 of billions off the value of companies around the world But the routinely incompetent behaviour that leads to failure is often
 covered up incompetent managers are paid off and the causes of failure are swept under the carpet Yet most of these failures
 could have been avoided if only we knew how to spot the signs of incompetence in advance and take steps to prevent it
 happening Prevention is always better and cheaper than cure Morgen Witzel tackles the problem of incompetence in the
 round by exploring the political cultural psychological and personal factors that lead to incompetency at every level of
 business Arrogance excessive reliance on formal plans and metrics lack of professional pride and poor and misguided
 business education and training are among the problems that drag businesses down Using international case studies from
 Ford Motor Company Royal Ahold and Lehman Brothers practical solutions are provided for avoiding incompetence by
 changing the culture within organizations and the ways in which managers are trained and developed to truly manage for
 success and minimise failure **Dancing with Cinderella** Jeff Harlow, 2017-11-24 Any vision that underestimates the
 importance of leadership transition is incomplete After all God s purposes have longer shelf lives than His leaders Dancing
