Fertile Ground: Parenting and Nature Mark Granlund, **Whatever Remains** Penny F. Graham, 2015-02-05 Whatever Remains is a true story The fall of Singapore is considered one of Britain's worst defeats of the Second World War For Penny Graham's father however it became a life changing opportunity to shed once and for all all of the shackles of a family he no longer wanted From 1942 onwards her parents would carry passports that gave them backgrounds that had nothing to do with reality In 2010 a recognised Australian author claimed that her father and mother were involved in espionage for the British Government before during and after World War 2 Although he worked in Australian naval intelligence during the war there is no evidence whatsoever that he was an MI6 spy He clearly had his own motives for the change of identity but they had nothing to do with

espionage Penny Graham spent most of her adult life unravelling the truth about her family history Her journey took her around the world twice on many twists and turns false leads and dead ends as she discovers how her father managed to hoodwink so many people in his long and complex life Whatever Remains is a beautifully written story about solving mysteries conquering adversity and ultimately finding where you belong in the world It s a slice of history worth telling

will no doubt be a compelling read the best selling bible for the married with kids crowd **Tuesday's Child** Fern Michaels,2014-05-16 From 1 New York Times bestselling author Fern Michaels comes a gripping novel filled with heart and hope as a young woman wrongly found guilty of murder receives the gift of a second chance Ten years have passed since young nurse Sophie Lee was accused of murdering her wealthy patient Audrey Star Georgia attorney Mikala Aulani believed her innocence and Adam Star s guilt but the prosecution convinced a jury otherwise Kala defended Sophie and had no doubt of her innocence or of Adam Star s guilt but the prosecution convinced a jury otherwise Sophie was convicted on a Tuesday the day on which every significant event in her life good or bad seems to happen Now on the verge of his death Adam exonerates Sophie and leaves her a huge fortune in atonement as well Released from prison Sophie retreats to Kala s house and tries to evade the media frenzy that surrounds her Kala is determined to help her client make her way back into the world and adjust to her new wealth and freedom Yet for both there are still revelations in store about the nature of redemption the strange workings of fate and the power of forgiveness And most of all about the secrets that hide in every heart even those we think we know best Cemetery Girl David Bell,2018-02-06 A missing child is every parent s nightmare What comes next is even worse in this riveting thriller from the bestselling and award winning author of Bring Her Home Tom and Abby Stuart had everything a perfect marriage successful careers and a beautiful twelve year old daughter Caitlin Then one day Caitlin vanished without a trace For a while they grasped at every false hope and followed every empty lead but the tragedy ended up changing their lives overwhelming them with guilt and dread and shattering their marriage Four years later Caitlin is found alive but won t discuss where she was or what happened And when the police arrest a suspect connected to her disappearance she refuses to testify Taking matters into his own hands Tom tries to uncover the truth and finds that nothing that has happened yet can prepare him for what he is about to discover **Wednesday's Child** Frank Charles Dodson,2011-06-24 When one places Wednesday s Child under the microscope it plainly reveals that Marcus Green was failing in the American way of life during the early 1970 s and chose to leave the Country of his birth rather than to continue dwelling in the land which had brought about the demise of the three young black men whom he had known since childhood Each of them had been drawn into the world of drugs and supposedly easy money only to discover that all that really awaited them was an early ticket to the graveyard Marcus choosing to span an ocean could not know what awaited him on the other side of that great expanse of water Suddenly thrust into a culture as different as chalk is to cheese he had to adapt or perish In a world where money education and social connections are enabled to bring even the most naive person safe harbor and protection Marcus was bereft in every area He truly became a child of providence and one dependent on the wind blowing in the right direction This is as much about the sometimes invisible goodness of God as it is about the visible kindness and open generosity of the elderly German woman who received him into her home without an ulterior motive Further to this tale of wonderment it is also about innocent love and how such love can be found with those outside of ones

league or realm of understanding causing Marcus to challenge his personal strengths and weaknesses with a woman of unusual power virtually on a daily basis Also an underlying story of the sophisticated and worldly African American society living in Great Britain during the nineteen seventies and how Marcus had to strap himself in for the jet set ride of his young life which he had unexpectedly stumbled upon Finally losing at love yet gaining in prosperity and notoriety he is forced to return to the United States ostensibly to bask in the limelight but really to meet the true love of his life and his real destiny as a human being **Norfolk and Western Magazine** Norfolk and Western Railway Company,1947 **A Girl Named**
