Fremont Pathmarker Of The West:

Fremont, Pathmarker of the West Allan Nevins, 1992-01-01 One of the most controversial and romantic figures in American history John C Fremont experienced a dizzying succession of public triumphs and humiliations He made his name exploring the West surveying mapping and describing the Rockies the Great Basin and Oregon country Allan Nevins gives Fremont full credit for his achievements as a topographer soldier and politician while noting how often his rashness attracted enemies and led to his downfall to a court martial for disobeying orders during the Bear Flag Rebellion to a disastrous winter expedition in the San Juan Mountains to his defeat as the first presidential candidate of the Republican party to the loss of his Civil War command Through sickness and health poverty and wealth his wife the vivacious Jessie Benton Fremont stood by him Their enduring romance occupies much more than the background in this absorbing story of his life The dean of American historians Allan Nevins won the Pulitzer Prize for his biographies of Grover Cleveland and Hamilton Fish

historical works **Fremont, Pathmarker of the West** Allan Nevins,1961 From the Golden Gate to Mexico City Adrian George Traas,1993 **The Inside Man** Salvador A. Ramirez,2007 The Inside Man is the culmination of more than seventeen years of groundbreaking meticulous and exhaustive research into the life of this least known or understood of the Big Five who built the western end of the first transcontinental railroad Drawn from original sources most of which have hitherto been inaccessible or ignored by previous chroniclers thousands of pages of handwritten letters telegrams accounts from scores of newspapers archived around the country including biographical and historical works are brought to bear in this monumental account More than the biography of one individual this masterful account weaves within the narrative the many forces and competing issues faced by Mark Hopkins and his associates as well as the culture and mores of late nineteenth century California and their very personal struggles and conflicts Warhogs Stuart D. Brandes,1997-01-01 The author masterfully blends intellectual economic and military history into a fascinating discussion of a great moral question for generations of Americans Can some individuals rightly profit during wartime while other sacrifice their lives to protect the nation **The Journal of Education** ,1941 **The Mexican War, 1846-1848** Karl Jack Bauer,1992-01-01 Much has been written about the Mexican war but this is the best military history of that conflict Leading personalities civilian and military Mexican and American are given incisive and fair evaluations The coming of war is seen as unavoidable given American expansion and Mexican resistance to loss of territory compounded by the fact that neither side understood the other The events that led to war are described with reference to military strengths and weaknesses and every military campaign and engagement is explained in clear detail and illustrated with good maps Problems of large numbers of untrained volunteers discipline and desertion logistics diseases and sanitation relations with Mexican civilians in occupied territory and Mexican guerrilla operations are all explained as are the negotiations which led to war s end and the Mexican cession This is an outstanding contribution to military history and a model of writing which will be admired and emulated Journal of American History K Jack Bauer was also the author of Zachary Taylor Soldier Planter Statesman of the Old Southwest 1985 and Other Works Robert W Johannsen who introduces this Bison Books edition of The Mexican War is a professor of history at the University of Illinois Urbana and the author of To the Halls of Montezumas The Mexican War in the American Imagination 1985 **Proceeding's of the Military History Symposium, USAF Academy** United States. Air Force,1978 **The American Military on the Frontier** James P. Tate,1978 *Fighting Politician* Fred Harvey Harrington,2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Immersed in Great Affairs** Gerald L. Fetner,2012-02-01 Immersed in Great Affairs is the first book length biography of noted historian and journalist Allan Nevins In a career that spanned nearly three quarters of

the twentieth century Nevins won two Pulitzer Prizes helped draft John F Kennedy s acceptance speech at the 1960 Democratic National Convention composed the monumental eight volume history of the American Civil War Ordeal of the Union and associated with among others Adlai Stevenson Walter Lippmann Arthur Schlesinger Sr Charles Scribner Abraham Flexner and John D Rockefeller Jr This book traces his beginnings as a journalist in the early 1900s with the New York Evening Post and the New York World through his years as a contributor to the New York Times Magazine Nevins not only influenced thoughtful general readers through his articles editorials and reviews but also made a lasting impression on the writing of American history and nurtured a whole generation of young scholars as DeWitt Clinton Professor of History at Columbia University A narrative historian in an age of growing reliance on social science concepts and theories Nevins remained committed to telling a story and to using history to teach moral lessons The Mexican War US Army Military History Research Collection, Elizabeth R. Snoke, 1973 *Lost Worlds of 1863* W. Dirk Raat, 2021-12-16 A comparative history of the relocation and removal of indigenous societies in the Greater American Southwest during the mid nineteenth century *Lost Worlds of 1863 Relocation and Removal of American Indians in the Central Rockies and the Greater Southwest* offers a unique comparative narrative approach to the diaspora experiences of the Apaches O odham and Yaqui in Arizona and Sonora the Navajo and Yavapai in Arizona the Shoshone of Utah the Utes of Colorado the Northern Paiutes of Nevada and California and other indigenous communities in the region Focusing on the events of the year 1863 W Dirk Raat provides an in depth examination of the mid nineteenth century genocide and devastation of the American Indian Addressing the loss of both the identity and the sacred landscape of indigenous peoples the author compares various kinds of relocation between different indigenous groups ranging from the removal and assimilation policies of the United States government regarding the Navajo and Paiute people to the outright massacre and extermination of the Bear River Shoshone The book is organized around detailed individual case studies that include extensive histories of the pre contact Spanish and Mexican worlds that created the context for the pivotal events of 1863 This important volume Narrates the history of Indian communities such as the Yavapai Apache O odham and Navajo both before and after 1863 Addresses how the American Indian has been able to survive genocide and in some cases thrive in the present day Discusses topics including Indian slavery and Lincoln s Emancipation Proclamation the Yaqui deportation Apache prisoners of war and Great Basin tribal politics Explores Indian ceremonial rites and belief systems to illustrate the relationship between sacred landscapes and personal identity Features sub chapters on topics such as the Hopi Navajo land controversy and Native American boarding schools Includes numerous maps and illustrations contextualizing the content for readers *Lost Worlds of 1863 Relocation and Removal of American Indians in the Central Rockies and the Greater Southwest* is essential reading for academics students and general readers with interest in Western history Native American history and the history of Indian White relations in the United States and Mexico **Stephen Long and American Frontier Exploration** Roger L. Nichols, 1995-04-01 Major Stephen H Long of the

United States Army was the most important government sponsored explorer in the decade after the War of 1812 He led three major and several minor expeditions up the Mississippi Missouri and Arkansas rivers and the Red River of the north as well as exploring the central and southern Plains the Front Range of the Rocky Mountains and the Great Lakes His companions included engineers cartographers Naturalists ethnologists and artists and they gathered a wealth of scientific military and artistic data about the interior of North America For years Long s expeditions have been overlooked or misunderstood here for the first time they are placed in the context of American scientific development [Encyclopedia of Media and Propaganda in Wartime America](#) Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America s conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years [Staten Island](#) Daniel C. Kramer, Richard M. Flanagan, 2012-05-04 Staten Island is New York City s smallest yet fastest growing borough a conservative suburban community of nearly a half a million on the fringe of the nation s most liberal global city Staten Island Conservative Bastion in a Liberal City chronicles how this forgotten borough has grappled with its uneasy relationship with the rest of the City of New York since the 1920s Daniel C Kramer and Richard M Flanagan analyze the politics behind events that have shaped the borough such as the opening of the Verrazano Bridge and the closure of the Fresh Kills Landfill Lost opportunities are discussed including the failure to construct a rail link to the other boroughs of New York to adequately plan for the explosive housing boom in recent decades and some say to create an independent City of Staten Island Unlike much of New York City Staten Island is a place with robust party competition and lively democratic politics with hard fought campaigns bitter feuds and career ending scandals Staten Island s two most successful politicians of the twentieth century Republicans John Marchi and Guy Molinari defended the borough s interests while defining an urban conservatism that would influence politics elsewhere In fact Staten Island has played a pivotal role in the winning electoral coalitions of Republican mayors Rudy Giuliani and Michael Bloomberg and continues to spark the imaginations of New Yorkers on a scale

that is disproportionate to the borough's relatively small size Staten Island Conservative Bastion in a Liberal City will allow readers to gain access to the borough-based roots of New York City's politics This book will be of special interest to anyone who wishes to understand the dynamics of middle class life and democratic representation in a global city
