## **Fremont's Greatest Western Exploration The Dalles To Pyramid Lake:**

**Fremont's Greatest Western Exploration: The Dalles to Pyramid Lake** John Charles Frémont, John Lawrence Stewart, 1999 This Report to the Congress detailed Fremont's expedition of 1843-44. It is written in his own words with the present author's comments, clarifications, and detailed maps. The original was made highly readable through the efforts of Fremont's collaborator and young wife Jessie. The path from Kansas to the Columbia River is mostly in the present author's words. From the Dalles to Fort Vancouver and return is in Fremont's words. Although not first to follow this route, his observations are nevertheless descriptive and original. The route south from the Dalles covered unknown territory, meeting Indians who may not previously have seen white men. He passed through the Klamath Marsh. He then turned east to Winter Ridge, Summer Lake, and on the Lake Abert, all of which he named. He turned south through western Nevada to Pyramid Lake, which he also named, with a sumptuous feast on salmon trout with Indians. Volume 2 describes travels from there past Reno and Carson City and over the Sierra at Carson Pass south through the central California valleys over the Tehachapi pass to the desert through Las Vegas and up the Virgin River into Utah and Utah Lake, where we end the word-for-word commentary. His principal aid and confidant was Christopher Kit Carson, whose enduring fame was largely the result of this particular expedition.

**Historical Sources on Westward Expansion** Chet'la Seabee, 2019-12-15 Although British colonist William Bradford once called America a hideous and desolate wilderness, that type of sentiment did not keep colonists and future Americans from pressing westward to discover new lands, new riches, and new perils. Students will learn about famous and lesser-known explorers who traversed the great expanse. Through a variety of primary source documents, readers will learn how the expansion affected not only the establishment of the country but international relationships and indigenous populations. Students gain a fuller understanding of the costs and benefits of Manifest Destiny. Memoirs of My Life by John Charles Frémont. Including in the Narrative Five Journeys of Western Exploration, During the Years 1842, 1843-4, 1845-6-7, 1848-9, 1853-4. Together with a Sketch of the Life of Senator Benton, in Connection with Western Expansion. By Jessie Benton Frémont. A Retrospect of Fifty Years Covering the Most Eventful Periods of Modern American History. With Maps and Colored Plates. Vol. 1 John Charles Frémont, 1887 *The exploring expedition to the Rocky Mountains, Oregon and California* John Charles Frémont, 1851 *Popular Science*, 1901-03 *Popular Science* gives our readers the information and tools to improve their technology and their world. The core belief that *Popular Science* and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
