Footprints & Papa's Legacy Agnes Nyenopoh Dagbe, 2022-04-12

Footprints on the other hand daughters get married and drop their father's name. The baton was passed to me because my brothers showed no interest to receive it. So when my frustrated father passed it down to me I grabbed it and ran with it. University education in the US landed me a UNICEF and World Health Organization WHO supported job when I returned home director of the Physician Assistant Program. A call from President William V S Tubman who was always interested in protecting his citizens helped me on my one month stay in the USSR. The gracious welcome given me by Ambassador Peal and his wife Blanch in London on my way from the USSR is a memorable treasure. The fake diplomat of the Guinea Embassy and what he tried to do to me in Paris is mentioned in Footprints. Papa's Legacy Meeting candidate J F Kennedy on Berkeley Campus was an exhilarating experience for me. The favors of Shad Tubman the president's son while in Boston is also worth remembering. Has anyone ever invited you to the residence of the ambassador of your country then kicked you out for no reason. Read Footprints. Papa's Legacy. Then there were the good Boston police officer that picked me up and carried my books. Can I forget the horse thief who was caught in the park putting my six year old daughter on his horse to whisk her away. And what about the Kenya student who left me on a San Francisco street pushed me out of his car it was 12 midnight. There is more. Read Footprints. Papa's Legacy. My book includes the naked picture taken of me in my Moscow hotel room. A vision revealed my dad died twice before he physically died and then there is the prediction Liberia's civil war predicted in detail ten years before it happened. Writing one's memories into a story for others to read is considered sharing your life with others to read and compare with their own using your option to reject the bad and or to embrace the good hoping to learn from both

The Naked Life Antonie Blum, 2008-07

The Naked Life is a coming of age story set against the backdrop of World War II. It is a captivating visual and sincere memoir that traces Antonie's life from the age of eleven in Austria to the work camps in Siberia and on to Israel. The harsh brutalities of war are sliced by memories of first kisses and dances. The naked life is a life devoid of possessions of home of food of civility and

sometimes of hope But in that naked life with all excess whittled away and when expected the least scintillas of human kindness wax brightest Rear cover *Old Family, Old Secrets* Max Willis Foxton,2019-02-14 With his sister s urging elderly Jeremiah recounts the first of their many youthful adventures Jeremiah and Susanne discover a lot of the Morris clan s family history and young Jeremiah is only beginning to figure things out The whole mess starts when Jeremiah s family visits the grandparents in Britain It soon becomes freakishly apparent that most of Jeremiah s ancestors dating back to 1745 currently reside in Nana and Papa s attic and they are full of useful information It turns out his eighth great uncle Edgar was wrongly hanged for murder centuries ago Inspired by Edgar s parents the Earl Mortimer and the Countess Leila Jeremiah with Susanne decides to help his disgraced relative and solve a mystery from the 1700s to bring closure to Edgar and his beloved Jemima Throughout his investigations Jeremiah makes a shocking discovery some of his ancestors really were killers As he solves an old mystery a new murder has to be stopped Jeremiah s own With the help of other quick thinking ancestors he must avoid becoming another dead occupant of Papa s attic To stay alive Jeremiah will quickly learn what kindness and fair play can do against evil *A Bad Hair Day Cookbook* Nancy J. of her life At the same time A Home Concealed Woman her own self descriptive phrase provides a firsthand view of the hardships of subsistence farming the material culture of rural society and the codes to which Le Guin as a white woman a southerner and an evangelical Christian adhered The most striking feature of Le Guin s world is that it was confined almost entirely to the indoors from the bedrooms where her children were born and where her parents lay ill and died to the stove room where the daily meals were cooked and cleared Her husband s prominence in their small community and the size of their extended families meant that Le Guin hosted an endless flow of callers and overnight guests more than one hundred in the summer of 1906 alone Managing an already busy household under these conditions so occupied her time that she treasured every respite I was truly glad when I felt the sprinkling of the rain I was so glad I couldn t content myself indoors washing dishes sweeping floors making beds etc etc so I just postponed those things and churning too awhile and betook myself out in the misty rain with a new brushbroom and swept a lot of this large yard and inhaled the sweet air scented with rain settling dust Less idyllic sentiments also fill Le Guin s diaries for the anger and anxiety she could not publicly express found a voice in their pages I feel rebellious once in awhile at my lot so much drudgery and so much company to cook for and in meantime my own affairs my own children my little baby all going neglected Though condescending outbursts about her hired help reveal Le Guin s racial attitudes her endemic prejudice is tempered by her many expressions of genuine concern for individual blacks close to her family As writer Ursula K Le Guin suggests in her foreword the diary may be the best suited literary form for approximating the actual gait of people s lives In Magnolia Le Guin s diary prayerful entreaties for strength and guidance mingle with daily news about her family providing a constant background against which major events such as births and deaths holidays and harvests take place The reader s admiration for Le Guin will grow as the details of her life emerge and accumulate

The

Unraveling Max W. Justus,2022-06-28 The Unraveling is a good romp to solve a centuries old mystery but with the original cast of characters When ghosts are present right here and right now who says the dead aren t interesting or well informed The story begins as elderly Jeremiah s older sister Susanne bullies him into recounting the first of their many youthful adventures a peculiar mess that started during a family visit to their grandparents in Britain Jeremiah and Susanne accidentally discover much of the clan s secret family history Their freakish discovery Most of their ancestors dating back to 1745 currently reside in Nana and Papa s attic with the purpose of overturning the wrongful conviction and execution of Great Uncle Edgar in 1745 Inspired by Edgar s parents the Earl Mortimer and the Countess Leila Jeremiah and Susanne tackle the ancient mystery to help their disgraced and significantly depressed ghostly relative Edgar his beloved Jemima and the whole ghostly extended family need closure Young Jeremiah is oddly suited to the task Socially a mild misfit because of subtherapeutic autism his disability has gifted Jeremiah with a phenomenal memory and provided him the ability to process and retain details that few others even see He is paired with his mind reading nine greats granny Leila who is overly

inquisitive and sometimes hilariously distracted During the investigation Jeremiah shockingly discovers that some of his relatives were indeed killers A new murder must be stopped Jeremiah s own With the help of other quick thinking ancestors Jeremiah must avoid becoming another dead occupant of Papa s attic To stay alive Jeremiah will quickly learn what kindness and fair play can do against evil **The Home Voices Speak Louder Than the Drums** Wanda Easter Burch,2017-06-05
