Father Peter Giroux FPO,2023-01-18 The lay association called Entrega was originally conceived as a network of prayer groups to promote the Marian Franciscan spirituality The name itself is a Spanish word that means a sacrifice or giving of self and is used especially in the context of one s total response to God s Love The word can also refer to more mundane matters like the delivery of pizza The title has an obvious reference to the Portiuncula the little church where St Francis founded his three orders Each topic will hopefully serve as a little portion of nourishment for the soul They have been used for group discussions but can form a 40 day private retreat as St Francis was known for keeping several lents each year May the Holy Immaculate Conception bring us all into a deeper union with her Divine Son God bless you La asociacion laica Entrega fue concebida originalmente como una red de grupos de oracion para promover la espiritualidad mariana franciscana El nombre en si es una palabra espanola que significa sacrificio o abandono de uno mismo y se usa especialmente en el contexto de la respuesta total de uno al Amor de Dios La palabra tambien puede referirse a asuntos mas mundanos como la entrega de pizza El titulo tiene una referencia obvia a la Porciuncula la pequena iglesia donde San Francisco fundo sus tres ordenes Es de esperar que cada tema sirva como una pequena porcion de alimento para el alma Se han utilizado para discusiones grupales pero pueden formar un retiro privado de 40 dias ya que San Francisco era conocido por mantener varias cuaresmas cada ano Que la Santa Inmaculada Concepcion nos lleve a todos a una union mas profunda con su Divino Hijo Dios te bendiga

*Levanta Tu Cabeza* Carolyn E. Kerr,2012-05-22 La vergüenza es considerada como el sentimiento más insopportable de todos La vergüenza duele tanto que hacemos todo lo posible por quitar de nuestro interior el dolor que produce y para asegurarnos de que nadie más sepa que la padecemos Las maneras que usamos para ocultarla terminan dandonos a nosotros mismos y a las personas que nos rodean a la vez que pueden ser la razón de rupturas en las relaciones conflictos en el trabajo tensiones raciales y familias rotas Al contrario que la culpa que puede producir arrepentimiento y reconciliación la vergüenza te conduce al aislamiento y por eso los problemas perduran Todo el mundo siente vergüenza de vez en cuando pero algunos viven constantemente bajo su sombra Ya sea que tú mismo has sentido el dolor de la vergüenza o que quieres ayudar a alguien que la sufre necesitas saber reconocer la vergüenza y aplicar la solución que Dios nos ha dado en Jesucristo Levanta tu cabeza te ayudar a descubrir lo que puede ocurrir detrás de las máscaras que dibuja la vergüenza y te dar las claves para librarte de ellas Al final de cada capítulo hay preguntas de reflexión para ayudarte a digerir lo que has leído Las preguntas también son aptas para el estudio en grupo *La Vida De Intercambio* Rhonda J. The Problem of Woman in Late-medieval Hispanic Literature Robert Archer, 2005 This book argues that the problem of gender identity is vital to the large corpus of medieval Hispanic texts that discuss the nature of women What is a woman This book questions the persistent assumption that the large corpus of medieval Hispanic texts that discuss the nature of women can be defined in terms of the clichés discourses of misogyny and defence of women arguing instead that the problem of gender identity is vital to them all The texts some well known others which have received scant critical attention are each discussed in their specific contexts and in relation to the ostensible reasons for their composition such as a political literary religious or didactic agenda They are also related to the literary traditions in which they are written misogynistic denunciation satire humour defence narrative debate among others and the particular theoretical problems arising from them are discussed But it is also argued that the full meaning of the texts lies at the less immediately accessible level at which they address this very problem of definition one which arises directly from the self perpetuating contradictions of authoritative wisdom on the nature of women ROBERT ARCHER holds the Cervantes Chair of Spanish King's College London
