Desiring India: Representations through British and French Eyes 1584-1857 Niranjana Goswami, 2020-01-01 The reception and construction of the image of India by the Western in particular French German and English travellers writers and thinkers is the theme of this volume a collection of twelve essays by academics from sundry parts of the globe Giving a new twist to Indological philological or postcolonial understanding of travel narratives the authors here attempt to give fresh impetus to the discovery of India story from perspectives of cultural history historiography ethnography material culture economic modes of production fictional travel epistolary discourse theatrical representation of widowhood women in the Mutiny feminist reading of the Mughal court colonial painting and classical music Circumscribed by the dates of the arrival of Ralph Fitch the first English traveller and the Mutiny the first War of Indian Independence this anthology revives an interest in the early modern to the colonial appropriation of India in the Western imaginary *Glittering Decades* Nayantara Pothan, 2012-01-30 New Delhi was purpose built to trumpet the supremacy of the British Raj and inaugurated in 1931 Instead it came to represent a fading imperial dream in the two decades that followed In the heyday of the British Raj strict social and racial hierarchies governed the social life of the city's ruling elites And the frivolity of New Delhi's high society was kept in check by a faithful adherence to etiquette and protocol in everyday life For example the sixteen button glove at a formal viceregal dinner party was of great importance as a means of maintaining the authority of the Raj But the 1930s and 1940s were a period of transition The political shifts associated with India's journey to self government echoed in the social codes of conduct adopted by the Indian elites of New Delhi and undermining the Raj's pomp became a legitimate means of challenging its authority Closely examining the role of social ritual interaction and behaviour in the shaping of the city and its elite groups *Glittering Decades* tells the story of New Delhi and its privileged inhabitants between 1931 and 1952 *The Simple Adventures of a Memsahib* Sara Jeannette Duncan, 1893 **Sahibs who Loved India** Khushwant Singh, 2008 Thus We Both Were Tied To India With Every Possible Bond Of Memory And Affection Which Clearly Played An Important Part In Our Lives As The Last Viceroy And Indeed When I Stayed On As The First Governor General Of The Independent Country Of India Lord Mountbatten A Rare Collection Of Essays That Invites The Reader To Revisit A Vanished Era Of Sahibs And Memsahibs From Lord Mountbatten To Peggy Holroyde To Maurice And Taya Zinkin Britishers Who Lived And Worked In India Reminisce About Topics And Points Of Interest As Varied As The Indian Civil Service And The Roshanara Club Shikar And Hazri The Amateur Cine Society Of India And The Doon School Rudyard Kipling And Mahatma Gandhi Selected From A Series Of Articles Commissioned By Khushwant Singh When He Was The Editor Of The Illustrated Weekly Of India These Delightfully Individualistic And Refreshingly Candid Writings Reveal A Fascinating Array Of British Attitudes Experiences Observations Fond Memories The Occasional Short Lived Grouses And Above All A Deep And Abiding Affection And Respect For India *The British in India* David Gilmour, 2018-11-13 An immersive portrait of the lives of the British in India from the

seventeenth century to Independence Who of the British went to India and why We know about Kipling and Forster Orwell and Scott but what of the youthful forestry official the enterprising boxwallah the fervid missionary What motivated them to travel halfway around the globe what lives did they lead when they got there and what did they think about it all Full of spirited illuminating anecdotes drawn from long forgotten memoirs correspondence and government documents The British in India weaves a rich tapestry of the everyday experiences of the Britons who found themselves in the jewel in the crown of the British Empire David Gilmour captures the substance and texture of their work home and social lives and illustrates how these transformed across the several centuries of British presence and rule in the subcontinent from the East India Company's first trading station in 1615 to the twilight of the Raj and Partition and Independence in 1947 He takes us through remote hill stations bustling coastal ports opulent palaces regimented cantonments and dense jungles revealing the country as seen through British eyes and wittily reveling in all the particular concerns and contradictions that were a consequence of that limited perspective The British in India is a breathtaking accomplishment a vivid and balanced history written with brio elegance and erudition **French Memsahib** Taya Zinkin,1989 Memsahib's Writings Indrani Sen,2008 The white women of colonial India wrote extensively during their years of residence in India This anthology brings together a fascinating collection of such European women's narratives Mapped along the historical shifts that took place over the hundred year period the book captures the many facets and nuances of gender relations across racial divide Imaginatively organised around key sites of contact the narratives are arranged in fourteen thematic clusters This book will appeal to readers interested in gender and colonialism and the writings of the Raj Indian Horizons ,1990 **The Speedicut Papers Book 2 (1848-1857)** Christopher Joll,2017-12-11 Book 2 of The Speedicut Papers continues the first hand account of the life loves and adventures of Jasper Speedicut charmer sexual libertine and reluctant hero It is also a unique account of events in the British Empire and beyond comprising a series of linked adventures and anecdotes which when taken together comprise a fascinating insight into many of the half remembered or wholly forgotten events of the second half of the 19th century It is a matter of considerable regret to me that The Speedicut Papers were not available to me when I wrote my History of the English Speaking Peoples Sir Winston Churchill This book contains the only lucid explanation of the Schleswig Holstein question to which I've completely forgotten the answer Henry Temple 3rd Viscount Palmerston I was delighted to discover that like me Speedicut has committed every sin in the Decalogue Sir Richard Burton Having read this remarkable narrative I would swim the Hellespont to meet the man who wrote it George 6th Baron Byron Speedicut's adventures in Berlin have given me an idea for a book Bram Stoker **Bearing Witness** Sukeshi Kamra,2002 August 14 15 1947 reverberates with meaning for Indian and Pakistani people The date does more than mark the independence of India This momentous time marks the birth of two nation states India and Pakistan and is fixed in the memory of many as Partition and end of the Raj Bearing Witness attempts to nuance this historical moment by considering contemporary and post event responses to

Partition which Indians and Pakistanis have inherited as one of uncontested significance From testimonials and speeches by Jinnah and Nehru to fictional and non fictional accounts by Indians and the British and political cartoons that appeared in English newspapers at the time Kamra offers an inductive study of primary texts that have been ignored until now The book studies the three groups most affected by the events of 1947 the British for whom this was the beginning of exile the Indian elite for whom the moment was a rite of passage and the survivors of Partition for whom the event is inextricably linked with trauma and loss of home family and community Author Sukeshi Kamra asks Why do we not consider these valid and contesting readings in the teaching and learning of our history Not doing so means that testimonials to Partition such as narratives of trauma autobiographies as personal statements on a public moment and political cartoons as a minute by minute construction of history have yet to be considered

Finding Neema Juliet Reynolds,2013-07-20 *Finding Neema* is the singular story of an autistic boy of Nepali Tibetan ethnicity brought up by the author and her Indian husband It recounts the couple s unplanned adoption of Neema the son of their maid Poonam their efforts to have his autism diagnosed and treated and Neema s emergence into adulthood as a valuable though still dependent human being Delving into Neema s tormented early life and background the book touches upon some of the more lurid aspects of developing world poverty and introduces us to an assorted cast of characters some appealing and some appalling but all of them colourful Important too are the insights into autism which emerge from the writing Autism has become a burning issue of our times on account of its burgeoning incidence and of the many controversies surrounding it but there is very little writing on the subject outside the boundaries of the developed world Narrating Neema s story with compassion frankness and humour and interweaving it with reminiscences of her own unusual marriage and life Juliet Reynolds fills that gap

Across the Black Waters Mulk Raj Anand,2020-04-01 Across the Black Waters is widely rated as an outstanding novel It is a simple story about the ultimate futility and sorrow of war It is a journey not just from a small village in Punjab to Flanders from father to soldier field to front but from a soul that nurtures to one that kills Overlooking the claims of war classics like All Quiet on the Western Front the British Council selected and adapted this novel into a play to mark the 80th anniversary of the end of World War I The foremost of Indian novelists Daily Telegraph His descriptions of brutality match in compassion and outrage and perhaps also in poetic flair those of Wilfred Owen Siegfried Sasson or David Jones Alastair Niven British Literary Critic

Myth and Legend in French Literature Keith Aspley,David Bellos,Peter Sharratt,1982 **The Memsahibs** Pat Barr,2011-05-19 Thousands of British women lived in India during Victorian times They first went out as wives mothers sisters others followed as teachers doctors missionaries What they did and how they responded to their strange environment were seldom thought worthy of record and writers have handed down to us a fictional image of the typical memsahib as a frivolous snobbish and selfish creature flitting from bridge to tennis parties in the hills For the most part these clichés bear little resemblance to the truth many women loyally and stoically accepted their share of the responsibility with endurance courage and resilience This story is developed around a number of women who wrote in an entertaining and intelligent fashion about their Indian experiences starting with the arrival on the scene of one of the wittiest and cleverest of them all Emily Eden sister of Lord Auckland who was Governor General from 1836 to 1842 It ends with Maud Diver who maintained that the random assertion made by Kipling about the lower tone of social morality in India was unjust and untrue The dramatis personae of the book include Vicereines wives of Civil Servants and missionaries struggling to break down the subservience of women throughout the vast sub continent Through women's eyes we witness the principal historic events at the time the Afghan conflicts the Mutiny as well as the daily routines in very different cantonments and some of the British

personalities who made their mark on nineteenth century India Honoria Lawrence Flora Steel Lady Sale In this vivid account Pat Barr evokes the sights and smells of Victorian India its teeming masses its problems so impossible it seemed for Englishwomen to solve
