Wilhelm Furtwängler

Freischutz Overture

Burton D. Fisher

Freischütz Overture:

Overture to the Romantic Opera Der Freischütz Carl Maria von Weber, Hermann Abert, 1981 **Der Freischütz (overture), (opus 77).** Carl Maria von Weber, 1920 **The Freischütz Phenomenon: Opera As Cultural Mirror** Donald G. Henderson, 2011-05-11 Der Freischütz a German opera composed by Carl Maria von Weber premiered to great acclaim in 1821 It eventually became a national treasure in its homeland as well as an enduring fixture in the international repertory Wilhelm Furtwängler a renowned conductor of the twentieth century proclaimed it to be an utterly unique opera and one of the greatest masterworks of world literature The story is deeply rooted in German folklore It involves rustic life in the forest threatening supernatural machinations strong communal bonds and the triumph of love and simple faith over dark power Der Freischütz is not a typical opera There are two reasons for considering it to be a singular cultural phenomenon 1 an extraordinary charisma in the Germanic sphere and 2 a fateful vulnerability to alteration and exploitation in its long performance history which undermined the opera's integrity while reflecting a wide range of ideas and attitudes in Western culture The ultimate goal of this book is to restore the integrity of the original Freischütz and its depth of reference as well

Der Freischütz Carl Maria von Weber, 1904 **Der Freischütz** Burton D. Fisher, 2002 A comprehensive guide to Weber's DER FREISCHÜTZ featuring Principal Characters in the opera Brief Story Synopsis Story Narrative with Music Highlight Examples and an insightful and in depth Commentary and Analysis by Burton D Fisher noted opera author and lecturer

Der Freischütz Carl Maria von Weber, 1983 **The Romantic Overture and Musical Form from Rossini to Wagner** Steven Vande Moortele, 2017-04-27 The first comprehensive study of musical form in operatic and concert overtures in continental Europe between 1815 and 1850 Concert Life in Nineteenth-Century New Orleans John H. Baron, 2013-12-09 During the nineteenth century New Orleans thrived as the epicenter of classical music in America outshining New York Boston and San Francisco before the Civil War and rivaling them thereafter While other cities offered few if any operatic productions New Orleans gained renown for its glorious opera seasons Resident composers performers publishers teachers instrument makers and dealers fed the public's voracious cultural appetite Tourists came from across the United States to experience the city's thriving musical scene Until now no study has offered a thorough history of this exciting and momentous era in American musical performance history John H Baron's Concert Life in Nineteenth Century New Orleans impressively fills that gap Baron's exhaustively researched work details all aspects of New Orleans's nineteenth century musical renditions including the development of orchestras the surrounding social political and economic conditions and the individuals who collectively made the city a premier destination for world class musicians Baron includes a wide ranging chronological discussion of nearly every documented concert that took place in the Crescent City in the 1800s establishing Concert Life in Nineteenth Century New Orleans as an indispensable reference volume , Der Freischütz, Overture, Op. 77 Carl Maria von Weber, 1932 **The Organ in Manitoba** James B. Hartman, 1997-12-15 Pipe organs were once a

central and sometimes hotly debated part of Manitoba's cultural life. The Organ in Manitoba portrays that history, the instruments, builders, players, and critics from the date of the earliest known installations to the 1990s and includes information on musical organizations such as the Royal Canadian College of Organists. It documents over a century of evolution and changes from concepts of tonal design to styles of musical commentary and tastes and includes an inventory of installations and specifications for over 100 organs. Well illustrated with photographs and excerpts from historical reviews and other documents, it will be of interest to musicians, teachers, and music, church, and cultural historians. The Phonoscope, 1898 **Programme** Boston Symphony Orchestra, 1915 **Flyer Forbes, Wilson, Holt, Peace** Burton D. Fisher, 2002-06-01 **Carl Maria von Weber** Joseph E. Morgan, 2014-09-11. Renowned music historian Philipp Spitta has written that of all the German musicians of the 19th century none has exercised a greater influence over his own generation and that succeeding it than Weber. Spitta's statement reflects Weber's popularity at the end of the nineteenth century both for his place as a foundational figure of German Romantic opera and for his role in the early German Nationalist movement in music. Indeed, Weber's *Der Freischütz* is still considered the first German Romantic opera enjoying a place of privilege in the modern operatic repertoire with performances held the world over and at least two cinematic productions. Despite its enormous popularity throughout the 19th century, however, Weber's swan song *Oberon* has remained separate from the mainstream thrust of our modern understanding of German Romantic opera. In *Carl Maria von Weber: Oberon and the Cosmopolitanism in the Early German Romantic*, music historian and theorist Joseph E. Morgan reassesses Weber's work and aesthetics not just for their influence but also as an expression of the aesthetics and cosmopolitanism that underlay the early Romantic and Nationalist movement in Germany. In a discussion with analyses that features nearly one hundred musical examples, Morgan tracks the development of Weber's musical style across his career. The investigation culminates with Weber's last and long misunderstood work, explaining its thematic and harmonic organization, its stylistic idiosyncrasies, and the tenuous place that it holds on the margins of the operatic canon. The discussion is enhanced and corroborated by frequent attention to correlating developments in other art from the period, including painting, poetry, and literature. This text will be of interest to students, scholars, and connoisseurs wishing to acquire a new insight on the performance, reception, and aesthetics of early German Romantic opera. Further, because of the interdisciplinary nature of the investigation, anyone researching the early Romantic and Nationalist movement in Germany will also certainly find valuable insights in this book. Hooked on Classics Kenneth A. Christensen, 2024-08-21. Drawing on his love and his own appreciation for classical music, Kenneth A. Christensen works to help educate and inspire fellow music lovers regarding numerous composers and their contributions to music throughout the years. Including composer biographies, suggested list of recordings, and music history, *Hooked on Classics* will surely help amateur music lovers to gain a better, firmer understanding of music. About the Author: Kenneth A. Christensen is a private music teacher and church soloist from Crystal Lake, IL. He has

won a Lifetime Achievement Award from Marquis Who's Who in America in 2020 He is a graduate of Crystal Lake South High School and McHenry County College in Crystal Lake IL and Elmhurst University in Elmhurst IL He has served as cantor and assistant choir director to St John's Lutheran Church in Algonquin IL and Shepherd of the Hills Lutheran Church in McHenry IL He is a prolific composer as well as the author of sixteen books
