The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources, and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful, and it's a prize for anyone with a love of language.

The Eighteenth Green Webb Hubbell, 2018-11-16 2018 Foreword INDIES Book of the Year Awards Finalist Who was Harold Spencer? All D.C. Lawyer Jack Patterson knew was that Spencer's dead body had been found on the 18th Green of Columbia Country Club, cancelling Jack's Saturday golf game. Who is Rachel Goodman? Her name has been plastered on the front page of every newspaper in the country for weeks, branded as a thief of confidential info vital to U.S. National Security and a spy for Israel. She is also the daughter of Jack's long-time friend and mentor Ben Jennings. Despite the opposition, Jack feels compelled to defend Rachel. He goes to work against the government, the all-powerful military-industrial complex, most of the press, and Congress, all of whom are convinced that Rachel is guilty and should receive the death penalty for her treason. Clovis Jones, Jack's friend, is the victim of a vicious attack. The more Jack digs, the more complicated and dangerous his work becomes. Even a volunteer group of Navy SEALs may not be enough protection. Jack discovers the key to Rachel's exoneration lies with Harold Spencer, the man found dead on the 18th Green. Jack rushes to discover who killed Spencer and why, but the

murderer has now trained his sights on Jack and will stop at nothing

When Harry Met Sal Ryan Field,2023-02-17 Lambda award winning author Ryan Field wrote this gay romance as part of his series of novels retelling beloved romcoms with gay characters Inspired by the romcom classic Nora Ephron movie When Harry Met Sally about two friends who finally realize how much they love each other after many years this novel is an homage to the power of romantic story telling and the power for true love When Harry Beckham s best friend asks him to drive her new casual boyfriend Sal Sorrentino from California to New York Harry never expected they d wind up as lovers their first night on the road Harry just assumes that Sal is straight and Harry already has a boyfriend of his own back in San Francisco But when Sal explains that he s bisexual and that he s extremely attracted to Harry everything changes Harry tries to resist the mutual attraction but all it takes is one simple kiss and they both wind up having the best sex of their lives on a cross country road trip When they reach New York they agree to go their separate ways and forget about each other Harry becomes a well known designer who does national talk shows and Sal becomes a professional poker player who lives in a mansion and owns a pet pig named Dolly And by the time they meet up again seven years later their lives have changed completely But that doesn t stop the passionate physical connection between them from surfacing again Though all the odds seem to be against them their physical relationship evolves into mutual love and respect And this unyielding love they feel for each other turns out to be stronger than anything they could have imagined When Harry Met Sal was definitely one of my early reads in the M M genre and it was one of the books that for the longest time I would reread every time I couldn t find a sweet funny romance that made me smile and laugh this was my go to book Goodreads Reader
