Elements Of English Law 8e:

Principles of Equity and Trusts Alastair Hudson, 2016-06-10 Principles of Equity and Trusts is a concise new textbook from Alastair Hudson the author of the definitive classic Equity and Trusts Through clear and careful analysis the author explains what the law is its foundational principles and its social and economic effect By beginning with the core principles on which this field is based even the most complex academic debates concerning express resulting and constructive trusts the family home charities law and other equitable doctrines become comprehensible and interesting This book offers a fresh lively and often humorous account of Equity and Trusts Through easy to follow worked examples and analysis of the case law Alastair helps you to answer problem questions and to prepare coursework The author shows how the law affects real people in real situations Each chapter begins with a clear and concise introduction to the core principles It contains numbered headings for ease of navigation and advice on studying this subject Students also have access to Professor Hudson s ever popular supporting website which has had hundreds of thousands of hits over the years It has over 50 brief podcasts on key issues which have been specially re recorded to coincide with the publication of this book That website also contains detailed lectures a variety of videos explaining the law and guidance on tackling assessments Characterised by the passion and enthusiasm for his subject matter that make Alastair Hudson s classic textbook so popular Principles of Equity and Trusts is sure to be a winner with both academics and students alike

Elements of Accessorial Modes of Liability Sarah Finnin, 2012-08-27 This volume continues the work of the Preparatory Commission of the International Criminal Court by developing elements for ordering instigating and aiding and abetting the commission of international crimes under Article 25 3 b and c of the Rome Statute

Adam Smith and the Classics Gloria Vivenza, 2001-11-01 Adam Smith and the Classics analyses the influence of classical culture the work of Plato Aristotle Cicero and the Stoics on Adam Smith s thought Vivenza bases her arguments on elements of Smith s work that can be shown to be precise reflections of passages from the classical authors and on Smith s own acknowledgements that he was so influenced The bulk of the classical nuances occur in Smith s moral and natural philosophy but Vivenza also shows that the classics had some impact on his economic thought The book represents a complete survey of all Adam Smith s writings and is organized by arguments natural philosophy moral philosophy jurisprudence topics of economic interest and literature A further chapter discusses the very recent consensus among a number of scholars that Smith s writings display strong elements of Stoicism Adam Smith and the Classics is a significant book since it shows just how strong an impression the classical training had on the intellectual elite of the eighteenth century So much so that the classics have left their mark on the scholarship and writings of the time
