

The French Communist Party during the Fifth Republic

A Crisis of Leadership and Ideology

Gino G. Raymond

French Communist Party In The Fifth Republic

David Scott Bell, Byron Criddle

French Communist Party In The Fifth Republic:

The French Communist Party in the Fifth Republic David Scott Bell, Byron Criddle, 1994 This up to date analysis of the French Communist Party sees it as an entirely unconventional political force not a normal party vying for office but a Leninist bureaucracy armed with an apocalyptic mission to deliver humanity from capitalism Its interests have been defined as part of an outpost of a world revolutionary movement and whilst its strategies may have varied they have done so in order to serve Soviet foreign policy purposes D S Bell and Byron Criddle trace the history of the Communist Party in France from its origins They focus in particular on the period since 1958 and explore the Party s unique organizational structures and international loyalties They examine structure and ideology relations with the Socialist party electoral performance and the 1980 s decline in the Party s fortunes This study will be essential reading for all students of contemporary French history and politics

French Political Parties Under the Fifth Republic Frank Lee Wilson, 1982 *The French Left and the Fifth Republic* John Gaffney, 1989-02-06 An examination of the ways in which the French Left adapted through a series of transformations to the exigencies of presidentialism and the myths which underpin it The study aims to illustrate the crucial role played by language in the political practice of representative democracy **The French Communist Party During the Fifth Republic** Gino G. Raymond, 2005-08-10 The demise of the French Communist Party PCF has been a recurrent feature of overviews of the

Left in France for the past two decades and yet the Communists survive This study examines the factors that undermined the position of the PCF as the premier party of France but also highlights the challenges that the party faces in a society disillusioned with politics and the new strategies that it is developing in order to revive its fortunes *Political Parties and Elections in the French Fifth Republic* J. R. Frears, 1977 *The French Communist Party During the Fifth Republic* Gino G. Raymond, 2005-08-10 The demise of the French Communist Party PCF has been a recurrent feature of overviews of the Left

in France for the past two decades and yet the Communists survive This study examines the factors that undermined the position of the PCF as the premier party of France but also highlights the challenges that the party faces in a society disillusioned with politics and the new strategies that it is developing in order to revive its fortunes *The French Communist Party* Maxwell Adereth, 1984 The French Socialist and Communist Party Under the Fifth Republic, 1958-1981 Wayne Northcutt, 1985 *Louis Althusser and the Traditions of French Marxism* William Lewis, 2005-10-17 Throughout the

course of the twentieth century communism has enjoyed direct competition with all other governmental and economic systems Often communist countries produced their own special brand of party intellectual These figures rightly occupied their place within their own national context and within the context of the International Some communist intellectuals through the high level of erudition exhibited in their writing have received a wider reception despite their direct linkage to party politics e g Antonio Gramsci Georg Lukacs and Victor Serge are good examples After 1956 when Krushchev exposed Stalin s atrocities to the Twentieth Congress of the Communist Party of the Soviet Union and as a result to the entire world

Marxist philosophy was widely discredited. It had been assumed that Stalin's excesses were somehow encouraged or supported through Marx's thought. When in the mid 1960s Louis Althusser first offered his re-readings of Marx's philosophy, it and communist political practice were in ruin. However, Althusser was in a unique cultural and historical position. Thinking and writing concomitant with the structuralists and poststructuralists in France and also having access to certain theoretical tools while simultaneously committing himself entirely to Marxist thought, Althusser was conceivably the last of his tradition. He was a Marxist philosopher who, unlike Sartre at the end of his life, did not abandon communism for, for instance, existentialism.

In *Louis Althusser and the Traditions of French Marxism*, William Lewis gives readers a striking example of intellectual biography and critical theory. His approach, considering the work and life of Althusser within French Marxism and French intellectual culture, fills a void in contemporary scholarship. But much more importantly, Lewis is able to show how Althusser's thought is the result of and a response to specific French intellectual and political traditions of reading Marx. It is through this combination of concerns.

Historical Dictionary of France Gino Raymond, 2008-10-23. From the construction of Notre Dame and the Eiffel Tower to the Fall of the Bastille and the Declaration of the Rights of Man and the Citizen to Napoleon Bonaparte's defeat at Waterloo to Albert Camus, *L'Étranger* and the existentialism of Jean-Paul Sartre, France has been a part of some of the greatest and most memorable events in human history. Author Gino Raymond relates the history of these events in the second edition of the *Historical Dictionary of France*. Through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on kings, politicians, authors, architects, composers, artists, and philosophers, a thorough history of France is presented.

One Hundred Years of History of the French Communist Party Roger Martelli, Jean Vigreux, Serge Wolikow, 2022-09-14. The Communist Party appeared a hundred years ago on the French political and social scene. According to opinions and moments, it has been the party of Moscow, of those shot of the working class, of the union of the left, the party of the foreigner, or that of the nation. It has been underground, in government, in town halls, in factories, or in the streets. Some considered it too revolutionary, others not enough. More than others, it aroused passions, positive or negative. It attracted many and repelled just as many. After the fall of the USSR, it decided to remain a communist party while many others gave it up. But it no longer has the place it once had in reality as in the imagination. This book does not intend to judge but to provide keys to understanding. It is based on a considerable number of archives that are now available and is an ordered and distanced look at an object that is not lacking in complexity and no doubt even in mystery. This book has been translated from French to English thanks to a financial help from the Gabriel Péri Foundation and the LIR3S UMR Cnrs 7366 of Dijon.

Political Handbook of the World 2018-2019 Tom Lansford, 2019-03-19. The *Political Handbook of the World* provides timely, thorough, and accurate political information with more in-depth coverage of current political controversies than any other reference guide. The updated 2018-2019 edition will continue to be the most authoritative source for finding complete facts and analysis on each country's governmental and

political makeup Compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including Elections across Europe Referendum in Ireland Rohingya genocide in Myanmar The Venezuelan dictatorship The renaming of Swaziland to eSwatini Qatar diplomacy changes Historic meeting between the United States and North Korea Establishment of a new governing coalition in Liberia

The French Communist Party, Nuclear Weapons, and National Defense Raymond E. Burrell, 1979 **The French Polity** William Safran, 2015-10-05 Focusing on the interplay between individual and institutions The French Polity is the most current and comprehensive text for introducing students to the changing and enduring characteristics of the French political scene It combines historical perspective and contextual information on French society to clearly explain the evolution and health of this country political institutions process and culture Throughout William Safran a leading area studies expert goes beyond description to offer original analyses of French politics The Sword and the Shield Christopher Andrew, 2000-08-29 The Sword and the Shield is based on one of the most extraordinary intelligence coups of recent times a secret archive of top level KGB documents smuggled out of the Soviet Union which the FBI has described after close examination as the most complete and extensive intelligence ever received from any source Its presence in the West represents a catastrophic hemorrhage of the KGB s secrets and reveals for the first time the full extent of its worldwide network Vasili Mitrokhin a secret dissident who worked in the KGB archive smuggled out copies of its most highly classified files every day for twelve years In 1992 a U S ally succeeded in exfiltrating the KGB officer and his entire archive out of Moscow The archive covers the entire period from the Bolshevik Revolution to the 1980s and includes revelations concerning almost every country in the world But the KGB s main target of course was the United States Though there is top secret material on almost every country in the world the United States is at the top of the list As well as containing many fascinating revelations this is a major contribution to the secret history of the twentieth century Among the topics and revelations explored are The KGB s covert operations in the United States and throughout the West some of which remain dangerous today KGB files on Oswald and the JFK assassination that Boris Yeltsin almost certainly has no intention of showing President Clinton The KGB s attempts to discredit civil rights leader in the 1960s including its infiltration of the inner circle of a key leader The KGB s use of radio intercept posts in New York and Washington D C in the 1970s to intercept high level U S government communications The KGB s attempts to steal technological secrets from major U S aerospace and technology corporations KGB covert operations against former President Ronald Reagan which began five years before he became president KGB spies who successfully posed as U S citizens under a series of ingenious disguises including several who attained access to the upper echelons of

New York society **European Political Parties** Stanley Henig, John Pinder, 2025-09-12 European Political Parties 1969 looks at the parties of Western Europe on a country by country basis examining their roles in the increasing political integration in the European Economic Community The party system is described with a structural functional analysis of individual parties Particular emphasis is given to the relationship between the parties and their respective parliamentary groups and between leaders and members **Léon Blum** Joel Colton, 1987 John Colton is a meticulous researcher and a fine craftsman In his political biography of Leon Blum these two qualities are beautifully blended none of the available evidence appears to have been over looked and the enormous mass of variegated material has been transmuted in a polished richly tapestried and absorbing narrative *Cote D'Ivoire Foreign Policy and Government Guide Volume 1 Strategic Information and Developments* IBP USA, Unpublished Research on Western Europe, Completed and in Progress United States Department of State. External Research Division, 1961 Beginning in 1954 Apr issue lists studies in progress Oct issue completed studies External Research United States. Department of State. External Research Division,
