Michelin Green Guide to the French Riviera Michelin Travel Publications, 1986 The French Riviera Michael Nelson, 2016-11-07 The French Riviera A History ranges from the Terra Amata in Nice occupied from 380 000 years ago and one of the oldest inhabited prehistoric sites in the world through to settlement by Greeks Romans Franks Ostrogoths and Visigoths wars and revolutions to the establishment of the Silicon Valley of France in Sophia Antipolis in 1974 Michael Nelson shows the surprisingly cosmopolitan nature of the area in the early middle ages such as the story of the finishing school run by Frankish kings in the 7th century where Siagrius the ruler of the region had studied and where the son of King Edwin of Northumbria in England was also sent The Riviera was part of Provence in France for much of its history and was often a microcosm of France itself with many dynastic struggles and horrific blood letting Colour maps and plates illustrate The French Riviera A History and it is also full of fascinating anecdotes Examples include the loan of a guillotine by Nice to Grasse in the French Revolution Nice had no victims and Grasse had thirty and the occasion when Jean Moulin the leader of the French Resistance in World War II invited the Germans to the opening of an art gallery in Nice which he was using as a front In the nineteenth and twentieth century the British and Americans led tourism and the Riviera was described by Somerset Maugham as a sunny place for shady people The French Riviera A History is a fascinating look back over the Riviera's rich history Perfect to dip into or follow the whole historical journey in one sitting it will make the perfect addition to any history buff's bookcase

The French Property Buyer's Handbook Natalie Avella, 2004-06 This essential new book takes you through all the stages of buying a house and moving to France covering everything a non French person needs to know about Buying a house in France choosing the right area the different property styles looking for the right property dealing with property agents building your own house arranging finance for the purchase negotiating the property transaction Moving to France moving into your new house getting all the paperwork right opening bank accounts and tax health and the French social security system running a gîte business finding a job or starting a business in France Plus hundreds of tips and lots of advice on all those small matters that are key to making your purchase in France a success All this is explained in straight forward language supported by a wealth of tables contact details for further information and many case studies of people who have bought property in France Is this book for you The book is for anyone looking to buy a property in France to use as a holiday home to work from or to start a new life abroad It can be used as an active reference guide when on the ground in France getting up early for that 8am appointment with an immobilier But can also be used by
