## **Elfin Ship:**

The Elfin Ship James P. Blaylock, 2012-06-21 A trilogy sets sail with a novel that's charming, light hearted and funny. Feels a little like *The Hobbit* or *The Wind in the Willows*. Fantasy Literature. James P. Blaylock's debut novel *The Elfin Ship* has become a classic of whimsical fantasy. With echoes of Kenneth Graham and Mark Twain, it's a gentle, eccentric and hilarious novel that will delight readers of all ages. Trading with the elves used to be so simple. Every year Master Cheeser Jonathan Bing would send his very best cheeses downriver to traders who would eventually return with Elfin wonders for the people of Twombly Town. But no more. First the trading post at Willowood Station was mysteriously destroyed. Then a magical elfin airship began making forays overhead. Something was definitely amiss. So Jonathan set off downriver to deliver the cheeses himself, accompanied by the amazing Professor Wurzle, the irrepressible Dooly and his faithful dog Ahab. It would have been such a pleasant trip if not for the weeping skeleton, mad goblins, magic coins, an evil dwarf, a cloak of invisibility and a watch that stopped time. If only the return trip were so simple. Madcap's not a word heard much these days, but it's a great one to apply to the characters and their adventures in *The Elfin Ship*. From start to finish, Blaylock maintains a high level of inventive goofiness that never lets up. If you want about as great a break as possible from the brutalities and cynicism of much of today's fantasy, this book is it. **Black Gate**

**Lunea** Karen Deal Robinson, 2014-01-07 Sixteen year old Farien embarks on a voyage with several other people seeking to find out why their world Lunea is slowly dying of drought. In ancient times the Moond was rich and green. And many creatures lived among her trees. And named her Earth. Earth of many seas. Lunea was a dry and airless world. As white and dead and polished as a bone. Men called her Moon, as in their sky she shone. But when Earth's magic first began to fade, her magic creatures founded a new truth. And in their flight, Lunea found her youth. **Book of Nymzyrva Canto XXV**

**The Trouble with Androids** James Thomae, 2011-05-13 I look human but I am an android. I was grown on cyclone 3 and I can do Magic. They said I should be vaporized because I was a danger to the galaxy. I ran away and took my cat Kato with me. I met a girl who could read minds and do magic also. This is the story of what we taught each other and our fight to survive pirates and people trying to kill me. *The School-girl's Garland* Caroline Matilda Kirkland, 1864

**The Elf Revelation - Book Nine of the Magi Charter** Jordan David, It's been a long journey for the galaxy. A galaxy descending into war. Everything is unraveling. The Elves and their Santa have failed, so many Repercussions are inevitable. A great transition is coming to pass and with it the Mission will conclude. Santa Tiberius is faced with the reality of his poor decisions. His authority with the Elves hangs by a thread. It is not enough to admit he is the Last Santa, he must embrace it. Hard choices must be made. Never one to back down from a fight, Tiberius must step down and let others take over. The Elves struggle to unite in a vision fulfilling the Charter. Dedicated as they are, each Discipline, each faction has its own goals and methods. Every individual yearns to contribute, yet thousands of voices speaking at once are chaos. The era of Santa Claus is ending. The age of Elves is uncertain. A crossroads of choices looms ahead. Crystals, Runes and Touchstones. The universe

teems with the unknown with secrets Neither the Elves nor the Santas were the only beings charged with upholding the mantle of the Child s dream Others work in their own mysterious ways towards the great Peace Long ago the Nix beings of living snow took a vow to protect the Dedicated They longed to share their unique gifts yet held back their most wondrous creations The long awaited revelation is nearly here though not all will be worthy of their last gift For the Dedicated deliver stardust dreams to the children of the heavens Forever are the Elves a Santa s time fleeting From the top of the world to the heart of the stars To the dreamers go the Child s epiphany The Omega becomes an Alpha Secrets wrapped in choices Infinite paths to the Peace All chasing the promise of a world without end About the Magi Charter series For over two thousand years the legend of Santa Claus has endured His is a Mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world s problems affect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable In every era those committed to the Mission must find a way to deliver that which is needed most to those most deserving

David,2020-02-13 It has been a year since the incident that stranded the Continental ship Eureka outside the galaxy The unprecedented use of a limitless portal technology has provoked the galactic Imperial powers to go on the defensive preparing for war The Elves and Santa are largely to blame for the state of galactic politics despite their intentions being for the greater good things have only grown worse After failing the Mission Tiberius is resolved to keep his people together determined not to forsake his commitment to the masses Tiberius was told he would be the last Santa that he must now

separate himself from the Elves Yet Tiberius refuses to listen to anyone sure that he will find a solution to keep the Mission going Time is running out his control is slipping the distrust amongst the Elves is reaching a flash point Forced to evacuate their home and scattered to the stars the Disciplines struggle to coordinate their Elves and keep their organizations running The galaxy s people great and small need help and guidance For some Elves that means having to rely on themselves and not their Disciplines All must find innovative ways to keep the galaxy from disintegrating into chaos The fabled Key Stones are the Elves last hope to save the Mission and return to their home But they are not the only ones on the hunt for the mysterious objects Returning from the stranded Eureka the Elfin ship Vega resumes the search for the Key Stones while being pursued by the sinister Shinsei a Rune Master who has been plotting in the shadows and is revealed to be the mastermind behind Emiko and the rival of Merlin Kyanite Astro a young elf struggling with basic Rune control and his own identity will be forced into a face off with Shinsei that will ultimately determine the fate of the Elves and the galaxy About the Magi Charter series For over two thousand years the legend of Santa Claus has endured His is a Mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world s problems affect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable In every era those committed to the Mission must find a way to deliver that which is needed most to those most deserving
