Freedom Hill The Alpha And Omega:

Freedom Hill J. Eldon Holbrook, 2003-09 This book looks at the Vietnam War from a new angle While most books on the subject center around a battle or operation this book introduces the central character as he comes of age and faces the draft It stays with him through that process and his traumatic experience of Marine Corps boot camp The work then follows him to Southeast Asia where his life is graphically chronicled and we get an amazingly candid look at the day to day war through the eyes of a young draftee The toughest battles for most veterans of that war were fought in the mind The severe mood swings from the deepest depressions to unbelievable highs kept combatants teetering on the edge of sanity This book expertly exposes the emotional roller coaster that threatened the stability of the mind For the first time you will understand why the Vietnam War was so damaging to so many veterans Hundreds of thousands of young men served in the Vietnam War each came home with a story this book tells most of them This fresh revealing look at the Vietnam experience is one you won't want to miss

Creating Freedom Laurie A. Wilkie, 2000-10-01 Historians conception of plantation life in the American South both post and antebellum derives almost exclusively from the written record hence mainly from the white owners perspectives In Creating Freedom historical archaeologist Laurie Wilkie pulls the half opened curtain wider by seeking out the experiences of the majority of people who made their home on plantations the African American laborers Specifically Wilkie examines the

lives of four black families who lived at Oakley Plantation in south Louisiana s West Feliciana Parish over the course of one hundred years Using an innovative blend of archaeological evidence and oral interviews as well as written documents she builds a composite of their daily existence that is at once riveting and humanizing in its detail and invaluable in its broader applications Creating Freedom is in part Wilkie s attempt to understand how African Americans at Oakley Plantation and by extension most southern blacks endured the violence and oppression of slavery Reconstruction and Jim Crow It is through their material culture enhanced by a range of other data that she describes the complex but uplifting process by which they retained their ties to a cultural past while renegotiating their identity as free persons *The Sunday Magazine* ,1877

Feasting and Social Oscillation A. Thomas Kirsch,2018-05-31 This work argues that anthropologists have observed and recorded religious rites and rituals but have largely ignored the role of religion when constructing an analytical framework The author contends that religious phenomena are inextricably intertwined with issues of power politics and economics among the upland groups such as the Kachin of Southeast Asia **Filled with the Spirit** Ellen Lewin,2018-04-24 In 2001 a collection of open and affirming churches with predominantly African American membership and a Pentecostal style of worship formed a radically new coalition The group known now as the Fellowship of Affirming Ministries or TFAM has at its core the idea of radical inclusivity the powerful assertion that everyone no matter how seemingly flawed or corrupted has holiness within Whether you are LGBT have HIV AIDS have been in prison abuse drugs or alcohol are homeless or are otherwise compromised and marginalized TFAM tells its people you are one of God s creations In **Filled with the Spirit** Ellen Lewin gives us a deeply empathetic ethnography of the worship and community central to TFAM telling the story of how the doctrine of radical inclusivity has expanded beyond those it originally sought to serve to encompass people of all races genders sexualities and religious backgrounds Lewin examines the seemingly paradoxical relationship between TFAM and traditional black churches focusing on how congregations and individual members reclaim the worship practices of these churches and simultaneously challenge their authority The book looks closely at how TFAM worship is legitimated and enhanced by its use of gospel music and considers the images of food and African American culture that are central to liturgical imagery as well as how understandings of personal authenticity tie into the desire to be filled with the Holy Spirit Throughout Lewin takes up what has been mostly missing from our discussions of race gender and sexuality close attention to spirituality and faith **The Plymouth Hymnal** Lyman Abbott,1894 **School Work** ,1902
