**French Correspondence ...** ,1914 **Cassell's English and French Correspondence for Young Ladies, Etc. (Manuel de la Correspondance Française-anglaise, Etc.).** ,1868 **Cassell's English and French Correspondence, for Boys. (Manuel de la Correspondance Française-anglaise.).** ,1867 **The Life and Correspondence of Thomas Valpy French** Herbert Birks,1895 **The Life and Correspondence of Thomas Valpy French, First Bishop of Lahore** Herbert Alfred Birks,1895 **The English and French Letter-Writer, Or General Correspondent, Etc. To which are Added Fac-similes of the Autographs of Celebrated French Writers, Etc** Charles Camille CAILLARD,1860 **Elements of French Composition ...** Victor Kastner,1894 **French Revolutionaries in the Ottoman Empire** Pascal Firges,2017 The effects of the French Revolution reached far beyond the confines of France itself The Ottoman Empire ancient ally and major trading partner of France was not immune from the repercussions of the Age of Revolutions especially since it was home to permanent French communities with a certain legal autonomy French Revolutionaries in the Ottoman Empire examines for the first time the political and cultural impact of the French Revolution on Franco Ottoman relations as well as on the French communities of the Ottoman Empire The modern interpretation of revolutionary ideological expansionism is strongly influenced by the famous propaganda decree of 19 November 1792 which promised fraternity and help to all peoples who wish to recover their liberty as well as the well studied efforts to export the Revolution into the territories conquered by the revolutionary armies and to the various Sister Republics Against all expectations however French revolutionaries in the Ottoman Empire exhibited neither a crusading mentality nor a heightened readiness to use force in order to achieve ideological goals Instead as this volume shows in matters of diplomacy as well as in the administration of French expatriate communities revolutionary policies were applied in an extremely circumspect fashion The focus on the effects of the French regime change outside of France offers valuable new insights into the revolutionary process itself which will revise common assumptions about French revolutionary diplomacy In addition Pascal Firges takes a close look at the establishment of the new political culture of the French Revolution within the transcultural context of the French expatriate communities of the Ottoman Empire which serves as a thought provoking point of comparison for the emergence and development of French revolutionary political culture *Routledge Library Editions: The French Revolution* Various Authors,2022-07-30 The volumes in this set originally published between 1953 and 1992 discuss the causes and conditions which allowed the French Revolution to happen and its impact on wider European politics and society As well as charting key events in the revolution the conclusion discusses the significance of the French Revolution in the context of other revolutions in both the nineteenth and twentieth centuries One of the volumes discusses

whether the French Revolution is part of Germany's progressive tradition whilst others trace the growth of English radicalism and the growth of the French Press showing the importance of the emergence of provincial newspapers and examining the relationship of journalism with political power      **Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1881-1900** British Museum.
