Ecology And Social Work Toward A New Paradigm:

Ecology and Social Work John Coates, 2003 The type of thinking and action that supports environmental exploitation also supports the exploitation of people This book goes beyond the received wisdom of our dominant social paradigms draws together from many sources a critique of modernity's growth oriented and mechanistic world view and presents an expression of the new paradigm and its implications Preface

Ecology and Social Work John Coates, 2003 The type of thinking and action that supports environmental exploitation also supports the exploitation of people This book goes beyond the received wisdom of our dominant social paradigms draws together from many sources a critique of modernity's growth oriented and mechanistic world view and presents an expression of the new paradigm and its implications Preface *Global Environment* K. R. Gupta, Maria Anna Jankowska, Prasenjit Maiti, 2007 Some Major Developments Witnessed During The 20Th Century Have Greatly Impacted Human Beings As Well As The Planet Earth The Only Known Planet To Support Life Incalculable Harm Is Being Caused To Natural Habitats Eco Systems And Environment By Unprecedented Growth In Population Resulting In Great Rise In Consumption Rapid Increase In Urbanization And Industrialisation Dramatic Changes In Global Economic Environment And Reckless Use Of Mineral And Forest Resources Etc As A Result Of Man S Unsustainable Practices There Is An Ongoing Depletion Of Our Planet S Biological Treasures And A Real Threat Of Acceleration In Greenhouse Effect And Global Warming Serious Consequences Are Apprehended Because Of Receding Of Glaciers Rapid Melting Of Snow Will Lead To Quick Run Off Of Water And Submersion Of Coastal Areas And Several Small Islands Weakening Of The Great Reservoirs Of Water And The Sources Of Rivers Will Adversely Affect The Volume And Flow Of Water Adverse Climate Changes Anticipated Include Intensification Of Tropical Cyclones Irregular Rainfall Patterns Frequent Droughts And Floods Global Environment Problems And Policies Is An Anthology Containing Articles By Erudite Scholars And Environmentalists Who Have Analysed The Above Issues And Made Valuable Suggestions On Pertinent Aspects Like Planning And Designing Of Hydrological Structures River Basin Management Flood Control Drought Management Urban Planning Industrial Development And Disposal Of Toxic Chemical Wastes The Book Will Be Highly Useful For Students And Researchers Working In The Field Of Environment Policymakers Executives And Industrialists Will Also Find It Useful The Book Will Create Awareness Among The Readers About The Need To Adopt Sustainable Practices Protect Natural Habitats Preserve Biodiversity And Re Establish Environmental Ethics And Values

Ecological Social Work Jennifer McKinnon, Margaret Alston, 2017-09-16 The world is on the brink of ecological crisis In the last decade we have seen a number of catastrophic events that illustrate this including the 2004 tsunami across the Pacific which killed over 150 000 people and Hurricane Katrina in the United States which left thousands dead and millions displaced As the frequency and scale of environmental disasters has increased social workers have found themselves on the front line of crisis interventions working to ensure that the basic needs of communities are met This evocative highly thought provoking book encourages

social workers to incorporate an awareness of the physical environment into their work with individuals groups and communities Written by an international group of experts and led by two of the top names in the field it offers an examination of key theoretical concepts combined with specific guidance on developing an ecological social work practice in a variety of situations from daily life in urban communities to post disaster sites from areas across the globe A fresh new perspective on a topic that gains greater significance day by day Ecological Social Work calls for practitioners to use their skills in speaking on behalf of the vulnerable to lend their voice to the physical environment to bring forward the stories of those marginalised by environmental disaster in order to lead creative solutions to this most fundamental of crises **Greening Social Work**

Education Susan Hillock,2024-03-01 Despite urgent calls for global action sustainable social work practice and a solid green theoretical knowledge base North American social work and helping professions have been slow to learn from community activists acknowledge the international climate emergency and act collectively to achieve climate justice Greening Social Work Education examines how social work educators can best incorporate sustainability content into social work curricula integrate green teaching methods and mobilize students and colleagues towards climate action justice and leadership Drawing on Canadian content this collection highlights Indigenous eco feminist collective action and multi interdisciplinary approaches to social work The book provides a rationale for why the topic of greening is important for social work and the helping professions discussion of current debates tensions and issues useful ideas related to innovative interdisciplinary theoretical approaches analyses and constructs and practical recommendations for teaching green social work education In doing so Greening Social Work Education strives to help social workers and educators gain the confidence and tools they need to transform their teaching and curricula **Ecological Framework: Oxford Bibliographies Online Research**

Guide Susan P. Kemp,2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com *Environmental Social*

Work Mel Gray, John Coates, Tiani Hetherington, 2013 Divided into three parts this field defining work explores what environmental social work is and how it can be put into practice It focuses on theory discussing ecological and social justice as well as sustainability spirituality and human rights Interdisciplinary Perspectives on Planetary Well-Being Merja Elo, Jonne Hytönen, Sanna Karkulehto, Teea Kortetmäki, Janne S. Kotiaho, Mikael Puurtinen, Miikka Salo, 2023-06-26 This book proposes a paradigm shift in how human and nonhuman well being are perceived and approached In response to years of accelerated decline in the health of ecosystems and their inhabitants this edited collection presents planetary well being as a new cross disciplinary concept to foster global transformation towards a more equal and inclusive framing of well being Throughout this edited volume researchers across the humanities social sciences and natural sciences apply and reflect on the concept of planetary well being showcasing its value as an interdisciplinary cross sectoral changemaker The book explores the significance of planetary well being as a theoretical and empirical concept in sustainability science and applies it to discipline specific cases including business education psychology culture and development Interdisciplinary perspectives on topical global questions and processes underpin each chapter from soil processes and ecosystem health to global inequalities and cultural transformation in the framework of planetary well being The book will appeal to academics researchers and students in a broad range of disciplines including sustainability science sustainable development natural resources and environmental humanities Calling readers to assess challenge and rethink the dominant perceptions of well being and societal activities this rich resource that explores the interconnection between human and nonhuman well being serves as a tool to foster transformative action towards a more sustainable society The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Spiritual Diversity in Social Work Practice* Edward R. Canda, Leola Dyrud Furman, 2010 Weaving together interdisciplinary theory and research as well as the results from a national survey of practitioners the authors describe a spiritually oriented model for practice that places clients challenges and goals within the context of their deepest meanings and highest aspirations Using richly detailed case examples and thought provoking activities this highly accessible text illustrates the professional values and ethical principles that guide spiritually sensitive practice It presents definitions and conceptual models of spirituality and religion draws connections between spiritual diversity and cultural gender and sexual orientation diversity and offers insights from Buddhism Christianity Confucianism Hinduism Indigenous religions Islam Judaism Existentialism and Transpersonal theory Eminently practical it guides professionals in understanding and assessing spiritual development and related mental health issues and outlines techniques that support transformation and resilience such as meditation mindfulness ritual forgiveness and engagement of individual and community based spiritual support systems **Human Behavior and the Social Environment, Macro Level** Katherine Van Wormer, Fred Besthorn, 2017-03-13 Unique to Human Behavior and the Social Environment Macro Level is the

focus on the natural as well as physical environment in the study of human behavior and use of a trauma informed model in the study of social service organizations This is the only social work text to include a chapter on findings from social psychology relevant to human behavior **Ecosocial Work and Sustainability Transitions** Koen Hermans,Ingo Stamm,Aila-Leena Matthies,Susanne Elsen,2025-10-21 Sustainable development and ecosocial work have become one of the most dynamic global debates of the social work profession How can social work contribute to the sustainability transitions of European societies Bringing together a diverse group of researchers from around the world this book offers an analysis of the main theoretical insights on ecosocial work the contribution of social work research to transdisciplinary research on sustainability and how social workers can already bring the ecological dimension into their daily practice Incorporating new research evidence from the ASTRA project the wide range of contributors dive deep into the theoretical and methodological underpinnings of ecosocial work providing valuable insights for researchers students activists and practitioners

Spirituality and Social Work John Russell Graham,John Coates,Barbara Swartzentruber,Brian Ouellette,2007 Spirituality is an area of thought and practice that is attracting an increasing amount of attention and interest from social work practitioners theorists and instructors Spirituality and Social Work Selected Canadian Readings explores the history practice and diversity of faith traditions with which spirituality and social work are intertwined Exciting and relevant chapters in this collection include Spirituality As a Guiding Construct in the Development of Canadian Social Work Reframing Spirituality Reconceptualizing Change Possibilities for Critical Social Work From Ecology to Spirituality and Social Justice Making Circles Renewing First Nations Ways of Helping Black Churches in Canada Vehicles for Fostering Community Development in African Canadian Communities Islamic Theology and Prayer Relevance for Social Work Practice *Indigenous Social Work around the World* John Coates,2016-05-23 How can mainstream Western social work learn from and in turn help advance indigenous practice This volume brings together prominent international scholars involved in both Western and indigenous social work across the globe including James Midgley Linda Briskman Alean Al Krenawi and John R Graham to discuss some of the most significant global trends and issues relating to indigenous and cross cultural social work The contributors identify ways in which indigenization is shaping professional social work practice and education and examine how social work can better address diversity in international exchanges and cross cultural issues within and between countries Key theoretical methodological and service issues and challenges in the indigenization of social work are reviewed including the way in which adaptation can lead to more effective practices within indigenous communities and emerging economies and how adaptation can provide greater insight into cross cultural understanding and practice **Practice Placement in Social Work** Avril Bellinger,Deirdre Ford,2016-01-13 Involved in educating social work professionals Overwhelmed and demoralised by the current climate of cuts to services and over regulation This unique book written by practice educators students and academics offers hope This collection of innovative approaches to social work placements

addresses subjects including sustainability student led services overseas placements the value of the third sector supporting students from minority groups and the visual arts The international and diverse contributions offer practical guidance and challenge conventional approaches to placement finding teaching and assessment in field education Written from a global social work perspective this is essential reading for anyone responsible for ensuring quality placements for future professionals

Spirituality and Social Justice: Spirit in the Political Quest for a Just World Cyndy Baskin, Norma Jean Profitt ,2019-11-20 Spirituality and Social Justice explores how critically informed spirituality can serve as an inspiration and a political force in the quest for social and ecological justice Writing from various spiritual and religious worldviews including Indigenous Islamic Wicca Witchcraft Jewish Buddhist and Christian the authors practitioners and academics of social work draw on lived experience research and literature to illuminate how relationship with spirit can orient ways of being and acting to build a more just society In Part One the authors foreground Indigenous spirituality as resistance and decolonization Part Two examines the complex ethical and political dimensions of spirituality including the ecological destruction of the Earth and the influence of contemporary neoliberalism Lastly Part Three explores spirituality in teaching and learning contexts both inside and beyond the classroom Engaging and well written Spirituality and Social Justice challenges the notion that practitioners must put aside their critical spirituality in teaching learning healing and practice Students practitioners and academics of social work and other helping professions will benefit from the unique insights into spirituality and religion and how they inform social justice activism

Animals in Social Work T. Ryan,2014-10-09 This collection of essays articulates theoretical and philosophical arguments and advances practical applications as to why animals ought to matter to social work in and of themselves It serves as a persuasive corrective to the current invisibility of animals in contemporary social work practice and thought

Spirituality in Social Work and Education Janet Groen, Diana Coholic, John R. Graham,2013-01-24 Over the past ten years the fields of social work and education have grappled separately with definitions of spirituality ways to integrate spirituality into the classroom and the rendering of spirituality as a meaningful concept for practitioners students and researchers Social work and education have many commonalities in areas of engagement with children families and communities For the first time this book brings together these two professional disciplines for interdisciplinary discussions that advance our knowledge in the broad area of spirituality The book s three sections reflect broad topic areas created to facilitate dialogue between the contributors all of whom have established expertise in exploring spirituality in education or social work The first section of the book explores the historical and theoretical underpinnings of spirituality in education and social work Examination of our respective heritages uncovers the religious roots within our professions and reveals a present understanding of spirituality that calls for active engagement in challenging oppression and working toward social justice The second section shifts the focus to the pedagogical implications of incorporating spirituality into higher education classrooms The varied level of acceptance and

the tensions that come from including spirituality implicitly or explicitly in the programs and coursework in our respective faculties are illuminated by authors in both professions The final section explores issues related to practising and teaching in the field from a spiritually sensitive perspective

Human Behavior and the Social Environment, Macro Level Katherine S. Van Wormer, Fred H. Besthorn, Thomas Keefe, 2007 Each person is a unique individual yet we all are also defined by groups those we belong to and those we are excluded from voluntarily or involuntarily In the second half of the Human Behavior and the Social Environment sequence Katherine van Wormer Fred Besthorn and Thomas Keefe take a stimulating new approach to exploring this macro view of humanity and demonstrating how each component of society from the single person to the sprawling organization is part of a dynamic whole Their collaboration has produced a remarkable volume that will help students recognize and consider interactions between and among individuals and social systems and thereby develop into truly effective social workers Outlines theoretical concepts and practice implications in each chapter Highlights the importance of the natural environment and ecology the community of the earth to human and group behavior Sets forth a refined understanding of the role of spirituality the community of faith in people's lives Focuses on evidence based theory and research Teaches from a global cross cultural perspective highlighting themes of empowerment and social justice Features dynamic readings and personal narratives that highlight each chapter's topic Accompanied by an online instructor's manual with Power Points for lecture presentations chapter summaries key terms suggested classroom activities and a test bank with essay and multiple choice questions Also available is a companion volume Human Behavior and the Social Environment Micro Level which offers an eye opening view of how biological psychological and cultural forces influence individuals behavior

The Ecosocial Transition of Societies Aila-Leena Matthies, Kati Närhi, 2016-10-04 This groundbreaking book both explains and expands the growing debate on ecological environmental social work at the global level In order to achieve this the book strengthens the environmental paradigm in social work and social policy by undertaking further research on theoretical and conceptual clarification as well as distinct reflections on its practical directions Divided into five parts concepts the impact of environmental crises sustainable communities and lifestyles food politics and the profession in transition this work's main objective is to place ecological social work as a part of the more comprehensive and interdisciplinary eco social transition of societies towards sustainability balancing economic and social development with the limited resources of the natural environment By focussing on these five core concepts it shows how social work and social policy contribute to this transition through having a research based approach and orientation on solutions rather than problem analysis The book will be of interest to scholars from a broad range of disciplines including those in social work and social policy sustainability economics agriculture and environmental studies

Promoting Health and Well-being in Social Work Education Beth R. Crisp, Liz Beddoe, 2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users

as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of Social Work Education

Embracing the Tune of Phrase: An Psychological Symphony within **Ecology And Social Work Toward A New Paradigm**

In a global taken by displays and the ceaseless chatter of instant communication, the melodic beauty and emotional symphony developed by the written word usually disappear into the backdrop, eclipsed by the persistent noise and disruptions that permeate our lives. Nevertheless, located within the pages of **Ecology And Social Work Toward A New Paradigm** an enchanting literary value full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that interesting masterpiece conducts viewers on a mental trip, skillfully unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths with this moving evaluation, we shall examine the book is main harmonies, analyze their enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
