Aaron Edwards, 2011-03-15 Loving and Leaving Washington John Yochelson, 2016-08-01 John Yochelson was seventeen when he first heard President Kennedy's call Ask not what your country can do for you ask what you can do for your country Responding to the call to public service he had a front row seat from the mid 1970s through the mid 1990s when the power game in Washington was played across party lines Loving and Leaving Washington is his inside account of the lives of public servants from the perspective of a lifelong moderate The Center for Strategic and International Studies brought Yochelson into close contact with such heavyweights as Henry Kissinger and Federal Reserve chairman Paul Volcker work with the Council on Competitiveness kept him at the center of action But the rise of bare knuckled partisanship soured him on DC In 2001 he left power politics to fight for a cause that he believed in launching a San Diego based nonprofit to increase the participation of women and underrepresented minorities in science and engineering Funding realities and family ties however drew him back to the Beltway The bittersweet experience of disengaging from and returning to Washington prompted Yochelson's candid look at the loss of middle ground in U S politics and the decline of public trust in government In this illuminating memoir he reflects on the current generation's dedication to their country and considers the rewards limitations and uncertain future of public service Teaching and Reading New Adult Literature in High School and College
