The Life and Works of Friedrich Hebbel Thomas Moody Campbell, 1919 *Friedrich Hebbel* Edna Purdie, 1969 **The Life and Works of Friedrich Hebbel**, 1984 **Friedrich Hebbel** Friedrich Hebbel, 1953 **Herod and Mariamne**, 2020-05 Originally published in 1950 this volume contains a vivid English verse translation by Paul H Curts of one of the most profound and moving tragedies of German literature *Friedrich Hebbel's Conception of Movement in the Absolute and in History* Sten G. Flygt, 2020-05-01 Flygt undertakes an analysis first of Hebbel's writings on social and historical progress in his letters and diaries and then of his plays in order to draw conclusions on Hebbel's conception of movement Noting oscillations throughout Hebbel's life between social progressivism and conservatism Flygt turns his focus to the Hebbel's conceptions of flux and change both in society and the individual Studies in the Lyric Poems of Friedrich Hebbel Albert Edward Gubelmann, 1912 The Life and Works of Friedrich Hebbel (Classic Reprint) Thomas Moody Campbell, 2017-12-19 Excerpt from *The Life and Works of Friedrich Hebbel* The chief source of Hebbel's biographers is his extensive Diary one of the most remarkable books in all literature In addition there is a large fund of letters to draw on His intimate friend Emil Kuh in a monumental biography of the poet also gives much documentary evidence Hebbel's life indeed whether in its sins or its virtues is recorded with unusual fullness The following work is based on an independent examination of the chief records as far as that did not seem superfluous References to the extensive literature of the subject are made Where due in the course of the discussion or else in the bibliographical appendix I wish to express my thanks to Professor O E Lessing of the University of Illinois for his helpful criticism and also to Professor H C Davidsen of Cornell for placing his collection of monographs on Hebbel at my disposal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Friedrich Hebbel's Conception of Movement in the Absolute and in History** Sten Gunnar Flygt, 1952 Flygt undertakes an analysis first of Hebbel's writings on social and historical progress in his letters and diaries and then of his plays in order to draw conclusions on Hebbel's conception of movement Noting oscillations throughout Hebbel's life between social progressivism and conservatism Flygt turns his focus to the Hebbel's conceptions of flux and change both in society and the individual **The Reception of Friedrich Hebbel in Germany in the Era of National Socialism** William John Niven, 1984 **Friedrich Hebbel** Edna Purdie, 1932 *Friedrich Hebbel Werke, Bd. 5*, 1967 Studies in the Lyric Poems of Friedrich Hebbel: The Sensuous in Hebbel's Lyric Poetry Albert Edward Gubelmann, 2023-07-18 *Studies in the Lyric Poems of Friedrich Hebbel*

Albert Gubelmann, 2015-07-16 Excerpt from Studies in the Lyric Poems of Friedrich Hebbel The Sensuous in Hebbel's Lyric Poetry The scope purpose and method of these Studies are discussed at some length in the introductory chapter The attempt is also there made to justify our investigation of the sensuous element in Hebbel's lyric poetry This justification is here stated in brief so that the nature of our Studies may be fairly understood at the outset One may well look with suspicion upon criticism that avowedly confines itself to the material side of poetic invention As related to the poetic art such criticism is a species of vivisection the successive steps are so many incisions into vital tissue that has been mechanically disengaged from the organism As related to the completed art work such criticism is a kind of autopsy The part under examination is dead It cannot live separated from the vital creation of which it formed a part And so there is a strong feeling that investigation of mental phenomena should be something more than mere isolation of constituent parts of such phenomena to their mutual destruction We expect the systematic psychologist to distinguish the mind's various functions and in addition to reveal the fine interfusion the subtle interplay of these functions in human consciousness Similarly we wish the literary critic to lay bare the distinct elements that have entered into a work and also to show the perfect co-ordination of these elements in an organic whole In his drama Sappho Grillparzer makes the poetess thank the Gods for conferring upon her *der Dichtung vollen Kocher Ein Herz zu fuhlen einen Geist zu denken Und Kraft zu bilden was ich mir gedacht* About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
