

An aerial photograph of a city at sunset, with the sun low on the horizon creating a warm, orange glow. The city's grid of streets and buildings is visible, with some taller skyscrapers standing out. A quote is overlaid in the center of the image.

Stealing Freedom Vivien Patterson,2019-05-31 It is for freedom that Christ has set us free Stand firm then and do not let yourselves be burdened again by a yoke of slavery Galatians 5 1 But what does this freedom really mean In her book Vivien Patterson describes a personal journey which spans many years It involves overwhelming family tragedy and loss but gradually leads her to discover the true nature of freedom She believes that most of us misunderstand freedom and that frequently we chase after an impostor who masquerades in many forms leaving us feeling cheated disillusioned and trapped However true freedom she states implies being rescued It is the most precious of all gifts offered by the Rescuer and an integral part of our inheritance in Christ She sees this freedom as being linked implicitly with redemption wholeness and well being As we embrace it we find we have the potential not only to honour God but to be true to ourselves in all our relationships This is the freedom she has discovered in Christ and this is her story
