Economic Interdependence, Autonomy, and Canadian/American Relations Charles F. Doran,1983 *American Book Publishing Record* ,1984-12 Canadiana ,1984 **Common Ground for the Canadian Common Market** Frank Flatters,Richard G. Lipsey,1983 **Bulletin of the Public Affairs Information Service** Public Affairs Information Service,1984 The Making of NAFTA Maxwell A. Cameron,Brian W. Tomlin,2000 How exactly do countries negotiate major international agreements Until now reliably impartial accounts of how deals are made have been rare and usually describe only one side of a multiparty process Here Maxwell Cameron and Brian Tomlin provide the first full three country account of the negotiations surrounding the controversial North American Free Trade Agreement which went into effect on January 1 1994 Through extensive interviews with participants from all sides Cameron and Tomlin develop a detailed picture of the process by which the United States Mexico and Canada pursued closer economic relations and of the political realities that influenced the politicians and policymakers in each country Written in an engaging and accessible style The Making of NAFTA is a faithful account built on insider views of how the representatives of the three countries prepared for negotiated and implemented the agreement Cameron and Tomlin show how NAFTA was influenced by the personalities and the multiple sometimes conflicting objectives of the individuals involved They also explore what the negotiations can reveal more generally about the making of public policy and the importance of international negotiations **Analyse de Politiques** ,1983 **Trade, Employment, and Adjustment** Charles S. Pearson,Gerry Salembier,1983 **Targeting High-growth Industry** Roy Edwin George,1983 From the back cover The question of an industrial strategy for Canada has had a prominent place in Canadian debate for many years Most recently there have been several advocates for adoption in Canada of a strategy of picking winners This means identifying and providing government support to industries with a high growth potential As a corollary it means not providing support to industries deemed to be non winners Professor George has approached the question by undertaking an examination of Canadian experience to date along with an examination of the experiences several other countries have had with a strategy of targetting high growth industries He brings to light information Canadian policy makers should take into account if they contemplate adopting such a strategy for Canada

Gillies,1981 From the back cover The relationship between business and government which has characterized Canadian economic development for more than a century is changing raising issues for business executives and government officials which they have never had to answer before Why has the tension increased between business and government Why has the government become more interventionist Why are

the traditional techniques that business executives have used in dealing with government no longer working How should a corporation now organize its public affairs operations for maximum effectiveness What is the future of the corporation in Canada This study based on the views of leading Canadian business executives trade association officials former federal Cabinet ministers and leading commentators on public policy making in Ottawa answer these and similar questions

Trudeau's Shadow Andrew Cohen, J.L. Granatstein, 2011-12-28 No other politician has ever had the impact on this country and its people that Pierre Elliott Trudeau did This iconoclastic anti politician emerged from nowhere in the mid 1960s and from 1968 1984 governed Canada sometimes well sometimes poorly Even after Trudeau left office he remained a player his infrequent speeches and public appearances sufficient still to alter the course of events Now in commemoration of the 30th anniversary of Trudeau s coming to power Andrew Cohen and J L Granatstein have commissioned 23 new never before published essays from a diverse group of Canadians all of whom in some way or another have been influenced by this enigmatic leader Among the esteemed essayists are Larry Zolf Max Nemni Michael Bliss Richard Gwyn Linda Griffiths Mark Kingwell Robert Mason Lee Jim Coutts Rick Salutin Andrew Coyne Linda McQuaig Bob Rae Donald Macdonald James Raffan and B W Powe As a whole this is a stunning and important collection of work from an amazing scope of people controversial hard hitting fascinating The Cumulative Book Index ,1984 A world list of books in the English language **Canadian Essay and Literature Index** Andrew D. Armitage, Nancy Tudor, 1976-02 **Canadian Book Review Annual** ,1984 *America and the World Economy* ,2001
