Alison Bing, Robert Landon

Eleonora Duse E Il Suo Tempo 1858 1924:

Eleonora Duse and Cenere (Ashes) Maria Pia Pagani, Paul Fryer, 2017-05-30 The 1916 silent film *Cenere* (Ashes) features the great Italian actress Eleonora Duse 1858 1924 in her only cinematic role In her meditative approach to her craft she reprised for the screen all the mother roles she had created for the theater Marking the film's 100th anniversary this collection of essays brings together for the first time in English a range of scholarship The difficulties involved in the making of the film are explored Duse's perfectionism was too advanced for the Italian movie industry of the 1910s Her work is discussed within the creative political and historical context of the silent movie industry as it developed in wartime Italy

Italian Modernism Luca Somigli, Mario Moroni, 2004-12-15 Italian Modernism was written in response to the need for an historiographic and theoretical reconsideration of the concepts of Decadentismo and the avant garde within the Italian critical tradition Focussing on the confrontation between these concepts and the broader notion of international modernism the essays in this important collection seek to understand this complex phase of literary and artistic practices as a response to the epistemes of philosophical and scientific modernity at the end of the nineteenth century and in the first three decades of the twentieth Intellectually provocative this collection is the first attempt in the field of Italian Studies at a comprehensive account of Italian literary modernism Each contributor documents how previous critical categories employed to account for the literary artistic and cultural experiences of the period have provided only partial and inadequate descriptions preventing a fuller understanding of the complexities and the interrelations among the cultural phenomena of the time
