Rudolf A. Makkreel

Freedom And The Critical Undertaking Essays On Kants Later Critiques:

Freedom and the Critical Undertaking Mary-Barbara Zeldin, 1980-01-01 *Kant's Groundwork of the Metaphysics of Morals* Paul Guyer, 2000-01-01 Kant's *Groundwork of the Metaphysics of Morals* is one of the most important works in modern moral philosophy. This collection of essays, the first of its kind in nearly thirty years, introduces the reader to some of the most important studies of the book from the past two decades, arranged in the form of a collective commentary. [The Cambridge Companion to Kant and Modern Philosophy](#) Paul Guyer, 2006-01-30 The philosophy of Immanuel Kant is the watershed of modern thought which irrevocably changed the landscape of the field and prepared the way for all the significant philosophical movements of the nineteenth and twentieth centuries. This 2006 volume, which complements *The Cambridge Companion to Kant*, covers every aspect of Kant's philosophy with a particular focus on his moral and political philosophy. It also provides detailed coverage of Kant's historical context and of the enormous impact and influence that his work has had on the subsequent history of philosophy. The bibliography also offers extensive and organized coverage of both classical and recent books on Kant. This volume thus provides the broadest and deepest introduction currently available on Kant and his place in modern philosophy, making accessible the philosophical enterprise of Kant to those coming to his work for the first time. [Subjective Universality in Kant's Aesthetics](#) Ross Wilson, 2007 Drawing on a wide range of scholarship, this book offers a new and comprehensive examination of Kant's argument that aesthetic judgements are combined with a claim to subjective universality. The author gives a detailed account of the background to this claim in Kant's epistemology, logic, and metaphysics, before closely attending to the crucial sections of the *Critique of the Power of Judgement*. In particular, it is shown that Kant's aesthetics requires that his theory of the subject be rethought. Central to the theory of the subject that begins to emerge from the *Third Critique* is Kant's enigmatic notion of life, which is extensively explored here. This study therefore thoroughly examines the central features of Kant's account of aesthetic judgements, suggesting that a new and exciting theory of subjectivity begins to be outlined in Kant's aesthetics. The author argues for the placement of Kant's account of the subjective universality of aesthetic judgement at the centre of contemporary philosophical aesthetics. *The A to Z of Kant and Kantianism* Helmut Holzhey, Vilem Mudroch, 2010-02-12 Few philosophers stand out as boldly as Immanuel Kant. While he did not write as much as others, his principle works, *Critique of Pure Reason*, *Critique of Practical Reason*, and *Critique of Judgment*, are known worldwide. During his time, schools of Kantianism quickly sprang up and were later joined by schools of Neokantianism. Admittedly, not all of Kant's concepts have aged well, but many are still taught among the basics of philosophy today and therefore must be known by every student. *The A to Z of Kant and Kantianism* provides a comprehensive dictionary that will aid not only students but also teachers and the general public, since it contains hundreds of entries describing Kant's life and works and explaining his concepts as well as the contributions of his followers and also some opponents. Furthermore, much of the writings of the Neokantians as well as the literature dealing with this movement are not

available in English thus this book provides an introduction to this phenomenon to the English language reader Given the inevitable problems of language the glossary is particularly helpful while the bibliography makes the massive amounts of literature more accessible

The Cambridge Companion to Kant Paul Guyer,1992-01-31 The fundamental task of philosophy since the seventeenth century has been to determine whether the essential principles of both knowledge and action can be discovered by human beings unaided by an external agency No one philosopher contributed more to this enterprise than Kant whose Critique of Pure Reason 1781 shook the very foundations of the intellectual world Kant argued that the basic principles of the natural science are imposed on reality by human sensibility and understanding and thus that human beings are also free to impose their own free and rational agency on the world This 1992 volume is the only systematic and comprehensive account of the full range of Kant s writings available and the first major overview of his work to be published in more than a dozen years An internationally recognised team of Kant scholars explore Kant s conceptual revolution in epistemology metaphysics philosophy of science moral and political philosophy aesthetics and the philosophy of religion

Critique of Judgment Immanuel Kant,Werner S. Pluhar,1987-01-01 In THE CRITIQUE OF JUDGMENT 1790 Immanuel Kant 1724 1804 seeks to establish the a priori principles underlying the faculty of judgement just as he did in his previous critiques of pure and practical reason The first part deals with the subject of our aesthetic sensibility we respond to certain natural phenomena as beautiful says Kant when we recognise in nature a harmonious order that satisfies the mind s own need for order The second half of the critique concentrates on the apparent teleology in nature s design of organisms Kant argues that our minds are inclined to see purpose and order in nature and this is the main principle underlying all of our judgements Although this might imply a super sensible Designer Kant insists that we cannot prove a supernatural dimension or the existence of God Such considerations are beyond reason and are solely the province of faith

Historical Dictionary of Kant and Kantianism Vilem Mudroch,Helmut Holzhey,2020-07-06 Immanuel Kant was one of the most significant philosophers of the modern age Historical Dictionary of Kant and Kantianism Second Edition contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on key terms of Kant s philosophy Kant s major works and cover his most important predecessors and successors concentrating especially on the relation of these thinkers to Kant himself This book is an excellent resource for students researchers and anyone wanting to know more about Immanuel Kant

Imagination and Interpretation in Kant Rudolf A. Makkreel,1990 In this illuminating study of Kant s theory of imagination and its role in interpretation Rudolf A Makkreel argues against the commonly held notion that Kant s transcendental philosophy is incompatible with hermeneutics The charge that Kant s foundational philosophy is inadequate to the task of interpretation can be rebutted explains Makkreel if we fully understand the role of imagination in his work In identifying this role Makkreel also reevaluates the relationship among Kant s discussions of the feeling of life common sense and the purposiveness of history

The A to Z of Kant and

Kantianism Helmut Holzhey,Vilem Mudroch,2010 Few philosophers stand out as boldly as Immanuel Kant 1724 1804 His principal works including Critique of Pure Reason Critique of Practical Reason and Critique of Judgement are known worldwide During his time schools of Kantianism quickly sprang up and were later joined by schools of Neokantianism Admittedly not all of Kant's concepts have aged well but many are still taught today among the basics of philosophy

Martin Heidegger on the Way William Henry Werkmeister,1996 This guidebook provides an ideal entry point for readers new to Heidegger transforming it from a daunting task into an exciting and necessary challenge The Significance of Beauty P.M. Matthews,2013-06-29 In the Critique of Judgment Kant argues that feeling is part of the system of the mind Judgments of taste based on feeling are a unique kind of judgment and the feeling that is their foundation forms an independent third power of the mind Feeling has a special role within this system in that it also provides a transition between the other two powers of the mind cognition and desire Matthews argues that feeling our experience of beauty provides a transition because it orients humans in a sensible world Judgments of taste help overcome the difficulties that arise when rational cognitive and moral ends must be pursued in a sensible world Matthews demonstrates how feeling disassociated from rational activities in Kant's earlier works is now central in reaching rational ends and understanding humans as unified rational beings Audience This book would be of interest to research libraries and university libraries philosophers historians and aestheticians Journal of the History of Philosophy ,1983 **Kant-Studien** Hans Vaihinger,Max Scheler,Bruno Bauch,Max Frischeisen-Köhler,Arthur Liebert,Paul Menzer,1983 **Late Kant** Peter Fennes,2004-08-02 Immanuel Kant spent many of his younger years working on what are generally considered his masterpieces the three Critiques But his work did not stop there in later life he began to reconsider subjects such as anthropology and topics including colonialism race and peace In Late Kant Peter Fennes becomes one of the first to thoroughly explore Kant's later writings and give them the detailed scholarly attention they deserve In his opening chapters Fennes examines in detail the various essays in which Kant invents formulates and complicates the thesis of radical evil a thesis which serves as the point of departure for all his later writings Late Kant then turns towards the counter thesis of radical mean ness which states that human beings exist on earth for the sake of another species or race of human beings The consequences of this startling thesis are that human beings cannot claim possession of the earth but must rather prepare the earth for its rightful owners Late Kant is the first book to develop the geo ethics of Kant's thought and the idea that human beings must be prepared to concede their space for another kind of human It is essential reading for anyone interested in the later works of Immanuel Kant **Subject Catalog, 1981** Library of Congress,1981 The Eighteenth Century ,1974 Proceedings and Addresses of the American Philosophical Association American Philosophical Association,1980 **Kant's Critique of Teleological Judgement** Immanuel Kant,1928 **Epoché** ,1993

Uncover the mysteries within Explore with is enigmatic creation, **Freedom And The Critical Undertaking Essays On Kants Later Critiques** . Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Freedom And The Critical Undertaking Essays On Kants Later Critiques eBooks, including some popular titles.

FAQs About Freedom And The Critical Undertaking Essays On Kants Later Critiques Books

What is a Freedom And The Critical Undertaking Essays On Kants Later Critiques PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Freedom And The Critical Undertaking Essays On Kants Later Critiques PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Freedom And The Critical Undertaking Essays On Kants Later Critiques PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Freedom And The Critical Undertaking Essays On Kants Later Critiques PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Freedom And The Critical Undertaking Essays On Kants Later Critiques PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
