The Road Back Home Joseph Cavin, Karyn Cavin, 2023-08-29 Do you desire to know and experience God's exhilarating journey for creation The Bible reveals God's magnificent plans for his dominion and most valued treasure mankind However because of its many complexities most miss the big picture of Scripture focusing on obscure doctrinal details and consequently are confused about their own role and God's purposes This book was written as a tool to assist in overcoming these difficulties by presenting the structure of the Bible through analyzing three fundamental plans of God his original plan for mankind which was corrupted by sin his salvation plan that triumphed over sin and his restoration plan that is steadily returning creation to its genesis By first accurately examining and gaining a solid grasp of the flow of Scripture through these plans prior to delving into its many doctrinal details one can far more effectively comprehend its essential message and the intentions of God's heart toward his people This book's intended audience is not

merely new believers in Christ but also those who have been Christians for many years without yet obtaining a firm proficiency of God's comprehensive message necessary for healthy growth and fruitfulness. Come then and experience the epic revelation of God's heart.
