*Galatians Reconsidered* Neil Martin, 2022-10-20 What would the world look like if the Old Perspective on Paul was right about justification the New Perspective was right about Judaism and the Radical New Perspective was right to note ongoing differences between Jewish and Gentile converts *Galatians Reconsidered* is a compelling practical study of Paul the Apostle's writing that explores just that Emphasising the central role played by regression in Paul's argument on justification Neil Martin examines the dichotomy between faith and works and how the apostle envisaged the differences in how Jews and Gentiles should interact with the Law By re-establishing *Galatians* in its original Jewish and pagan context Martin exposes the problems faced by Galatian churches and shows how they still speak to modern churches today His insight not only helps us better appreciate Paul's message but challenges us to put his wisdom into practice in our own church settings Provocative and stimulating *Galatians Reconsidered* is a robust new look at the question of justification It will leave you with a thorough knowledge of the merits and failings of both the old and new perspectives on Paul as well as a broader understanding of the letter to the Galatians both in the context in which it was written and its continued relevance today

*Paul, the Temple, and Building a Metaphor* David Anthony Basham, 2024-12-12 David Anthony Basham argues that Paul and the Corinthians share a system of associated commonplaces about the Jerusalem temple Basham proposes that when Paul applies temple language to the Corinthians by calling them *naos theou* God's temple he sparks a creative process of interaction between the temple and the Corinthian assembly a process of selecting emphasizing and organizing information from the source domain temple to see the target domain the Corinthians in a new light Basham suggests that in understanding Paul's fraught relationship with certain institutions of Second Temple Judaism and his conception of gentile inclusion we can appreciate the creative ways in which he employs cultic imagery to describe his ministry and the ritual life of early gentile believers By exploring the construction of metaphor the depiction of the Jerusalem temple in Paul's letters and Judaean religion among gentiles Basham demonstrates that Paul's temple metaphor speaks to a new cultic reality for gentiles in Christ that is linked to Israel's worship though detached from

its actual expression in Jerusalem
