**Bamboo Dreams** Vernon E. Brewer II, 2023-11-07 *Bamboo dreams* is the story of a young man socially bullied who is in love with a high school mate. Told she is too good for him, he observes how a tiny country in Southeast Asia is drawing America deeper into its civil war and he sees the war as a chance to become good enough for his unrequited love. He embarks to Vietnam as a Paratrooper assigned to an elite unit. While others do their best to get out of the jungle war, Dewey, as the other Paratroopers nick named him, does his utmost to stay in the jungle where he delves into the psychological abyss that exists in the form of Post Traumatic Stress Syndrome. He comes home wounded in mind and in body but feels finally worthy of his unrequited lover only to have a phone call from home while he lay in a military hospital telling him Karen had been murdered by a 14 year old child who beat her face in and raped her before strangling her with a venetian blind cord. Did you ever wonder where PTSD comes from? How it eats into the heart and mind of warriors. This book answers that question and many others about wounded warriors. A must read for all those family members of Veterans that take their stories to their graves.
