 Hugo s possible role as a grand master of the Priory of Sion During Victor Hugo s exile on the Isle of Jersey where he and his  
 family and friends escaped the reign of Napol on III he conducted table tapping s ances transcribing hundreds of channeled  
 conversations with entities from the beyond Among his discarnate visitors were Shakespeare Plato Hannibal Rousseau  
 Galileo Sir Walter Scott and Jesus According to the transcripts Jesus during his three visits condemns Druidism faults  
 Christianity and suggests a new religion with Hugo as its prophet To the skeptic some of the conversations may seem self

serving at best the subconscious wishes of the naïve participants But author John Chambers places Hugo's experiments firmly in the tradition of visionary literature and psychic exploration aligning those experiences with the poetry of William Blake the table tapping experiences of the Fox sisters and the channeled writings of the great modern day Pulitzer Prize winning poet James Merrill whose spirits utterances uncannily resemble those of Hugo's Hugo's transcriptions are the missing link between the early nineteenth century's fascination with the kabbalistic Zohar reincarnation and the writings of the Illuminati and the rise of spiritualism and the societies for the study of psychic phenomena in the latter nineteenth and early twentieth centuries
