Path to Aries Keith Bassett, 2014-10-14 A journey of a thousand miles begins with a single step At least that's how the famous cliché goes But how would you feel if you can travel to a different time Which time would you choose to be in Would you rather visit the unknown future or go back to the familiar past Path to Aries is a fascinating read that will bring you to an altered existence of humanity to an unknown terrain where everything seems to have been overpowered by technology then back to the ancient period where history's calendar is reset This is indeed a mind boggling and engaging material that will also give you a glance to a utopian like world

[Eloquent JavaScript, 2nd Ed.](#) Marijn Haverbeke, 2014-12-07 JavaScript lies at the heart of almost every modern web application from social apps to the newest browser based games Though simple for beginners to pick up and play with JavaScript is a flexible complex language that you can use to build full scale applications Eloquent JavaScript 2nd Edition dives deep into the JavaScript language to show you how to write beautiful effective code Author Marijn Haverbeke immerses you in example code from the start while exercises and full chapter projects give you hands on experience with writing your own programs As you build projects such as an artificial life simulation a simple programming language and a paint program you'll learn The essential elements of programming including syntax control and data How to organize and clarify your code with object oriented and functional

programming techniques How to script the browser and make basic web applications How to use the DOM effectively to interact with browsers How to harness Node.js to build servers and utilities This edition is thoroughly revised and modernized to reflect the current state of JavaScript and web browsers with brand new material such as a chapter on code performance in JavaScript and expanded coverage of recursion and closures All source code is available online in an interactive sandbox where you can edit the code run it and see its output instantly Isn't it time you became fluent in the language of the Web Includes an exclusive chapter only available in the No Starch Press edition Army, 1959 **Air Corps News Letter**, 1959 Techno-Sapiens in a Networked Era Ryan K. Bolger, Kutter Callaway, 2020-11-09 Techno Sapiens gathers together leading scholars of technology theology and religion in order to explore the ways in which modern technology is neither solely a dehumanizing force in the world nor a mere instrument for evangelizing the world but rather the very means by which incarnation happens the media in and through which humans love the digital other The essays explore the question of how technology encourages and or inhibits the human capacity to love our neighbor through asking the following questions Who is my digital neighbor How does social media in particular allow us to love our digital neighbor How does one become a digital neighbor **Liquid Surveillance** Zygmunt Bauman, David Lyon, 2013-04-03 Today the smallest details of our daily lives are tracked and traced more closely than ever before and those who are monitored often cooperate willingly with the monitors From London and New York to New Delhi Shanghai and Rio de Janeiro video cameras are a familiar and accepted sight in public places Air travel now commonly involves devices such as body scanners and biometric checks that have proliferated in the wake of 9/11 And every day Google and credit card issuers note the details of our habits concerns and preferences quietly prompting customized marketing strategies with our active all too often zealous cooperation In today's liquid modern world the paths of daily life are mobile and flexible Crossing national borders is a commonplace activity and immersion in social media increasingly ubiquitous Today's citizens workers consumers and travellers are always on the move but often lacking certainty and lasting bonds But in this world where spaces may not be fixed and time is boundless our perpetual motion does not go unnoticed Surveillance spreads in hitherto unimaginable ways responding to and reproducing the slippery nature of modern life seeping into areas where it once had only marginal sway In this book the surveillance analysis of David Lyon meets the liquid modern world so insightfully dissected by Zygmunt Bauman Is a dismal future of moment by moment monitoring closing in or are there still spaces of freedom and hope How do we realize our responsibility for the human beings before us often lost in discussions of data and categorization Dealing with questions of power technology and morality this book is a brilliant analysis of what it means to be watched and watching today **Brand Mascots** Stephen Brown, Sharon Ponsonby-McCabe, 2014-06-27 Tony the Tiger The Pillsbury Doughboy The Michelin Man The Playboy bunny The list of brand mascots spokes characters totems and logos goes on and on and on Mascots are one of the most widespread modes of marketing communication and one of the longest established Yet despite their ubiquity and

utility brand mascots seem to be held in comparatively low esteem by the corporate cognoscenti This collection the first of its kind raises brand mascots standing both in an academic sense and from a managerial perspective Featuring case studies and empirical analyses from around the world here Hello Kitty there Aleksandr Orlov beyond that Angry Birds the book presents the latest thinking on beast based brands broadly defined Entirely qualitative in content it represents a readable reliable resource for marketing academics marketing managers marketing students and the consumer research community It should also prove of interest to scholars in adjacent fields such as cultural studies media studies organisation studies anthropology sociology ethology and zoology Growth in Scientific and Engineering Employment Slows Between 1978 and 1980 ,1982
