Staff,Sylviane Nouschi,Peter Vogelpoel,1994

Critique of Everyday Life: Foundations for a sociology of the everyday Henri Lefebvre,1991 Henri Lefebvre s three volume Critique of Everyday Life is perhaps the richest most prescient work by one of the twentieth century s greatest philosophers The first volume presented an introduction to the concept of everyday life Written twenty years later this second volume attempts to establish the necessary formal instruments for analysis and outlines a series of theoretical categories within everyday life such as the theory of the semantic field and the theory of moments The moment at which the book appeared 1961 was significant both for France and for Lefebvre himself he was just beginning his career as a lecturer in sociology at Strasbourg and then at Nanterre and many of the ideas which were influential in the events leading up to 1968 are to be found in this critique In its impetuous often undisciplined prose the reader may catch a glimpse of how charismatic a lecturer Lefebvre must have been Encyclopedia of Modern French Thought Christopher John Murray,2013-01-11 In this wide ranging guide to twentieth century French thought leading scholars offer an authoritative multi disciplinary analysis of one of the most distinctive and influential traditions in modern thought Unlike any other existing work this important work covers not only philosophy but also all the other major disciplines including literary theory sociology linguistics political thought theology and more **Between the Local and Global: Motorized Vehicles and Everyday Life in Early French Colonial Fez, Morocco (1912-1930s)** Colette Apelian, Ph.D.,2015-01-29 An essay on the history of automobiles in early twentieth century Fez Morocco Critique of Everyday Life, Vol. 1 Henri Lefebvre,2008-02-17 Henri Lefebvre s magnum opus a monumental exploration of contemporary society Henri Lefebvre s three volume Critique of Everyday Life is perhaps the richest most prescient work by one of the twentieth century s greatest philosophers Written at the birth of post war consumerism the Critique was a philosophical inspiration for the 1968 student revolution in France and is considered to be the founding text of all that we know as cultural studies as well as a major influence on the fields of contemporary philosophy geography sociology architecture political theory and urbanism A work of enormous range and subtlety Lefebvre takes as his starting point and guide the trivial details of quotidian experience an experience colonized by the commodity shadowed by inauthenticity yet one which remains the only source of resistance and change This is an enduringly radical text untimely today only in its intransigence and optimism Vichy France and Everyday Life Lindsey Dodd,David Lees,2018-06-28 This wide ranging volume brings together a blend of experienced and emerging scholars to examine the texture of everyday life for different parts of the wartime French population It explores

systems of coping means of helping one another confrontations with people or events and the challenges posed to and by Vichy's National Revolution during this difficult period in French and European history The book focuses on human interactions at the micro level highlighting lived experience within the complex social networks of this era as French civilians negotiated the violence of war the restrictions of Occupation the shortages of daily necessities and the fear of persecution in their everyday lives Using approaches drawn mostly from history but also including oral history film gender studies and sociology the text peers into the lives of ordinary men women and children and opens new perspectives on questions of resistance collaboration war and memory it tells some of the stories of the anonymous millions who suffered coped laughed played and worked either together at home or far apart in towns and villages across Occupied and Vichy France Vichy France and Everyday Life is a crucial study for anyone interested in the social history of the Second World War or the history of France during the twentieth century

*Returns of the French Freud:* Todd Dufresne,2013-12-19 Creating a snapshot of current thinking about psychoanalysis this lively collection examines the legacy of Freud and Lacan Through provocative and penetrating arguments the contributors take psychoanalysis to task for its dark view of human nature theoretical sorcery devaluation of femininity self referentiality discipleship negativity ignorance of history and more The essays also examine the complex relationships between Freudian and Lacanian theory and philosophy feminism anthropology communications theory deconstruction Foucauldian genealogy and medical history The outstanding list of contributors includes Paul Roazen Francois Roustang John Forrester Rodolphe Gasche Mikkel Borch Jacobsen and Jacques Derrida

*What's France got to do with it?* Juliana de Nooy,2020-07-30 While only one book length memoir recounting the sojourn of an Australian in France was published in the 1990s well over 40 have been published since 2000 overwhelmingly written by women Although we might expect a focus on travel intercultural adjustment and communication in these texts this is the case only in a minority of accounts More frequently France serves as a backdrop to a project of self renovation in which transplantation to another country is incidental hence the question What s France got to do with it The book delves into what France represents in the various narratives its role in the self transformation and the reasons for the seemingly insatiable demand among readers and publishers for these stories It asks why these memoirs have gained such traction among Australian women at the dawn of the twenty first century and what is at stake in the fascination with France

Symbolic Interaction Larry T. Reynolds,Nancy J. Herman,1994-01-01 This reader shows the rich history and wide contemporary application of symbolic interaction theory

**Feminist Narratives and the Sociology of Religion** Nancy Nason-Clark,Mary Jo Neitz,2001 In 14 essays US and Canadian sociologists of religion cultivate the growing gender and feminist consciousness in their profession and challenge established scholars and graduate students to be cognizant of it They combine biography and scholarly pursuits academic rigor and personal passion There is no index c Book News Inc

**French Festivals and Traditions KS3** Nicolette Hannam,Michelle Williams,2016-10-20 This invaluable time saving resource provides intercultural ideas for every month of the year For each festival and tradition you will find background information key vocabulary detailed lists of possible teaching activities and optional pupil sheets Ideas range from making

cards and reading writing poems to playing game and cooking traditional recipes **French Festivals and Traditions** Nicolette Hannam,Michelle Williams,2010-12-14 This invaluable time saving resource provides intercultural ideas for every month of the year For each festival and tradition you will find background information key vocabulary detailed lists of possible teaching activities and optional pupil sheets Ideas range from making cards and reading writing poems to playing game and cooking traditional recipes **Lefebvre, Love and Struggle** Rob Shields,2005-07-22 Lefebvre Love and Struggle provides the only comprehensive guide to Lefebvre s work It is an accessible introduction to one of the most significant European thinkers of the twentieth century Rob Shields draws on the full range of Lefebvres writings including many previously untranslated and unpublished works and correspondence Topics covered include Lefebvre s early relationship with Marxism his critique of the rise of fascism as well as his Critique of Everyday Life and the significant work on urban space for which he is best known today **The Critique of Work in Modern French Thought** Alastair Hemmens,2019-04-26 What is work Why do we do it Since time immemorial the answer to these questions from both the left and the right has been that work is both a natural necessity and barring exploitation a social good One might criticise its management its compensation and who benefits from it the most but never work itself never work as such In this book Alastair Hemmens seeks to challenge these received ideas Drawing on the new critique of value school of Marxian critical theory Hemmens demonstrates that capitalism and its final crisis cannot be properly understood except in terms of the historically specific and socially destructive character of labour It is from this radical perspective that Hemmens turns to an innovative critical analysis of the rich history of radical French thinkers who over the past two centuries have challenged the labour form head on from the utopian socialist Charles Fourier who called for the abolition of the separation between work and play and Marx s wayward son in law Paul Lafargue who demanded The Right to Laziness 1880 to the father of Surrealism Andr Breton who inaugurated a war on work and of course the French Situationist Guy Debord author of the famous graffiti never work Ultimately Hemmens considers normative changes in attitudes to work since the 1960s and the future of anti capitalist social movements today This book will be a crucial point of reference for contemporary debates about labour and the anti work tradition in France
