G. Hopkins,2014-09-19 This is the standard account of the economic history of the vast area conventionally known as West Africa Ranging from prehistoric time to independence it covers the former French as well as British colonies Regional Economic Integration in West Africa Diery Seck,2013-11-18 This book presents a number of key studies pertaining to the most pressing challenges of economic regional integration in West Africa The issues of monetary coordination foreign exchange volatility taxation savings and macroeconomic convergence are investigated from a regional perspective The

characteristics of West Africa's trade policy are reviewed and assessed in comparison to that of the Southern African Development Community SADC. The extent to which regional integration can tackle the challenge of unemployment is the focus of studies on labour markets. Development of the private sector and coordination of regional cross border transportation are examined through the lens of economic collaboration between Arab and African countries. The book provides fresh new answers to persistent development questions and sheds new light on long held views that are either incomplete or no longer true. It also opens new perspectives on the search for sustainable avenues for Africa's development. In this regard it may contribute to the emergence of a new paradigm on Africa's development process and its science based policy oriented implementation. *Economic History of West Africa* Gabriel Ogundeji Ogunremi, E. K. Faluyi, 1996

An Economic History of West Africa Antony G. Hopkins, 2020 This pioneering and celebrated work was the first and remains the standard account of the economic history of the huge area known as West Africa. It fills a large gap in African studies, provides newcomers with a stimulating point of entry into the subject and contributes to our understanding of wider issues of global underdevelopment. *West African Studies West African Perspectives Resources for Development* OECD, Economic Community of West African States, 2009-11-03 Presents a cross cutting analysis of the main development challenges for the West African region and offers suggestions on how to meet them.
