## **Freedom Of Information:**

The U.S. Freedom of Information Act at 50 W. Wat Hopkins, 2019-12-18 The federal Freedom of Information Act FOIA which recently turned 50 has been hailed as the primary means by which US citizens can know about how their governors operate in a democratic republic Recently however it has been criticized as ineffective because it is cumbersome and full of loopholes This book examines the role and effectiveness of the FOIA comparing the FOIA world with the pre FOIA world rating its effectiveness compared to other access laws internationally examining ways in which it can be improved and questioning whether it should be dismantled and replaced This book was originally published as a special issue of Communication Law and Policy *Freedom of Information Case List* ,2002-05 Freedom of Information Reform Act United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1984 **Freedom of Information Act Guide** ,2007 **Your Right to Know** Heather Brooke, 2006-10-20 Have you ever wanted to know Which doctor has the best operation success rate in your health trust If MI5 has a file on you The actual number and type of crimes that happen in your street Which streets are targeted by parking attendants in your area Which buildings have failed their fire safety inspections The public had no right to most of this information until now In 2005 the Freedom of Information Act came into force giving the British public a legal right for the first time to access information from more than 100 000 public authorities But in order to take advantage of this new right you first have to know who holds the information and how to get it This guide gives you the tools you need to get the information you want This edition comes with a new foreword by Ian Hislop **Freedom of Information Act Oversight** United States. Congress. House. Committee on Government Operations. Subcommittee on Government Information and Individual Rights, 1981 **Freedom of Information Act** Wendy R. *Saving the Freedom of Information Act* Margaret B. Kwoka, 2021-10-14 Enacted in 1966 The Freedom of Information Act or FOIA was designed to promote oversight of governmental activities under the notion that most users would be journalists Today however FOIA is largely used for purposes other than fostering democratic accountability Instead most requesters are either individuals seeking their own files businesses using FOIA as part of commercial enterprises or others with idiosyncratic purposes like political opposition research In this sweeping empirical study Margaret Kwoka documents how agencies have responded to the large volume of non oversight requesters by creating new processes systems and specialists which in turn has had a deleterious impact on journalists and the media To address this problem Kwoka proposes a series of

structural solutions aimed at shrinking FOIA to re center its oversight purposes      **A Citizen's Guide on Using the Freedom of Information Act and the Privacy Act of 1974 to Request Government Records** United States.
