Nicole Johnson guides us toward the flat thud of grace that can change our lives when we drop our rocks and choose to love instead. When your son tells you he's homosexual, your best friend confesses in agony she's having an affair, or your sister tearfully describes her abortion, you have a choice to leave mere theory behind and enter the gritty reality of relationship. Love is giving you a chance to choose. Rock throwing is one way to settle hostilities or to exchange accusations. You can knock Goliath flat if your rock hits him in the right spot. Not bad if your goal is to kill your enemy. You can express your moral outrage by joining the angry mob howling for a sinner to be stoned. But what if that sinner is your friend and you would rather change their heart than shed their blood? We don't have to hurl the rocks we clutch in our judgmental hands. This offering in the Faith Hope Love Trilogy by Nicole continues to be requested by audiences that saw her perform the dramatic sketch on the 2001 tour.

Worshipping God with Our Lives Zondervan, 2016-02-16. When some people think of a life of worship, they think of the fifteen minutes or two hours depending on their denomination that they spend on their feet on a Sunday morning in church. They may think of the CDs they play in the house as they attack the daily chores. Yet while those certainly represent an act of worship, they don't represent a life of worship. In this study, readers will discover how Jesus lived every moment of every day with a yes in His spirit to His Father. They will see how His declared intent was solely to do the will of His Father, how He worshipped as He healed the blind and the lame, and even how He worshipped in the Garden of Gethsemane as He prayed that the cup of the wrath of God might pass from Him. They will be encouraged to live a similar life of worship to their heavenly Father.

Charity Begins At Bone Maddie Sutton, One charity auction. Two feuding antique store owners. Three guesses as to what happens next. When local businesswoman Rosalind Murphy suspiciously goes missing before Harmony Grove's big Charity Auction for the children's wing of the local hospital, Naomi is determined to dig up the truth. The circumstances behind Rosalind's disappearance just don't add up, and the suspicion it casts on her business rival Tom Skinner, one of Naomi's grandma's close friends, is a little too convenient. But when Rosalind's body is discovered, Naomi realizes she may have bitten off more than she can chew. As she slowly fits the pieces of the puzzle together, will Naomi be drawn into danger that only her doggone best buddy can dig her out, or has this dog finally had its day? The fifth book in the southern small town Naomi Winston Mysteries, *Charity Begins At Bone*, contains no adult situations or gore, only fun and high jinks as the heroine solves mysteries and chases behind her perpetually confused, endearingly curious, and continuously chatty Chihuahua. This story has a light paranormal element.

Overcoming Abuse God's Way Janet Marie Napper, Brenda Branson, 2012-06-19. *Overcoming Abuse God's Way* tells the beautiful story of redemption: how God's faithful love pursued the heart of a broken woman caught up in the grip of abuse, and how He tenderly set her free and raised her up to a new life.
