

The background of the slide is a photograph of a desk. In the foreground, there is a stack of papers or thin books, with the top one showing a dark, possibly black and white, image. Behind it, a thicker book with a light-colored cover is visible. Further back, another book with a dark cover is partially seen. The lighting is soft, creating a scholarly or academic atmosphere. A dark, semi-transparent rectangular overlay is positioned in the upper right portion of the image, containing the title text in white.

Newton PAINTER, 1926 Elementary Guide to Literary Criticism F. V. N. Painter, **Elementary Guide to Literary Criticism** F. V. N. Painter, 2017-06-10 The aim of the present work as is indicated by its name is to help the young student in literary criticism It is a sort of laboratory manual in which he will find specific direction for a comprehensive analysis of the principal kinds of literature It is intended to show him the various points in relation to form content and spirit to which in succession he is to devote his attention It is hoped that the book will give definiteness and delight to literary study which for lack of such a guide has so often been vague unsatisfactory and discouraging A glance at the table of contents will clearly reveal the plan The work is divided into three parts the first of which treats of fundamental principles In three chapters the nature of criticism the relation of the author to his work and the aesthetic principles underlying literary art are briefly discussed The facts and principles here presented are designed to give a clearer and deeper insight into the nature and processes of criticism *Elementary Guide to Literary Criticism (Classic Reprint)* F. V. N. Painter, 2015-07-18 Excerpt from *Elementary Guide to Literary Criticism* A glance at the table of contents will clearly reveal the plan The work is divided into three parts the first of which treats of fundamental principles In three chapters the nature of criticism the relation of the author to his work and the aesthetic principles underlying literary art are briefly discussed The facts and principles here presented are designed to give a clearer and deeper insight into the nature and processes of criticism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Elementary Guide to Literary Criticism F. V. N. Painter, 2016-08-17 It is intended to embrace the rhetorical elements of form In Part Third the leading kinds of literature are discussed and the general principles governing each are presented Special effort has been made to throw light upon the nature and structure of poetry fiction and the drama and it is hoped that the chapters in which these subjects are treated will be found particularly interesting and helpful Each chapter is followed by a list of review questions and by illustrative and practical exercises The aim has been to prepare not merely a theoretical but especially a practical text book for which it is believed there exists a felt and acknowledged need It is hoped that this little work will contribute in some measure to make literature one of the most delightful as it is surely one of the most important of all branches of study F V N PAINTER Salem Virginia August 15 1903 *Elementary Guide to Literary Criticism* F. V. N. Painter, 2018-08-15 *Elementary Guide to Literary Criticism* by F V N Painter 1 Purpose of Literary Study The study or reading

of literature ordinarily has a threefold purpose knowledge pleasure and culture This purpose shows us both the character of the literature which should be read and the manner in which it should be read As a rule we should read only books of recognized excellence and read them with sympathetic intelligence Trashy books whatever pleasure they may give add but little to knowledge or culture and immoral books often leave an ineradicable stain upon the soul Fortunately there are good books enough to satisfy every taste and supply every need We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
