terms with this aspect of Jesus message In these brief and provocative essays Braaten reappraises theology and society from the point of view of apocalypticism The author points out the relevance for contemporary Christians of the dualities found in apocalyptic thought Christ and Counter Christ freedom and slavery the present realm and future kingdom People in today s counterculture are even seen to possess a vision of freedom similar to that in the apocalyptic sections of the Bible The reader will discover that apocalypticism opens up fascinating new dimensions of such issues as ecology revolution and secular Christianity Each chapter displays a double emphasis on theological concerns and on concrete problems facing Christians today Those who read in the fields of religion ethics or American culture will find this book intriguing The breezy style and careful thinking will appeal to everyone from college student to systematic theologian

Foundation Truths of the Christian Religion Emanuel Swedenborg,1901 **A Christian Perspective of Postmodern Existentialism** John D.

Carter,2021-06-08 The Western Humanism originating in classical Greek philosophy where the capacity of human reason became the dominant means for perceiving a worldview based in reality reigned in Western philosophy until the onset of Postmodern Existentialism in the mid twentieth century Plato s Theory of Forms prepared the Western gentile mind to accept the rationality of a transcendent ultimate reality and in so doing steered the gentile mind from its bent to pantheistic deities The apostle Paul boldly proclaimed to the Athenians that their unknown god was indeed the transcendent God of Abraham Isaac and Jacob Christianity prevailed in Western philosophy until the Enlightenment which was the result of the unprecedented success of the scientific method began to turn the Western mind to the existentialistic idea of the relativity of moral truth *The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed. Translated Into English from a Latin Posthumous Work of ... Emanuel Swedenborg [by William Hill] and Revised by the Translator of the Arcana Cœlestia [i.e. John Clowes]. (To which is Subjoined a Summary Exposition of the Internal Sense of the Prophetical Books of the Word of the Old Testament, and of the Psalms of David.) [With the Text.]* ,1815 **Religious Pamphlets** ,1915 **1 John, Revised and Extended**

L. Daniel Cantei,2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper

appreciation of hierarchy as opposed to docetic equality Universal Suffering Reynaldo Pareja,2022-02-09 The suffering that we humans experience every day in some place on the planet where does its comes from Who produces it nature man or God Valid questions because the phenomenon is universal Just listen to the news on radio or television read a newspaper a magazine or in the internet and soon you will hear or see some natural phenomenon causing tragedy death destruction in some part of the globe When suffering is not caused by Nature it is then produced by men hurting others We also attribute God as the Cause of suffering We do so because we believe that He is Almighty and we thus question why does He allow these tragic events to occur to his most precious creatures us men To make a judgment about the responsibility of each of these causes it is necessary to make a dispassionate analysis based on scientific data that allow us to understand that we reside on a living planet in constant evolution in cycles of manifestations of Life that have occurred over thousands of years of the planet s evolution Likewise it is necessary to resort to an existential analysis and the ultimate meaning of Life to determine the role that man s freedom plays in defining his own and the destiny of others while creating suffering Finally it is necessary to unveil the role that God plays or not in this process This is necessary to find a satisfactory explanation to the enigmatic mystery that suffering poses Man's Higher Consciousness Prof. Hilton Hotema,2016-01-18 In this book first published in 1962 Professor Hilton Hotema provides his insights into how we could all live longer by learning the body s simple requirements of breathing fresh air avoiding animal flesh banning any cooked food and by gradually lessening the amount of food consumed Hotema firmly believes that breathing fresh air and consuming organic fruits and natural organic liquids alone could extend our lives and also lays bare his secret that what kills at an early age is not the illusion of time but rather overeating breathing in toxic unclean air and elements such as electronic radiation dirty electricity and medications A must read for any health conscious individual *Heavenly Arcana which are in the Sacred Scripture Or Word of the Lord, Laid Open, Together with Wonderful Things which Were Seen in the World of Spirits and in the Heaven of Angels* Emanuel Swedenborg,1838 A Poor Wise Man Mary Rinehart,2018-05-22 A Poor Wise Man mixes romantic fiction with political analysis This engrossing story begins The city turned its dreariest aspect toward the railway on blackened walls irregular and ill paved streets gloomy warehouses and over all a gray smoke laden atmosphere which gave it mystery and often beauty Sometimes the softened towers of the great steel bridges rose above the river mist like fairy towers suspended between Heaven and earth And again the sun tipped the surrounding hills with gold while the city lay buried in its smoke shroud and white ghosts of river boats moved spectrally along Chapters XVII-XX Emanuel Swedenborg,1912 *Phenomenology and Eschatology* Neal DeRoo,John Panteleimon Manoussakis,2009 Given the resurgence of eschatological thought in contemporary theology and the continued relevance of phenomenology in philosophy this book brings together leading thinkers such as Lacoste Romano Kearney and Hart to explore the ways in which these two seemingly unrelated disciplines illuminate each other Through a series of phenomenological analyses of key eschatological concepts and detailed readings in

some of the key figures of both disciplines this text reveals that phenomenology and eschatology are fundamentally inter related and that neither can be fully understood without the other without eschatology phenomenology would not have developed the ethical and temporal aspects that characterize it today without phenomenology eschatology would remain relegated to the sidelines of serious theological discourse Along the way such diverse themes as time death parousia and the call are re examined and redefined *Bridge Men's Magazine* ,1920 *Church Dogmatics Study Edition 14* Karl Barth,2010-09-23 The most important theological work of the 20th century in a new edition now available in individual volumes *The Arena* ,1897
