Onsager, 2023-09-25 This book is devoted to understanding the confessional foundations of church unity in the earlier theology of Karl Barth This book follows Barth s academic and ecclesiastical career from the years 1921 to 1938 as he moves from a nonconfessional pastor in Switzerland prior to his first teaching post in Gottingen to articulating in his first volume of Church Dogmatics the critical and essential authority of the church s confession in its public witness at the start of his final teaching post in Basel During these years each academic placement and public ecclesiastical assignment

is crucial for understanding the development of Barth's confessional theology in order to make sense of his mature dogmatic understanding of the authority of the church's confession in CD I 2 A Faith Worth Defending Jon D. Eternal Blessedness for All Anette I Hagan,2014-01-30 Eternal Blessedness for All shows how the acclaimed father of modern theology Friedrich Schleiermacher brilliantly approached this problem It took many twists and turns of historical and philosophically minded analyses however for him to get to a theologically appropriate answer This book unpacks those efforts in manageable form based on a close examination of a pivotal 1819 essay On the Doctrine of Election his masterpiece Christian Faith sermons and other related sources Schleiermacher was the first modern theologian of stature to endorse the universal restoration of all humanity This study also displays the historical ecumenical and doctrinal contexts in which his views were fashioned **The Unity of the Church** Eduardus van der Borcht,2009-11-17 In contrast to its original name

Ecclesia Reformata ecclesiology did not develop into a major theme within the Reformed tradition Notwithstanding the undeniable schismatic tendency and the ecclesial embarrassment about disunity the unity of the church did not rise to prominence as a theological topic This volume challenges this traditional low key attitude towards the unity of the church It investigates theological aspects that contributed to a weak *sensus unitatis* and explores approaches that remedy the disease of division It discusses the role played by scripture the sacraments confessions and discipline it searches for the best theological practices within other Christian traditions it links the unity of the church to the unity of God and reformulates the nature of the church

The heart of the Church - the heart of the Country Part 1 Johann Theron,2025-03-31 I am writing this book primarily for the ministers of the Word and the confessing members of the Dutch Reformed Church of South Africa With the confession we made before God and His congregation we subjected ourselves to the authority of the Word of God and the Confessions of the church We vowed to remain steadfast in this doctrine until the end of our lives and to reject all teachings that contradict it Especially in the Reformed tradition the divine election has been regarded as the heart of the church the *cor ecclesiae* The Confessions teach that God s gracious election does not occur based on any quality in mankind

but that mankind is saved solely by God's grace in Jesus Christ. In the history of the Dutch Reformed Church in South Africa this confession has been compromised by accommodating racial prejudices. This has torn the church apart and built a wall of separation. This dividing wall stands in direct opposition to the Word of God which teaches us that Jesus Christ through His blood has broken down the dividing wall (Eph 2:14). In Christ's church there is no Gentile or Jew, circumcised or uncircumcised, barbarian, Scythian, slave or free, but Christ is all and is in all (Col 3:11). The Holy Communion is above all the symbol of this unity of Christ's Body, the church. It is precisely in the Communion that this division began, deeply affecting the heart of the church. The wall of separation that was built became entrenched in the structure of the church and later of the whole country. It is my conviction that rediscovering the heart of the church can bring healing to a fractured church and a divided country because the heart of the nation has been shaped spiritually and structurally by the Dutch Reformed Church. Therefore the healing of the heart of the church will also bring restoration to the heart of the country. This book also contains valuable information for researchers. It includes transcribed excerpts from the handwritten minutes of the Dutch Reformed Church in Somerset West, formerly known as Somerset Hottentots Holland, the Dutch Reformed Church in Stockenström located in the towns of Hertzog and Balfour, the Dutch Reformed Grey Church as well as the Presbytery of Albany and the Cape Synod of 1829, 1857, 1862, 1863, 1881 and 1883 concerning the unity and division of the church. There are also excerpts from various church newspapers and magazines related to this issue. The relevant minutes and reports are linked in the text to the transcribed Dutch which are included as appendices at the end of the book. For quick reference links from the appendices back to the headings in the text have also been provided. Efforts were made to keep the English text, my translation in the book as close as possible to the original Dutch. The book is written in two parts. Part 1 deals mostly with the nineteenth century history of the Dutch Reformed Church while Part 2, which will follow later, will examine the twentieth century and the further developments in the Dutch Reformed Church on this matter. May Jesus Christ, the Word of God, heal the heart of the church and the heart of the country even if the sword of His Holy Spirit must cut between joints and marrow to remove sin.

Grace for All Clark H. Pinnock, John D. Wagner, 2015-03-31. Did Christ atone for the sins of humanity on the cross? Does God desire all people to be saved and direct His grace toward all people for that purpose? There are some Christians following a deterministic paradigm who believe this is not true. They believe God has predestined some people for heaven and many or even most for hell. The rising tide of Calvinism and its TULIP theology needs to be respectfully answered. Grace for All: The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy. These writers address issues such as election, free will, grace and assurance. They make compelling scriptural arguments for the universality of God's grace, contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ. This book strives to uncover the biblical position on salvation. We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion. Grace for All

The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College The Contributors David J A Clines Jack Cottrell Vernon Grounds William G MacDonald I Howard Marshall Roger Olson Grant Osborne Robert Picirilli Clark Pinnock J Matthew Pinson Vic Reasoner Glen Shellrude James D Strauss John D Wagner Steve Witzki **Calvin and the Federal Vision** Jeong Koo Jeon, 2009-06-12 John Calvin 1509 64 was the pinnacle of the sixteenth century Protestant Reformation in Europe As we celebrate the five hundred year anniversary of his birth it is worthy to explore Calvin s covenant theology which may be one of the best windows to understand and evaluate his theology as a whole In recent years the Federal Vision has been surfaced in the American conservative Reformed and evangelical circles It has strong hermeneutical theological and practical attachment with Calvin Although Calvin was a covenant theologian he firmly maintained the evangelical distinction between law and gospel especially in his exposition of justification by faith alone sola fide and salvation by grace alone sola gratia with a balanced emphasis of believers covenantal obedience Moreover we will find out that Calvin not only applied the distinction between law and gospel to soteriology but also in the depiction of redemptive history In Calvin the distinction between law and gospel was foundational for the depiction of biblical vision of eschatology in the Garden of Eden before the Fall and under the Old Covenant However the exponents of the Federal Vision deny any validity of the distinction between law and gospel in hermeneutics theology and practice while they identify themselves with those of Calvin In that sense we may identify the Federal Vision not with the Protestant Reformation and Calvin but as consistent monocovenantalism in which they deny the distinction between law and gospel and apply that monocovenantal principle consistently to their understandings of hermeneutics soteriology the doctrine of double predestination and sacramental theology
