**The French Revolution** Richard Cobb,1988      **THE FRENCH REVOLUTION** Colin Jones,1988      **The French Revolution** ,1988      **The French revolution** Richard Cobb,Colin Jones,1988      **The French Revolution 1787-1804** P. M. Jones,2014-09-11 The French Revolution can be seen as an enormous explosion of civic energy with huge ramifications for the rest of the world In this balanced and accessible account P M Jones Considers the build up of pressure between 1787 and 1789 as the power of the ancien r gime began to crumbleAnalyses the dramatic events that began with the taking of the Bastille in 1789 and led to the establishment of a radical new orderExamines the demise of the Republic in 1804 and assesses the wider significance of the revolutionary decade At the core of the Revolution lay the realisation among ordinary men and wom      Access to History: France in Revolution 4th Edition Duncan Townson,Dylan Rees,2008-05-30 The Access to History series is the most popular and trusted series for AS and A level history students The new editions combine all the strengths of this well loved series with a new design and features that allow all students access to the content and study skills needed to achieve exam success This is a new edition of France in Revolution and has been fully updated and extended to cover the 2008 AS and A2 specifications for all examination boards This title charts the long and short term causes of the French Revolution the political social and economic impact of the Revolution itself and the establishment of the Terror There is also an additional chapter on Napoleonic rule in France from 1799 1815 Throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined Summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips written by examiners for each examination board provide the opportunity to develop exam skills      Access to History: France in Revolution 1774-1815 Sixth Edition Dylan Rees,Duncan Townson,2019-07-08 Exam board AQA Pearson Edexcel OCR Level AS A level Subject History First teaching September 2015 First exams Summer 2016 AS Summer 2017 A level Put your trust in the textbook series that has given thousands of A level History students deeper knowledge and better grades for over 30 years Updated to meet the demands of today s A level specifications this new generation of Access to History titles includes accurate exam guidance based on examiners reports free online activity worksheets and contextual information that underpins students understanding of the period Develop strong historical knowledge in depth analysis of each topic is both authoritative and accessible Build historical skills and understanding downloadable activity worksheets can be used independently by students or edited by teachers for classwork and homework Learn remember and connect important events and people an introduction to the period summary diagrams timelines and links to additional online resources support lessons revision and coursework Achieve exam success practical advice matched to the requirements of your A level specification incorporates the lessons learnt from previous exams Engage with sources interpretations and the latest historical research students will evaluate a rich collection of visual and written materials plus key debates that examine the views of different historians

**The French Revolution and Its Legacy** Camil Francisc Roman, 2025-06-30 This book offers an interpretation of the French Revolution and modern democracy arguing that the revolution gave rise to a democratic power that is liminal by nature and therefore unlimited unaccountable on principle and the basis for a state religion of continuous transformation It demonstrates these claims by focusing on the universally adulated but little understood sacred motto *libert egalit fraternit* and on the sacrifice and role of Louis XVI in the revolution Analysing the revolutionary process by which representative democratic government took the shape of political metamorphosis the book shows that modern democracy does not represent the people but refers to the representation of representation and the existential condition of permanent displacement The present study will appeal to scholars from across the social political and human sciences with an interest in the French Revolution modern democracy political modernity contemporary politics and the history of art [The French Revolution and Napoleon](#) Philip Dwyer, Peter McPhee, 2024-06-25 This volume collects together a wide selection of primary texts that explain the processes behind the enormous changes undergone by France and Europe between 1787 and 1815 from the origins of the Revolution to the counterrevolution and from Marie Antoinette to Bonaparte The achievements terror and drama of the French Revolutionary and Napoleonic period restructured politics and society on a grand scale making this the defining moment for modern European history While bringing the impact of historical events to life Philip Dwyer and Peter McPhee provide a clear outline of the period through the selection of key documents lucid introductory passages and commentary They illustrate the meaning of the Revolution for peasants *sans culottes* women and slaves as well as placing events within a wider European and global context Students will find this an invaluable source of information on the Revolution and its international significance

**General Sir Ralph Abercromby and the French Revolutionary Wars, 1792-1801** Carole Divall, 2019-02-28 This biography of the Victorian era general and politician sheds light on Britain's military maneuverings against the First French Republic The French Revolutionary Wars of 1793-1801 were a critical turning point in the political and diplomatic history of Europe and Sir Ralph Abercromby played a leading role in the British military campaigns that were part of them In this absorbing and perceptive study Carole Divall throws new light onto Britain's position during the late eighteenth century focusing on its military affairs and the expeditionary forces led by Abercromby during the conflict After the convulsions of the French revolution the tension between Britain and France only grew British waged an economic war by attacking French colonial possessions and money and men were sent to campaign on the continent Abercromby was the most notable British general to exercise command of these expeditions and his actions and experiences are central to the narrative He led British forces during the disastrous campaign in Flanders achieved some success in St Lucia and Trinidad failed at Den Helder and finally triumphed in Egypt where he lost his life in 1801

**Political Thought in the Age of Revolution 1776-1848** Michael Levin, 2010-12-09 The years between the American Revolution of 1776 the French Revolution of 1789 and the European Revolutions of 1848 saw fundamental shifts from

autocracy to emerging democracy It is a vital period in what may be termed modernity that is of the western societies that are increasingly industrial capitalist and liberal democratic Unsurprisingly these years of stress and transition produced some significant reflections on politics and society This indispensable introductory text considers how a cluster of key thinkers viewed the global political upheavals and social changes of their time covering the work of Edmund Burke Georg Hegel Thomas Paine Alexis de Tocqueville Jeremy Bentham Karl Marx and Friedrich Engels Lively and approachable it is essential reading for anyone with an interest in modern history political history or political thought **Britain, 1750-1900** Chris Andrews, 2002 Companion packs of wirobound teachers resources plus full colour source cards which address the need for imaginative activities suitable for students of all abilities **Death in Ten Minutes** Fern Riddell, 2019-03-05 WOMEN WERE NEVER GIVEN THE RIGHT TO VOTE THEY TOOK IT BY FORCE BY ANY MEANS NECESSARY BUT WHY HAS THE RADICAL LEGACY OF THE SUFFRAGETTES BEEN ERASED FROM HISTORY In *Death in Ten Minutes* historian Fern Riddell uncovers the story of radical suffragette Kitty Marion told through never before seen personal diaries in Kitty's own voice In the early twentieth century women in the UK and the US were fighting for the vote using any means necessary Kitty Marion was sent on a mission by the family of Emmeline Pankhurst founders of the leading militant organization for women's suffrage in the UK to carry out a nationwide campaign of bombings and arson attacks in support of their goals Kitty's subsequent arrests and force feedings while in prison put her on a path of dedicated radical activism leading her across the ocean to New York City where she joined Margaret Sanger in advocating for birth control But in the aftermath of World War I the dangerous and revolutionary actions of Kitty and other militant suffragettes were quickly hushed up and disowned by the feminist movement and the women who carried out these attacks were erased from our history Now for the first time their untold story will be brought back to life **Parodies of the Romantic Age Vol 1** Graeme Stones, John Strachan, 2020-04-28 This volume collects together a wealth of material ranging from verse parodies originally published in pamphlet form to longer works such as P G Patmore's parodies of the works of Byron Lamb and Hazlitt [The French Revolution, 1787-1804](#) Peter Jones, 2003 This book the latest in the best selling Seminar Studies in History series provides readers with an accessible and succinct introduction to the French Revolution one of the most exciting and important periods in modern history The author examines the events leading up to the revolution the revolution itself and the aftermath The Assessment and Documents sections of the book will be particularly helpful for the reader to understanding the French Revolution For those interested in French History or the French Revolution [A Critical History of French Children's Literature](#) Penelope E. Brown, 2008-03-25 These books are the first full length comprehensive study written in English of French children's literature They provide both an overview of developments from the seventeenth century to the present day and detailed discussion of texts that are representative innovative or influential best sellers in their own time and beyond French children's literature is little known in the English speaking world and apart from a small number of writers and texts

has been relatively neglected in scholarly studies despite the prominence of the study of children's literature as a discipline. This project is groundbreaking in its coverage of a wide range of genres tracing the evolution of children's books in France from early courtesy books, fables and fairy tales to eighteenth century moral tales and educational drama, nineteenth century novels of domestic realism and adventure stories and contemporary detective fiction and fantasy novels. The discussion traces the relationship between children's literature and social change, revealing the extent to which children's books were informed by pedagogical, moral, religious and political agenda and explores the implications of the dual imperatives of instruction and amusement which have underpinned writing for young readers throughout the centuries. *Tropes of Revolution*

,2021-11-15 When the People Rule Ewa Atanassow, Thomas Bartscherer, David A. Bateman, 2023-11-09 In recent decades popular sovereignty has come under increasing pressure. The rise of populism, often illiberal or authoritarian, has undermined minority rights, individual autonomy and rule of law. The expansion of international institutions and greater reliance on market and non-governmental organizations have gradually insulated large areas of policymaking from public control. In turn, these developments cast doubt on the viability and desirability of liberal democracy itself. *When the People Rule* argues that comprehending and responding to the political crises of our time requires a radical refocusing on popular sovereignty. Each chapter offers a fresh perspective and opens new avenues of inquiry into popular sovereignty, advancing debate over the very heart of this principle: what it means for the people to rule. Thorough and timely, this volume is also available as Open Access on Cambridge Core. After Ancient Biography Robert Fraser, 2020-08-25 Marrying life writing with classical reception, this book examines ancient biography and its impact on subsequent ages. Close readings of ancient texts are framed by an assessment of their influence on the age of the French Revolution and Napoleon and on the nineteenth, twentieth and twenty-first centuries of responses to ancient biography of modern critics and of its visible legacy in art and film. Crucially, it asks what modern biographers can learn from their ancient predecessors. Are the challenges involved in life writing still the same? Have working methods changed and in what ways? What in the context of biographical writing is truth and how are its interests best served? How is it possible now as then honestly to convey a life? **The History of Modern France** Jonathan Fenby, 2015-07-02 With the defeat of Napoleon Bonaparte at the Battle of Waterloo in June 1815, the next two centuries for France would be tumultuous. Bestselling historian and political commentator Jonathan Fenby provides an expert and riveting journey through this period as he recounts and analyses the extraordinary sequence of events of this period from the end of the First Revolution through two others: a return of Empire, three catastrophic wars with Germany, periods of stability and hope interspersed with years of uncertainty and high tensions. As her cross-Channel neighbour Great Britain would equally suffer, France was to undergo the wrenching loss of colonies in the post-Second World War as the new modern world we know today took shape. Her attempts to become the leader of the European union is a constant struggle as was her lack of support for America in the two Gulf Wars of the past twenty years. Alongside this came huge social changes and cultural

landmarks but also fundamental questioning of what this nation which considers itself exceptional really stood and stands for That saga and those questions permeate the France of today now with an implacable enemy to face in the form of Islamic extremism which so bloodily announced itself this year in Paris Fenby will detail every event every struggle and every outcome across this expanse of 200 years It will prove to be the definitive guide to understanding France
