**Frameworks for Tourism Research** Douglas G. Pearce, 2012 This book systematically sets out the main types of frameworks that have been used in tourism research examining their distinguishing features and how they are used and illustrating these with specific examples In this way the book seeks to assist researchers to become more conscious of the range of frameworks available and be more aware of the opportunities for using them to foster a critical appreciation of appropriate frameworks both in their own work and the work

of others and to develop and or apply frameworks more effectively and thereby enhance the quality of their research and the way in which it is communicated The book has 10 chapters an author index and a subject index      *Constitutions of Value* Isabel Feichtner, Geoff Gordon, 2023-01-19 Gathering an interdisciplinary range of cutting edge scholars this book addresses legal constitutions of value Global value production and transnational value practices that rely on exploitation and extraction have left us with toxic commons and a damaged planet Against this situation the book examines law s fundamental role in institutions of value production and valuation Utilizing pathbreaking theoretical approaches it problematizes mainstream efforts to redeem institutions of value production by recoupling them with progressive values Aiming beyond radical critique the book opens up the possibility of imagining and enacting new and different value practices This wide ranging and accessible book will appeal to international lawyers socio legal scholars those working at the intersections of law and economy and others in politics economics environmental studies and elsewhere who are concerned with rethinking our current ideas of what has value what does not and whether and how value may be revalued The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license      *The American Journal of Sociology* Albion W. Small, Ellsworth Faris, Ernest Watson Burgess, 1903 Established in 1895 as the first U.S. scholarly journal in its field AJS remains a leading voice for analysis and research in the social sciences presenting work on the theory methods practice and history of sociology AJS also seeks the application of perspectives from other social sciences and publishes papers by psychologists anthropologists statisticians economists educators historians and political scientists      *Reforming the International Financial System for Development* Jomo Kwame Sundaram, 2011-01-17 The 1944 Bretton Woods conference created new institutions for international economic governance Though flawed the system led to a golden age in postwar reconstruction sustained economic growth job creation and postcolonial development Yet financial liberalization since the 1970s has involved deregulation and globalization which have exacerbated instability rather than sustained growth In addition the failure of Bretton Woods to provide a reserve currency enabled the dollar to fill the void which has contributed to periodic massive U.S. trade deficits Our latest global financial crisis in which all these weaknesses played a part underscores how urgently we must reform the international financial system Prepared for the G24 research program a consortium of developing countries focused on financial issues this volume argues that such reforms must be developmental Chapters review historical trends in global liquidity financial flows to emerging markets and the food crisis identifying the systemic flaws that contributed to the recent downturn They challenge the effectiveness of recent policy and suggest criteria for regulatory reform keeping in mind the different circumstances capacities and capabilities of various economies Essays follow ongoing revisions in international banking standards the improved management of international capital flows the critical role of the World Trade Organization in liberalizing and globalizing financial services and the need for international tax cooperation They also propose new global

banking and reserve currency arrangements      Sociology at the Frontiers of Psychology Gwynyth Overland, 2014-06-02

Sociology at the Frontiers of Psychology explores the nameless ground between sociology and psychology an Alsace Lorraine of the social sciences where theories and perspectives are freely borrowed from one to the other Some chapters use psychological theory for studies of sociological phenomena others use sociological perspectives for studies of psychological phenomena Some writers are research fellows at the beginning of their careers others professors at the pinnacle of theirs notably Thomas J Scheff distinguished author of *Goffman Unbound* and *Being Mentally Ill* These Scottish Dutch Moroccan French Norwegian Canadian and North American sociologists have found inspiration in classical sociological theory from Durkheim to Foucault and produced original thinking grounded in empirical work In addition two psychologists and an anthropologist have contributed articles which border on the sociological field from the other side of the frontier      *From Bioeconomics to Degrowth* Nicolas Georgescu-Roegen, 2011-03-28 Nicolae Georgescu Roegen 1906 1994 is considered today as perhaps the chief founder of the transdisciplinary field today known as Ecological Economics but that he defined himself as Bioeconomics In his later years Georgescu Roegen intended to write a book of this title that would systematize what he considered to be the most significant results of his work This project intends to resume this project publishing a collection of the most relevant Georgescu Roegen essays on Bioeconomics including previously unpublished papers      **Annual Register** University of Chicago, 1915
