

SOCIAL JUSTICE

Social Justice is a political and philosophical theory that refers to a fair and equal division of resources, opportunities, access to wealth and social privileges in a society.

DEFINITION

Social Justice is a concept of fairness in relations between human beings in a society and their fair and equal rights. It was first developed during the industrial revolution.

Rawls (2005) notes its key idea, that people have: "an equal right to the most extensive system of equal basic liberties compatible with a similar system of liberty for all."

EXAMPLES

- **Human Rights:** Everyone is entitled to rights and freedoms, without distinction of any kind, such as race, color, gender, etc.
- **Right to participation:** Social justice attempts to create opportunities and political platforms for individuals to participate in decision-making.
