Understanding the European Union's External Relations Michèle Knodt,Sebastiaan Princen,2003-09-02 The European Union is one of the world s biggest economies However its role as an international actor is ambiguous and it s not always able to transform its political power into effective external policies The development of an assertive European Union challenges the image of an internal project aimed at economic integration and international relations theories based on unitary state actors This book systematically links the EU s external relations to existing political theories showing how existing theories need to be modified in order to deal with specific characteristics of the EU as an international actor **The Making of EU Foreign Policy** K. Smith,2004-01-13 The Making of EU Foreign Policy argues that there has been a common European Union EU foreign policy towards six countries of Eastern Europe Bulgaria Czech Republic Hungary Poland Romania Slovakia and analyzes why the EU has agreed to the policy The objective of the EU s policy is to support the transformation of Eastern Europe and thus ensure security and stability The most important instrument that the EU has used to reach this objective has been the prospect of enlargement The European Union and Central and Eastern Europe Susan Senior Nello,Karen Elizabeth Smith,1998 This text sets out to analyse the implications of the process of enlargement in the EU state and examines which criteria is likely to be used in deciding whether countries are ready to join It also looks at the potential consequences of growth **The Nordic Regions and the European Union** Søren Dosenrode,2018-01-18 The

Nordic Regions and the European Union is an authoritative book on the influences of European integration on the regional level in the Nordic countries This book provides both factual insight into the Nordic regions and the Europeanization of the four Nordic countries offering theoretical contributions to the theory of regionalism in a European context built on systematic comparison **Transition in Eastern Europe** Herbert Wilkens,Wolfgang Maennig,2016 This publication contains a selection of papers presented at a conference discussing fundamental issues in the economics of transition aspects of liberalization privatization stabilization and the experience of selected countries The sessions lead to a number of hypotheses

There is a need to analyze historical and economic aspects of phases of relative success of the socialist system of central planning Next to the important role of distribution of personal incomes and wealth for the success of the transformation process the question of optimal change of personal income and wealth distribution during the process of transformation has to be raised In assessing the costs and benefits of reform policies any methodological approach should take into account an intertemporal perspective How much does the EU continue protectionism against countries which will not become its

Spatial Dynamics of European

Integration Manfred M. Fischer, Peter Nijkamp, 2012-12-06 Although it is agreed that the dual development of monetary integration and territorial enlargement are likely to generate profound effects on European spatial structure in both West and East much uncertainty centres around the question of what changes will be brought about This book furthers our economic understanding of the opportunities and challenges offered by these developments The emphasis is primarily on the economic agenda associated with European integration Part A reviews the debate on European monetary unification Economic integration raises many issues one which is dealt in depth is the issue of convergence versus divergence Part B centres around the dynamics of cohesion in the EU and the associated regional policies reflecting on experience from the past and challenges for the future Part C sheds some light on the complexities of transition and integration of Central and Eastern European countries the second major challenge being faced by the EU at the turn of the century

Turkey and Central and Eastern European Countries in Transition V. Balasubramanyam, S. Togan, 2016-05-23 This book offers a comparative study of the Central and Eastern European and Turkish economies that analyses the implications of EU enlargement The contributors discuss issues related to the creation of a legal infrastructure that encourages entrepreneurial initiative fair competition market forces and investor confidence They assess the benefits of following prudent monetary and fiscal policies together with appropriate competition trade and foreign direct investment policies in Turkey and Central and Eastern Europe

Opening Up of Eastern Europe and EU's Eastern European Enlargement Fritz Breuss, Fritz

Schebeck, 1995 *The Reuniting of Europe* José I. Torreblanca, 2017-09-20 This title was first published in 2001 In 1989 central and Eastern European countries broke free from the Soviet Union and looked upon the European Community to support their return to Europe Some years later leaders of the European Community meeting in Copenhagen in June 1993 endorsed for the first time the membership aspirations of the recently democratized countries of Central and Eastern Europe

This insightful text examines the negotiations debates tensions and contradictions behind the process of approximation between the two halves of Europe both within the EC itself as well as between the EC and the countries of Central and Eastern Europe The extensive consultation of unpublished internal documents and a theoretically relevant and well written analysis ensures that this book is an indispensable resource for students and researchers of EC EU relations with Central and Eastern Europe

Winners and Losers of EU Integration Helena Tang,2000-01-01 The contributors include researchers from the ten CEECs as well as from current EU member countries

BOOK JACKET European Union Trade with Eastern Europe Riccardo Faini,Richard Portes,1995 This volume explores the changes in Central and Eastern Europe on trade and investment flows in Europe from three approaches cross sectional studies of the likely long run comparative advantage of the CEECs the impact of opening up to the East on individual countries France Spain and Greece and the specific sensitive sectors of steel and textiles

A Quarter Century of Post-Communism Assessed M. Steven Fish,Graeme Gill,Milenko Petrovic,2017-02-09 This edited volume seeks to understand and explain the pattern of varying national and regional success in post communist political and economic transition across the post communist world Despite widespread hopes for the development of vigorous democratic political systems and vibrant market economies the outcomes of a quarter century of post communist transition in the countries of the former communist bloc in Eurasia have been widely variant Some have matched these hopes including becoming full members of the EU others have fallen far short with political and economic systems little changed from the communist era This collection with an internationally respected list of contributors addresses some of the pressing issues in political science and transition studies ranging from theoretical overviews to the more specific nitty gritty of contemporary politics

The Political Economy of Competitiveness in an Enlarged Europe J. Pellegrin,2016-10-18 Central and Eastern European countries are entering the development race at a crucial juncture in EU enlargement and the wider phenomenon of globalization In the face of hesitant and controversial EU policy these countries need to engage sound development strategies International production networks are expected to be decisive in helping them strengthen their competitiveness and establish knowledge based economies In this book Julie Pellegrin looks at whether and how production networks develop in Central and Eastern European countries and assesses their chances of catching up with the rest of Europe

The EU's Transformative Power H. Grabbe,2005-11-10 Between 1989 and 2004 the EU s conditionality for membership transformed Central and East Europe The EU had enormous potential power over the whole range of domestic politics in the candidate countries However the EU was able to use that power at a few key points in the process leading to their accession The EU s long term influence worked primarily through soft power and through voluntary rather than coercive means During the membership preparations the EU built many different routes of influence into the candidate countries domestic policy making through Europeanization The Central and East Europeans voluntarily took on the Union s norms and methods guided by the European Commission in a massive transfer of policies and institutions However

the EU missed important opportunities to effect change as well The EU's Transformative Power explores in detail how the EU used its influence to control the movement of people across Europe through both coercive use of conditionality and voluntary methods of Europeanization The Road to the European Union Jacques Rupnik, Jan Zielonka, 2003-11-08 Publisher

Description **European Union Enlargement** Thomas Mehlhausen, 2015-08-11 The continuous expansion of the European Union has transformed its very own self conception While Eastern enlargement was widely celebrated as the reuniting of Europe the sheer number of applicants their low economic development and the need for new states to transform in accordance with EU values required considerable adjustments to the EU's self image By examining the European Council's contentious approval of the Mediterranean and Central and Eastern European countries in the 1970s and 1990s this book investigates why the European Union enlarges Based on new and hitherto not analysed data it introduces the concept of anomie to the discourse and in doing so makes a timely contribution to the literature of constitutional politics and enlargement of the European Union This text will be of key interest to scholars and students of the European Union area studies European studies central and east European studies Mediterranean studies and more broadly comparative politics and constitutional politics **Integration Through Foreign Direct Investment** Gábor Hunya, 2000-01-26 This book represents a very valuable contribution to the literature on the role of FDI in development in Central and Eastern Europe It is therefore a must for both scholars and practitioners who are involved in foreign investment in economies in transition Marjan Svetlicic Transnational Corporations The book goes a long way toward understanding a host of key issues related to the emerging pattern of MNC cum host collaborative growth in Central and Eastern Europe from the foreword by Terutomo Ozawa Colorado State University US This book explores whether foreign direct investment FDI can contribute to the competitiveness of industries in Central Europe and to narrowing the gap between these transition economies and countries within the European Union
