Going Native A Novel:

Going Native Shari M. Huhndorf, 2015-03-19 Since the 1800s many European Americans have relied on Native Americans as models for their own national racial and gender identities. Displays of this impulse include world's fairs, fraternal organizations and films such as *Dances with Wolves*. Shari M. Huhndorf uses cultural artifacts such as these to examine the phenomenon of going native, showing its complex relations to social crises in the broader American society, including those posed by the rise of industrial capitalism, the completion of the military conquest of Native America, and feminist and civil rights activism. Huhndorf looks at several modern cultural manifestations of the desire of European Americans to emulate Native Americans. Some are quite pervasive, as is clear from the continuing if controversial existence of fraternal organizations for young and old which rely upon Indian costumes and rituals. Another fascinating example is the process by which Arctic travelers went Eskimo, as Huhndorf describes in her readings of Robert Flaherty's travel narrative *My Eskimo Friends* and his documentary film *Nanook of the North*. Huhndorf asserts that European Americans' appropriation of Native identities is not a thing of the past and she takes a skeptical look at the tribes beloved of New Age devotees. *Going Native* shows how even seemingly harmless images of Native Americans can articulate and reinforce a range of power relations, including slavery, patriarchy, and the continued oppression of Native Americans. Huhndorf reconsiders the cultural importance and political implications of the history of the impersonation of Indian identity in light of continuing debates over race, gender, and colonialism in American culture.

Going Native Stephen Wright, 2020-01-07 A dutiful husband and father walks out of his life and into a road trip from hell in a novel. Toni Morrison calls it astonishing, and Don DeLillo proclaims a slasher classic. Strange, dark, and funny, Wylie Jones has a happy marriage, beautiful children, and backyard barbecues in his tastefully decorated suburban house. One night he follows a sudden impulse, leaves his wife in bed, and commandeers his neighbor's emerald green Ford Galaxy 500, driving away without a second look. He sheds all traces of his old life in favor of a new name and a new life and drives from town to town following his deepest impulses where they lead. By turns scathing and hilarious, Stephen Wright's outrageous rollercoaster of sex and violence probes the nihilistic and savage core of the American identity.

End of empire and the English novel since 1945 Rachael Gilmour, Bill Schwarz, 2015-07-01 Available in paperback for the first time, this first book-length study explores the history of postwar England during the end of empire through a reading of novels which appeared at the time, moving from George Orwell and William Golding to Penelope Lively, Alan Hollinghurst, and Ian McEwan. Particular genres are also discussed, including the family saga, travel writing, detective fiction, and popular romances. All included reflect on the predicament of an England which no longer lies at the centre of imperial power, arriving at a fascinating diversity of conclusions about the meaning and consequences of the end of empire and the privileged location of the novel for discussing what decolonization meant for the domestic English population of the metropole. The book is written in an easy style, unburdened by large sections of abstract reflection. It endeavours to bring

alive in a new way the traditions of the English novel The Modernist Novel and the Decline of Empire John Marx,2005-12-08 In the early twentieth century subjects of the British Empire ceased to rely on a model of centre and periphery in imagining their world and came instead to view it as an interconnected network of cosmopolitan people and places English language and literature were promoted as essential components of a commercial cultural and linguistic network that spanned the globe John Marx argues that the early twentieth century was a key moment in the emergence of modern globalization rather than simply a period of British imperial decline Modernist fiction was actively engaged in this transformation of society on an international scale The very stylistic abstraction that seemed to remove modernism from social reality in fact internationalized the English language Rather than mapping the decline of Empire modernist novelists such as Conrad and Woolf celebrated the shared culture of the English language as more important than the waning imperial structures of Britain Going Native Or Going Naive? Dagmar Wernitznig,2003 Going Native or Going Na ve is a critical analysis of an esoteric Indian movement called white shamanism This movement originating from the 1980 s New Age boom redefines the phenomenon of playing Indian For white shamans and their followers Indianness turns into a signifier for cultural cloning By generating a neo primitivistic bias white shamanism utilizes esoteric reconceptualizations of ethnicity and identity In Going Native or Going Na ve a retrospective view on psychohistorical and sociopolitical implications of Indianness and ig noble savage metaphors should clarify the prefix neo within postmodern adaptations of primitivism The appropriation of an Indian simulacrum by white shamans as well as white shamanic disciplines connotes a subtle yet hazardous form of ethnocentrism Transcending mere market trends and profit margins white shamanism epitomizes synthetic cybernetic acculturations Through investigating the white shamanic matrix Going Native or Going Na ve is intended to make these synthesizing processes more transparent The Latinx Files Matthew David Goodwin,2021-05-14 In The Latinx Files Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre The book argues that the space alien is a vital Latinx figure preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination The works discussed in this book including those of H G Wells Gloria Anzald a Junot Diaz Andr M Carrington and many others often explicitly reject the derogatory correlation of the space alien and Latinxs while at other times they contain space aliens that function as a source of either enlightenment or horror for Latinx communities Throughout this nuanced analysis The Latinx Files demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists In the Shadow of the Hawk Josephine B. Curry,Lester J. Bartson,2004 This book carries the reader back to the early years of World War II It is centered on an insightful American woman s daily experience recorded in her diary from 1939 to 1942 wherein personal reflections and epic thrust yield an intriguing sense of plot Author Lester Bartson draws on many external sources in order to bring to life the diarist s interesting native city of Canton Ohio her

subsequent service as a WAC during the liberation of France and postwar initiatives in Nova Scotia Bartson uses recently discovered original material to piece together the poignant story of her husband a Canadian RAF pilot during the First World War Historical and cultural issues are given perspective by richly interactive notes a broadly based Introduction reflective Epilogue thematic Index and more than fifty individual illustrations Empire Islands Rebecca Weaver-Hightower,2007 Through a detailed unpacking of the castaway genre s appeal in English literature Empire Islands forwards our understanding of the sociopsychology of British Empire Rebecca Weaver Hightower argues convincingly that by helping generations of readers to make sense of and perhaps feel better about imperial aggression the castaway story in effect enabled the expansion and maintenance of European empire Empire Islands asks why so many colonial authors chose islands as the setting for their stories of imperial adventure and why so many postcolonial writers write back to those island castaway narratives Drawing on insightful readings of works from Thomas More s *Utopia* to Caribbean novels like George Lamming s *Water with Berries* from canonical works such as *Robinson Crusoe* and *The Tempest* to the lesser known *A Narrative of the Life and Astonishing Adventures of John Daniel* by Ralph Morris Weaver Hightower examines themes of cannibalism piracy monstrosity imperial aggression and the concept of going native Ending with analysis of contemporary film and the role of the United States in global neoimperialism Weaver Hightower exposes how island narratives continue not only to describe but to justify colonialism Rebecca Weaver Hightower is assistant professor of English and postcolonial studies at the University of North Dakota **Conrad in the Twenty-First Century** Carola Kaplan,Peter Mallios,Andrea White,2005-01-15 Best known as the author of *Heart of Darkness* Joseph Conrad 1857 1924 is one of the most widely taught writers in the English language Conrad s work has taken on a new importance in the dawning of the 21st century in the wake of September 11 many cultural commentators returned to his novel *The Secret Agent* to discuss the roots of terrorism and the overarching theme of colonialism in much of his work has positioned his writing as central to not only literature scholars but also to postcolonial and cultural studies scholars and more recently to scholars interested in globalization Reading Conrad Now is a collection of original essays by leading Conrad scholars that rereads Conrad in light of his representations of post colonialism of empire imperialism and of modernism and modernity questions that are once again relevant today The collection is framed by an introduction by J Hillis Miller one of the most important literary critics today and a concluding extensive interview with Edward Said one of his final interviews before his death on September 25 2003 the most prominent postcolonial critic addressing his lifelong fascination with Conrad Reading Conrad Now will be essential reading for anyone seeking a contemporary introduction to this great writer and will be of great interest to scholars working with Conrad in a variety of fields including literary studies cultural studies ethnic and area studies and postcolonial studies Canadian Cultural Exchange / Échanges culturels au Canada Norman Cheadle,Lucien Pelletier,2011-04-07 The essays in *Canadian Cultural Exchange / Échanges culturels au Canada* provide a nuanced view of Canadian transcultural experience Rather than

Orwell D. J. Taylor, 2023-05-25 A fascinating exploration of George Orwell and his body of work by an award winning Orwellian biographer and scholar presenting the author anew to twenty first century readers We find ourselves in an era when the moment is ripe for a reevaluation of the life and the works of one of the twentieth century's greatest authors This is the first twenty first century biography on George Orwell with special recognition to D J Taylor's stature as an award winning biographer and Orwellian Using new sources that are now available for the first time we are tantalizingly at the end of the lifespan of Orwell's last few contemporaries whose final reflections are caught in this book The way we look at a writer and his canon has changed even over the course of the last two decades there is a post millennial prism through which we must now look for such a biography to be fresh and relevant This is what Orwell The New Life achieves
