*The History of the French Foreign Legion* David

Jordan, 2005 This text presents a a fascinating journey into a military unit which is unique in the history of men at arms the French Foreign Legion It reveals the facts and reality behind this unit and its history in combat is descibed in full from its use in the conquest of Algeria in the 1840s to its role in the war against terrorism today

*Voices of the Foreign Legion* Adrian D. Gilbert, 2014-07-01 The French Foreign Legion has built a reputation as one of the world s most formidable and colorful military institutions Established as a means of absorbing foreign troublemakers the Legion spearheaded French colonialism in North Africa during the nineteenth century Accepting volunteers from all parts of the world the Legion acquired an aura of mystery and a less than enviable reputation for extreme brutality within its ranks *Voices of the Foreign Legion* explores how the Legion selects its recruits their native lands and why these warriors seek a life full of hardship and danger It analyzes the Legion s brutal attitude toward discipline questions why desertion has been a perennial problem and assesses the Legion s remarkable military achievements since its formation in the year 1831 This is the real story of the Legion featuring firsthand accounts from the men who have fought in its ranks Its scope ranges from the conquest of the colonies in Africa and the Far East through the horrors of the two world wars to the bitter but ultimately hopeless battle to maintain France s far flung imperial possessions The story is brought fully up to date with accounts and anecdotes from those contemporary foreign legionnaires who continue to fight for French interests around the globe Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

**The New Legions** Edward B. Atkeson, 2011-11-23 Major General Ret Edward B Atkeson decries the decade long campaign the United States has undertaken in the wake of 9 11 and offers a broad plan for global protection of American interests He proposes shifting the military burden to friendly indigenous

fighters recruited trained and equipped under United States leadership for operation in their native environments Atkeson finds ample precedent for the effectiveness of similar legions of fighters He lays out how such a program would work and shows how these legions could help the United States achieve its global objectives in a more cost effective way *The Paras - The Inside Story of Britain's Toughest Regiment* John Parker,2012-08-06 Since their foundation during the Second World War the Parachute Regiment has acquired a formidable reputation as tough fearless soldiers The Red Devils have played a key role in many of the battles of the past sixty years the capture of Sicily the D Day landing the heroic but doomed attempt to capture the bridge at Arnhem In the so called years of peace since the Second World War the Paras have seen action all over the world from Cyprus Palestine Egypt Borneo and the Falklands to Bosnia Their service in Northern Ireland has been surrounded by controversy the events of Bloody Sunday in Londonderry in 1972 are still the subject of fierce debate and a continuing government inquiry For his authoritative book John Parker has gathered together the testimony of numerous veterans of the Parachute Regiment Their first hand accounts of the major events in their history bring home the reality and cruelty of combat The events of Bloody Sunday are seen through their eyes and will re ignite the controversy over what actually happened *Professional Journal of the United States Army* ,1985 **Military Review** ,1994 **Quicklet on**
