Nietzsche, Freud, Benn, and the Azure Spell of Liguria Martina Kolb, 2013-06-18 The Mediterranean region of Liguria where the Maritime Alps sweep down to the coasts of northwest Italy and southeast France the Riviera marks the intersection of two of Europe's major cultural landscapes Remote liminal compact and steep the terrain has influenced many international authors and artists In this study Martina Kolb traces Liguria's specific impact on the works of three seminal German writing modernists Friedrich Nietzsche Sigmund Freud and Gottfried Benn whose encounters with Ligurian lands and seas led to an innovative geopoetic fusion of word and world Kolb examines each of these authors acquired affinities with Ligurian and Provençal landscapes and seascapes revisiting and reassessing the long tradition of northern longing for a Mediterranean south She also shows how Freud and Benn followed in the footsteps of Nietzsche in his most prolific years a topic which has received little critical attention to date Nietzsche Freud Benn and the Azure Spell of Liguria offers a fresh approach to these writers groundbreaking literary achievements and profound interest in poetic expression as cathartic self liberation

The Janice H. Levin Collection of French Art Richard Shone, Metropolitan Museum of Art (New York, N.Y.), 2002 Levin these objects were enjoyed almost exclusively by her private circle of family and friends in the domestic sphere of her New York apartment Some of the works have never before or rarely been published and many have not been exhibited in decades The exhibition at the Metropolitan Museum of Art New York for which this publication is the accompanying catalogue is thus the first opportunity for the public to enjoy the abundant fruits of Mrs

Visions of Modern Art Museum of Modern Art (New York, N.Y.), 2003 Nicole Alexander's new bestseller is a sweeping rural saga spanning two generations In 1923 nineteen year old Jack Manning watches the construction of the mighty Harbour Bridge and dreams of being more than just a grocer's son So when he's offered the chance to manage Absolution Creek a sheep property 800 miles from Sydney he seizes the opportunity But outback life is tough particularly if you're young inexperienced and have only a few textbooks to guide you Then a thirteen year old girl Squib Hamilton quite literally washes up on his doorstep setting in motion a devastating chain of events Forty years later and Cora Hamilton is waging a constant battle to keep Absolution Creek in business She's ostracized by the local community and hindered by her inability to move on from the terrible events of her past which haunt her both physically and emotionally Only one man knows what really happened in 1923 A dying man who is riding towards Absolution Creek seeking his own salvation From the gleaming foreshores of Sydney Harbour to the vast Australian outback this is a story of betrayal and redemption and of an enduring love which defies even death
