off with one bite Apparently she was some sort of chemist who new a lot about food and what it does to us when we eat it I said very little while eating my breakfast and kept my legs very tightly together

Valentino David Bret,2007-05-11 Rudolph Valentino remains perhaps the most beautiful man ever to have appeared on celluloid In a career spanning barely seven years and fourteen major films his name became and is still synonymous with unbridled Latin passion Whenever his image flickered onto the screen fans of both sexes swooned whilst cynics and detractors snorted disapproval When he died suddenly aged just thirty one thousands rioted at his funeral and several of his more ardent admirers committed suicide In this unique biography of The World s Greatest Lover David Bret uses much unpublished material to reveal the real Valentino a man who was sexually attracted only to other men and whose relationships with women brought only heartbreak and disaster However as Bret discovers Valentino was far less ashamed of his sexuality than he was afraid of being trapped by the image of his public persona In 1920s America homosexual men were stereotyped as feeble effeminate degenerates None of these terms applied to Valentino a big powerfully built man who excelled at most sports boxing in particular Yet it was Valentino s persistent need to prove his manhood which contributed to his early death Rudolph Valentino is one of cinema s most enduring and best loved legends This is his remarkable story
