The Freemasons Michael Johnstone,2005      **The Freemasons** Michael Johnstone,2013-09 There is confusion in many minds as to what Freemasons do and what they represent largely because of the mystery and secrecy surrounding many of their practices This book hopes to re orientate the reader towards an appreciation of the essentially altruistic aims of Freemasonry      **Freemasons** Michael Johnstone,2009-03-01 Despite a long history Freemasonry has enjoyed mixed fortunes in recent times This book seeks to present Freemasonry in the context of a long and noble ancestry stretching back to 1500 BC and through the laudable aims espoused by its founding fathers Lavishly illustrated in full color the book examines The roots of Freemasonry and its spread around the world The brotherhood s rites and rituals its ideals and virtues The influence of Freemasonry on modern notions of democracy and the rights of the individual The role of Freemasonry in the lives of some of the most famous men in history including Jonathan Swift Isaac Newton Benjamin Franklin George Washington and Winston Churchill      **The Secret History of Freemasonry** Jeremy Harwood,2006 A full and fascinating account of the signs and symbols behind the beliefs and hisotry of the freemasons      *The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry* ,1873      *Mirror of the Soul* Tania M. DeVizia,2015-07-08 Mirror of the Soul is a reference to the precious metal silver and its superior reflective abilities Silver jewelry reflects ones personality and silver instruments which render the purest tones have the ability to reflect ones soul Classical flutist Tania M DeVizia uses her silver flute as a tool to connect with the divine and thus mirror her soul In this book she merges theology and science time and eternity and hands on healing with sound healing She analyzes and reflects upon the five roles of Jesus when he walked this earth and describes the manner in which music and art mirror His roles of Good Shepherd Healer and Miracle Worker Carpenter and Stone Mason Fisher of Men and Son of God Her text reflects her quest for truth She believes we have an innate desire to reflect the highest ideals of the Creator in all our works of art The words on these pages mirror the soul of a flutist who enjoys listening observing analyzing hearing and sharing her insights with others      **Freemasonry** Giles Morgan,2012-08-10 The world of Freemasonry exerts a powerful influence on the modern imagination In an age when perceived notions of history are being increasingly questioned and re examined it is perhaps inevitable that secretive societies such as the Freemasons find themselves at the center of considerable speculation and conjecture To some they represent a powerful and shadowy elite who have manipulated world history throughout the ages whilst to others they are an altogether more mundane and benign fraternal organization Freemasonry today is a worldwide phenomenon that accepts membership from a diverse ethnic and religious range of backgrounds Entry to Freemasonry requires a belief in a Supreme Being although it insists it does not constitute a religion in itself The rituals and practices of Freemasonry have been viewed as variously obscure pointless baffling sinister and frightening An intensely stratified and hierarchical structure underpins most Masonic orders whose activities are focused within meeting points usually termed as Lodges Giles Morgan examines its

historical significance George Washington and Benjamin Franklin were both Masons and its position and role in contemporary society     **The freemason's manual; or, Illustrations of masonry** Jeremiah How,1862     **A Dictionary of Symbolical Masonry ... Compiled from the Best Masonic Authorities** George OLIVER (D.D., Rector of South Hykeham.),1853     **Stepping out of Line** C.C. Rose,2013-01-04 Stepping Out of Line shares in great detail my personal account of what it is like to be in a predominantly African American sorority and what it is like to denounce from one Many who are not in a sorority or fraternity do not see what goes on behind closed doors There is more to it than fame and brotherhood It is a spiritual battle Stepping Out of Line provides a Christian perspective and brings light to the areas of darkness in sororities and fraternities If you are thinking about joining a sorority this book is for you If you are thinking about denouncing or validating your reason to stay in a sorority or fraternity this book is also for you Stepping Out of Line provides a needed outlook on sororities and fraternities It encourages you to think about what God says about this topic and whether or not being a part of a Greek lettered organization is pleasing in His sight     *Masonic Constitutions, Or, Illustrations of Masonry* Freemasons.
