**The Prophecy and the Warnings Shines Through the Mystifying Codes of the Holy Quran** Adel Awadalla,2004 Nostradamus 1503 1566 a Jewish French physician and astrologer wrote a book of over 900 predictions A lot of these predictions came true How could he get to this precision in his predictions So could Nostradamus make these predictions And what books did he use For someone to predict the future with this precision he must be a man who knew the secret methods of predicting the future as we will explain The author will show you how these predictions came about and how we can make our own predictions and events about to happen It s been said that the CIA uses the Bible and the Book of Revelation and other holy books as the backbone of all their plans and plots Three Prophetic Days William Fredrick,1900
