Freemasonry & Judaism Léon de Poncins,1994 *The Secret Powers Behind Revolution* Léon de Poncins (Vte.),1929

The Secret Powers Behind Revolution: Freemasonry and Judaism Léon de PONCINS (Viscount.),1929 The Secret Powers Behind the Revolution Vicomte Leon de Poncins,2010-07-27 Foreward We are actually witnessing an immense revolutionary movement of which the first outward manifestation was the French revolution of 1789 This movement which since then has spread all over the world has a much deeper significance than is generally supposed and aims at the overthrow of civilization The fate of humanity is at stake and it is of great importance for us to know the causes of the movement and its consequences or in a word to know where we are going But among the revolutionary forces there are two which although more or less hidden an unknown to the public and none the less promordial They are Freemasonry and Judaism **The Paranoid Apocalypse** Richard Landes,Steven T. Katz,2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational **The Ruling Elite** Deanna Spingola,2012 The U S government complicit with the well connected corporations since the so called Civil War continues to wage war and destruction Lincoln s revolutionary war supported by Marx and Engels caused at least 618 222 and perhaps as many as 700 000 deaths including about 50 000 Confederate civilians Soldiers who were fighting dying and killing during that war were in training for future wars If Americans could kill fellow citizens then they would use force against foreign citizens in behalf of the government That war foreshadowed the devastating global warfare that followed with the Spanish American War two World Wars Korea Vietnam the First Gulf War and the current wars in the Middle East They do not include the bombings in the Baltic and elsewhere or the CIA s covert warfare wherein millions of people died In the First World War soldiers killed 9 911 000 people in action and wounded 21 219 500 people while 7 750 000 people were missing in

action for a total of 38 880 500 In the Second World War there were over 24 000 000 military deaths and 49 000 000 civilian deaths totaling 73 000 000 deaths not including the number of wounded or missing That is 82 911 000 deaths in two world wars The real question is WHY The Global Impact of the Protocols of the Elders of Zion Esther Webman,2012-03-29 The Protocols of the Elders of Zion has attracted the interest of politicians and academicians and generated extensive research since the tract first appeared in the early twentieth century Despite having repeatedly been discredited as a historical document and in spite of the fact that it served as an inspiration for Hitler s antisemitism and the Holocaust it continues even in our time to be influential Exploring the Protocols successful dissemination and impact around the world this volume attempts to understand their continuing popularity one hundred years after their first appearance in so many diverse societies and cultures With contributions from leading scholars in the field the book covers themes such as Why have the Protocols survived to the present day and what are the sources from which they draw their strength What significance do the Protocols have today in mainstream worldviews Are they gaining in importance Are they still today a warrant for genocide or merely a reflection of xenophobic nationalism Can they be fought by logical argumentation This comprehensive volume which for the first time dwells also on the attraction of the Protocols in Arab and Muslim countries will be of interest to specialists teachers and students working in the fields of antisemitism the far right Jewish studies and modern history **Is it True What They Say About Freemasonry?** S. Brent Morris,Arturo de Hoyos,2010-03-16 For as long as there have been Freemasons there has been a calculated effort to disparage and their practices In this insightful text masons de Hoyos and Morris explore the origins of the anti Masonic mindset and delve into the falsehoods on which critics have based these perennial sentiments Confronting opponents one at a time the authors methodically debunk the myths that have surrounded Freemasonry since its establishment investigating the motives and misconceptions that derive antagonists to spread deceit about Masonic traditions **Occult Features of Anarchism** Erica Lagalisse,2019-02-01 In the nineteenth century anarchists were accused of conspiracy by governments afraid of revolution but in the current century various conspiracy theories suggest that anarchists are controlled by government itself The Illuminati were a network of intellectuals who argued for self government and against private property yet the public is now often told that they were and are the very group that controls governments and defends private property around the world Intervening in such misinformation Lagalisse works with primary and secondary sources in multiple languages to set straight the history of the Left and illustrate the actual relationship between revolutionism pantheistic occult philosophy and the clandestine fraternity Exploring hidden correspondences between anarchism Renaissance magic and New Age movements Lagalisse also advances critical scholarship regarding leftist attachments to secular politics Inspired by anthropological fieldwork within today s anarchist movements her essay challenges anarchist atheism insofar as it poses practical challenges for coalition politics in today s world Studying anarchism as a historical object Occult Features of Anarchism also shows how the development of leftist

theory and practice within clandestine masculine public spheres continues to inform contemporary anarchist understandings of the political in which men's oppression by the state becomes the prototype for power in general. Readers behold how gender and religion become privatized in radical counterculture, a historical process intimately linked to the privatization of gender and religion by the modern nation state.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07

YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been spiritualized for over a Millennium which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David mentioned in the Bible. All three existed then as they do today. However, most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today. The people groups which YAHWEH and YAHSHUAH addressed still exist today. However, these people are all mixed up and known by different names but they DO exist. This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology. This brings us to the major question of: Is the Bible only about Israel? And if so, how does it affect our Eschatology today? This book answers these hard questions.
