Economic Development And Nigerian Foreign Policy:

Economic Development and Nigerian Foreign Policy Kelechi Amihe Kalu, 2000 **Economic Development and Foreign Policy in Nigeria** Gabriel Olakunle Olusanya, Bassey E. Ate, Adebayo O. Olukoshi, 1988 *Nigerian Foreign Policy 60 Years After Independence* Usman A. Tar, Sharkdam Wapmuk, 2023-01-30 This book covers critical issues in Nigeria's external relations since 1960. As an independent nation, Nigeria has stood out as the most populous black country in the world and contributed immensely to the search for solutions to pressing international issues, notably in Africa affairs. Nigeria has also participated actively in global affairs and used the platform of international organisation to advance her national interests, cognisant also of its regional and global obligations and responsibilities. Contributors to this thought-provoking book make a strong case for Nigeria to press for a foreign policy that puts Nigerian people at the centre. One of the strong points also emanating from the contributors of this book is the imperative for Nigeria to address domestic challenges that continue to impinge on the country's external image.

Corruption and Nigerian Foreign Policy (1999 - 2007) Jude Uddoh, 2016-01-15 Nigeria's foreign policy has always been predicated on the national interest, which is reducible to the security and welfare of its citizens. Nigeria's position in Africa, its teeming population and rich endowment of mineral resources, including oil, all contributed to the notion of Nigeria's manifest leadership in Africa and beyond. Through what became known as an Afrocentrist foreign policy, Nigeria championed the cause of liberating Africa from apartheid and colonial rule. Nigeria sent troops to peace missions in various conflict zones in Africa and other parts of the world and contributed financially and materially to the well-being of fellow African as well as Caribbean states. Nigeria thus earned for itself the image of a responsible and well-respected member of the international community.

Foreign Policy Decision-making in Nigeria Ufot Inamete, 2001-05 This reality was a direct result of the nature of sociopolitical cleavages and forces and the functioning of the federal system of government during that period. The succeeding Ironsi Government was too brief and preoccupied with domestic crises to make significant impacts in the foreign policy arena.

BOOK JACKET Nigerian Foreign Policy under Military Rule, 1966-1999 Olayiwola Abegunrin, 2003-02-28 Abegunrin provides a significant and comprehensive examination of Nigerian foreign policy 1966-1999 during the almost 33 years of military rule, punctuated by the four-year civilian interregnum 1979-1983. He analyzes what led to the military rule in 1966 and the foreign policy performance of each military regime that ruled the country since 1966. He also discusses extensively the economic dimension of the nation's foreign policy. He shows that the last 15 years, the period of Generals Babangida and Abacha, were the most corrupt and brutal that Nigeria had seen since independence. The mysterious sudden death of General Sani Abacha led to the appointment of General Abubakar who handed power over to an elected civilian government in May 1999, led by President Olusegun Obasanjo. Of particular interest to scholars, students and other researchers involved with African politics and foreign policy and the role of the military in political affairs.

proposals for a human right policy referred to alternately in the work as principled foreign policy for Nigeria under the Fourth Republic taking advantage of the inestimable opportunity afforded by General Muhammadu Buhari s departure from the political scene on May 29 2023 after the famine domestically and externally wrought by his two terms of office as President It is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas Nigeria confronts in the first quarter of the twenty first century Buhari s departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in January 1966 These momentous events within Nigeria coincide with equally epoch making developments in the UK Nigeria s former colonial overlord with ripple effects in Nigeria signified by the death of Queen Elizabeth II after seven decades on the throne and the emergence of Prince Charles as King of England A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria s external relations with ramifications for the application of human rights in those relations Despite its known disabilities Nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country s resources more wisely
